NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

1. ORGANIZATION

Tocqueville Securities L.P. (the “Partnership”) was formed as a limited partnership under the laws of the State of Delaware on January 4, 1990. The Partnership is a broker-dealer in securities registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”). The general partner is Tocqueville Management Corp. (“TMC”), which owns a 1% interest in the Partnership, and the limited partner is Tocqueville Asset Management L.P. (“TAMLP”), which owns a 99% interest in the Partnership. As a limited partnership, the limited partner is not responsible for the debts of the Partnership unless the limited partner has specifically guaranteed the debts of the Partnership. Profits and losses are allocated 1% to TMC and 99% to TAMLP. Distributions are made to the partners in the same manner in which profits and losses are allocated.

The principal business of the Partnership is to act as a broker and dealer in securities and to engage in other businesses as the general partner may determine. The Partnership, as an agent for the funds of the Tocqueville Trust (the “Trust”), sells the shares of the funds in the Trust. The Trust is a Massachusetts business trust organized in 1986 consisting of three separate investment company funds comprised of The Tocqueville Fund, The Tocqueville Opportunity Fund, and The Tocqueville Phoenix Fund (collectively, the “Funds”). In November 2022, The Tocqueville Opportunity Fund, and The Tocqueville Phoenix Fund were merged into The Tocqueville Fund.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Partnership’s financial statements were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

TOCQUEVILLE SECURITIES L.P.

NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Brokerage commissions

The Partnership buys and sells securities on behalf of its customers. Each time a customer enters into a buy or sell transaction, the Partnership charges a commission. Commissions and related clearing expenses are recorded on the trade date (the date that the Partnership fills the trade order by finding and contracting with a counterparty and confirms the trade with the customer). The Partnership believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to/from the customer. The commissions receivable balance at December 31, 2021 was \$95,095. The commissions receivable balances as of December 31, 2023 and 2022, were \$73,343 and \$221,389, respectively.

Distribution Fees

The Partnership has entered into contracts with the Funds whereby the Partnership is paid monthly fees ("12b-1 fees") for providing certain services to customers and distributing shares of the Funds. The 12b-1 fees are generally equal to a fixed percentage of the average daily net assets of the funds for which the Partnership is a distributor and are recognized as revenue at a point in time monthly. Payments are generally collected when due. The passage of time reflects the satisfaction of the Partnership's performance obligations to the Funds. The distribution fees receivable balance at December 31, 2021, was \$125,179. The distribution fee receivable balances as of December 31, 2023 and 2022, were \$93,996 and \$93,327, respectively.

Cash and Cash Equivalents

At December 31, 2023 and 2022, cash and cash equivalents include demand deposits and a Dreyfus Government Money Market Fund. The Partnership considers temporary cash investments with an original maturity of three months or less to be cash equivalents.

Credit Risk

The Partnership maintains its cash with various financial institutions in amounts that at times may exceed the federal insurance limit. The Partnership monitors the credit quality of the financial institutions and did not believe there is any significant credit risk with respect to cash.

TOCQUEVILLE SECURITIES L.P.

NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Credit Risk (continued)

Concentrations of credit risk with respect to commissions and fees receivable are with affiliated and unrelated companies. The Partnership reviews their credit backgrounds and credit history before entering into agreements with them. Allowances for possible credit losses, if any, are provided based on factors surrounding the credit risk of the receivables, historical trends, and other information. Management does not believe an allowance for possible credit losses was necessary as of December 31, 2023 and 2022.

Income Taxes

As a partnership for federal and state tax purposes, the Partnership's taxable income or loss is allocated to its partners in accordance with their respective percentage ownership. Therefore, no provision or liability for federal or state income taxes has been included in the accompanying financial statements. The Partnership remains subject to the New York City unincorporated business tax, a provision for which has been included in the financial statements.

The Partnership recognizes and measures its unrecognized tax benefits in accordance with FASB Accounting Standards Codification ("ASC") 740, *Income Taxes*. Under that guidance, the Partnership assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available or when an event occurs that requires a change.

The Partnership's income tax returns for the tax years ending on or after December 31, 2020, remain open to examination.

Current Expected Credit Losses

The Company accounts for estimated credit losses on financial assets in accordance with FASB ASC 326, *Financial Instruments – Credit Losses*. Current Expected Credit Losses ("CECL") requires earlier recognition of credit losses, while also providing additional transparency about credit risk. The CECL methodology utilizes a lifetime "expected credit loss" measurement objective for the recognition of credit losses for loans, cash and cash equivalents, and other receivables at the time the financial asset is originated or acquired. The expected credit losses are adjusted each period for changes in expected lifetime credit losses.

TOCQUEVILLE SECURITIES L.P.

NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Current Expected Credit Losses (continued)

For financial assets measured at amortized cost (e.g., cash and cash equivalents, commission and distribution fees receivables, and due from clearing broker), the Partnership has concluded that there are de minimis expected credit losses based on the nature and contractual life or expected life of the financial assets and immaterial historic and expected losses.

Subsequent Events

The Partnership has performed an evaluation of events that have occurred subsequent to December 31, 2023, and through February 28, 2024, the date of the filing of this report.

There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2023.

3. NET CAPITAL REQUIREMENTS

The Partnership is subject to the SEC's Uniform Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 15 to 1 (Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2023, the Partnership had regulatory net capital of \$1,559,850, which was \$1,534,850 in excess of its required net capital of \$25,000. At December 31, 2023, the Partnership's ratio of aggregate indebtedness to net capital was approximately 0.12 to 1. The Partnership operates under the exemptive provisions of paragraph (k)(2)(ii) of SEC Rule 15c3-3 and other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R §240.17a-5, and did not maintain possession or control of any customer funds or securities as of December 31, 2023.

TOCQUEVILLE SECURITIES L.P.

NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

4. INDEMNIFICATION

The Partnership functions as an introducing broker that places and executes customer orders. The orders are then settled by an unrelated clearing organization that maintains custody of customers' securities and provides financing to customers. Through indemnification provisions in agreements with the Partnership's clearing broker, customer activities may expose the Partnership to off-balance-sheet credit risk. Financial instruments may have to be purchased or sold at prevailing market prices in the event a customer fails to settle a trade on its original terms or in the event cash and securities in a customer's margin accounts are not sufficient to fully cover that customer's obligations.

The Partnership seeks to control the risks associated with customer activities through customer screening and selection procedures, as well as through requirements on customers to maintain margin collateral in compliance with various regulations and clearing organization policies.

5. DISTRIBUTION FEES

The Partnership has entered into distribution agreements with the Funds pursuant to which the Partnership receives a monthly fee at an annual rate not to exceed 0.25 percent of average daily net assets of the Funds. The distribution fees receivable at December 31, 2021, was \$125,179. As of December 31, 2023 and 2022, the Partnership had a distribution fees receivable of \$93,996 and \$93,327, respectively. The Partnership's distribution fees revenue is net of payments due for distribution fee revenue earned by various unrelated brokers that assist in the distribution of the Funds' shares. An accrual has been established for fees that are due to unrelated brokers in the amount of \$71,173 and \$57,795 at December 31, 2023 and 2022, respectively.

6. TAX DEFERRED SAVINGS PLAN

TMC maintains a tax deferred savings plan (the "Plan").

TOCQUEVILLE SECURITIES L.P.

NOTES TO STATEMENTS OF FINANCIAL CONDITION

DECEMBER 31, 2023 AND 2022

7. RELATED PARTY TRANSACTIONS

Expense Sharing Arrangement

The Partnership is party to an expense sharing arrangement with its general partner, TMC, and TMLP (the “ESA”). The ESA provides for the allocation of certain expenses (salaries, payroll taxes, rent, management services and general administrative expenses) between the Partnership and TMLP based on each entity’s estimated contribution to gross income. The Partnership reimburses TMLP for its portion of the expenses paid. At December 31, 2022, the Partnership owed \$1,190,158 to TMC, and was owed \$1,074,824 by TMLP, respectively. At December 31, 2023, the Partnership owed \$1,171,060 to TMC, and was owed \$1,255,543 by TMLP, respectively, related to the payment of services.
