Form 10-K for the Fiscal Year Ended April 24, 2015

Item 9A. Controls and Procedures, page 45

1. We note your disclosure that your “management has concluded that [your] internal controls over financial reporting were effective as of April 25, 2014.” Please amend your filing to provide management's assessment of the effectiveness of your internal control over financial reporting as of the end of the most recent fiscal year, which in your case is as of April 24, 2015. Refer to the guidance in Item 308(a)(3) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
