1. Please provide prominent disclosure here disclosing that you were provisionally identified by the Commission on June 1, 2022 under the Holding Foreign Companies Accountable Act. Refer to <https://www.sec.gov/hfcaa>. In addition, please review the Division of Corporation Finance's December 20, 2021 guidance "Sample Letter to China-Based Companies" available at: <https://www.sec.gov/corpfin/sample-letter-china-based-companies> and update your disclosure to discuss the legal and operational risks associated with being a China-based company, or explain why such comments are not applicable to the company.
2. Please prominently disclose whether your auditor is subject to the determinations announced by the PCAOB on December 16, 2021 and whether and how the HFCAA and related regulations will affect your company. In addition, disclose that trading in your securities may be prohibited under the Holding Foreign Companies Accountable Act if the

PCAOB determines that it cannot inspect or investigate completely your auditor, and that as a result an exchange may determine to delist your securities. In addition, please disclose that the United States Senate has passed the Accelerating Holding Foreign Companies Accountable Act, which, if enacted, would decrease the number of “non-inspection years” from three years to two years, and thus, would reduce the time before your securities may be prohibited from trading or delisted. Update your disclosure to reflect that the Commission adopted rules to implement the HFCAA and that, pursuant to the HFCAA, the PCAOB has issued its report notifying the Commission of its determination that it is unable to inspect or investigate completely accounting firms headquartered in mainland China or Hong Kong.

3. Please provide the objective and verifiable evidence that you relied on in determining the \$4/share value of the stock issued to acquire Center Florence in November 18, 2021. Tell us why the \$.50/share price of stock sold for cash to independent third parties on July 29, 2021 was not deemed a more reliable indicator of fair value.

Note 10, page F-22

4. Please tell us how you determined that the \$750,000 of equity securities were not impaired at December 31, 2021. In this regard, please give us the following December 31, 2021 financial data for Archax and for Montis SPA: total assets; total liabilities; total revenue for the year; net income (loss) for the year. Also, you purchased 1.74% and 2.63% of the shares of Archax and Montis SPA from Hudson Capital USA Inc. in June 2021. Please tell us the percentage of shares owned by Hudson Capital USA Inc. of Archax and Montis at that time, as well as subsequent to your February 2022 transaction where you bought all of the shares of Hudson Capital USA Inc.
