Our Annual Meeting will be held at The Waldorf=Astoria, 301 Park Avenue, New York, New York, at 8 a.m., EST, on December 12, 2002.

About this Proxy Statement

Our Board of Directors has sent you this Proxy Statement to solicit your vote at the Annual Meeting. We will pay all expenses incurred in this proxy solicitation. In addition to mailing this Proxy Statement to you, we have retained D.F. King & Co., Inc., to be our proxy solicitation agent for a fee of \$5,000, plus expenses. We also may make additional solicitations in person, by telephone, facsimile, e-mail, or other forms of communication. Brokers, banks, and others who hold our stock for the beneficial owners will be reimbursed by us for their expenses related to forwarding our proxy materials to the beneficial owners. This Proxy Statement is first being mailed on or about November 1, 2002.

Information about Voting

You may vote your shares in person or by proxy:

- *By Proxy* – You can vote via the Internet, by telephone, or by completing and returning the enclosed proxy or voting instruction card by mail. *We encourage you to vote by telephone or Internet, both of which are convenient, cost-effective, and reliable alternatives to returning your proxy card by mail.* The instructions for voting are contained on the enclosed proxy card. The individuals named on the card, your “proxies,” will vote your shares as you indicate. If you sign your card without indicating how you wish to vote, your shares will be voted FOR our nominees for director, FOR Ernst & Young LLP as independent auditors, FOR the director stock option plan, FOR the director compensation plan, and in the proxies’ discretion on any other matter that may be properly brought before the meeting or at any adjournment of the meeting. You may revoke your proxy at any time before it is voted at the meeting by giving a written notice to our Secretary (at the address at the top of this page) that you have revoked the proxy, by providing a later-dated proxy, or by voting in person at the Annual Meeting.
- *In Person* – You may attend the Annual Meeting and vote in person. If you are a registered holder of your shares, you only need to attend the meeting. However, if your shares are held in an account by a broker, you may still vote in person if you present at the meeting written consent from your broker permitting you to vote the shares in person.

Voting Securities and Quorum

At the close of business on October 15, 2002, we had 98,549,013 shares of common stock outstanding. Each share of common stock is entitled to one vote. However, AutoZone had forward purchase agreements under its common stock repurchase program covering 1,342,100 shares of common stock that are deemed to be beneficially owned by AutoZone and are ineligible to be voted at the meeting. Therefore, only 97,206,913 shares will be deemed outstanding at the meeting.

ESL Investments, Inc., in an agreement dated October 10, 2000, agreed not to vote any shares it or its affiliates acquired after October 20, 2000, until after April 1, 2004, unless AutoZone gives consent otherwise, but such shares will be deemed present for purposes of determining a quorum. As of the record date, this agreement applied to 8,923,500 shares beneficially owned by ESL Investments, Inc., and its affiliates.

Holders of a majority of the shares of common stock outstanding and entitled to vote must be present in person or by proxy in order for a quorum to be present. Shares deemed beneficially owned by AutoZone will not be deemed to be outstanding for purposes of a quorum. Shares beneficially owned by ESL Investments, Inc., and its affiliates that are not eligible to be voted will be deemed to be present for purposes of a quorum, but will be counted as voting "WITHHELD" for directors and "ABSTAINING" on all other issues.

Corporate Governance

Corporate Governance Principles

In June 2001, our Board of Directors adopted Corporate Governance Principles to govern the operation of the Board and to assure that the Board was focused on stockholder value. These principles were amended in August 2002 to conform them to the proposed new director independence rules of the New York Stock Exchange. However, the amendments to the principles did not disqualify any of our independent directors.

Our Board of Directors has determined that Charles M. Elson, Marsha J. Evans, Earl G. Graves, Jr., N. Gerry House, James F. Keegan, Edward S. Lampert, W. Andrew McKenna and Michael W. Michelson meet the independence standards of our Corporate Governance Principles and the New York Stock Exchange. A copy of the Corporate Governance Principles is attached as Appendix A to this Proxy Statement.

Board Meetings

The Board of Directors held ten meetings in fiscal year 2002. All directors attended at least 75% of the total of the Board of Directors and committee meetings during the fiscal year.

Board Committees

Audit Committee. The charter of the Audit Committee is attached to this Proxy Statement as Appendix B. Under its charter, the Audit Committee is responsible for:

- appointing, determining the compensation of, and overseeing the work of the independent auditor;
- reviewing the financial reporting processes and the information that will be provided to the stockholders and others;
- reviewing the adequacy and effectiveness of AutoZone's systems of internal accounting and financial controls;
- reviewing the internal audit function and the annual independent audit of AutoZone's financial statements; and
- reviewing the overall corporate "tone" for quality financial reports, controls, and ethical behavior.

During fiscal year 2002, the Audit Committee met eight times and consisted of: Mr. Keegan (Chairman), Mr. Elson (appointed December 2001), Mr. Graves (appointed April 2002), Mr. Lampert (until December 2001), and Mr. McKenna. The Audit Committee consists entirely of independent directors under the standards of

AutoZone's Corporate Governance Principles, Item 303.01(B)(2)(a) of Regulation S-K, and the listing standards of the New York Stock Exchange.

Compensation Committee. Under its charter, the Compensation Committee:

- reviews and approves AutoZone's compensation objectives;
- reviews and approves the compensation programs, plans, and awards for executive officers;
- acts as administrator as may be required by AutoZone's short- and long-term incentive plans and other stock or stock-based plans; and
- issues a report annually related to executive compensation, as required by the Securities and Exchange Commission's proxy solicitation rules.

The Compensation Committee, consisting of Mr. Lampert (Chairman), Ms. Evans (appointed April 2002), Dr. House, and Mr. McKenna held five meetings during fiscal year 2002.

Nominating and Corporate Governance Committee. Under its charter, the Nominating and Corporate Governance Committee ensures that:

- qualified candidates are presented to the Board of Directors for election as Directors;
- the Board of Directors has adopted appropriate corporate governance principles that best serve the practices and objectives of the Board of Directors; and
- AutoZone's Articles of Incorporation and Bylaws are structured to best serve the objectives of the stockholders.

During fiscal year 2002, the Nominating and Corporate Governance Committee, consisting of Mr. Elson (Chairman) and Mr. Keegan, held six meetings.

PROPOSAL 2—Approval of Director Stock Option Plan

What is the director stock option plan?

The AutoZone, Inc. 2003 Director Stock Option Plan, which is referred to in this proposal as the "option plan," allows us to grant non-qualified options to our non-employee directors to purchase shares of AutoZone, Inc., common stock, \$0.01 par value, at a fixed price at some point in the future. The closing price of the common stock on the New York Stock Exchange as of October 15, 2002, was \$83.50. The following information regarding the option plan is only a summary. For more complete information, please refer to the complete copy of the plan attached as Appendix C to this proxy statement.

How many shares are reserved for issuance under the option plan?

Up to 400,000 shares will be reserved for issuance under the option plan.

Who receives stock options under the option plan?

All non-employee directors are eligible to receive stock option grants. The plan defines a non-employee director as a director that is not an employee or officer of AutoZone, Inc., or any of its subsidiaries.

In fiscal year 2003, options under the option plan will be granted to directors as shown in this table (based upon stock ownership of each director as of October 15, 2002):

<u>Name and Position</u>	<u>Shares represented by options</u>
Steve Odland, Chairman, President, CEO & Director	0
Charles M. Elson, Director	3,000
Marsha J. Evans, Director	1,500
Earl G. Graves, Jr., Director	1,500
N. Gerry House, Director	3,000
J.R. Hyde, III, Director	3,000
James F. Keegan, Director	3,000
Edward S. Lampert, Director	3,000
W. Andrew McKenna, Director	3,000
Executive Group	0
Non-Executive Director Group	21,000
Non-Executive Officer Employee Group	0

How are the terms of the option grants determined?

The option grants are automatic under the operation of the plan and are not subject to discretion.

When are options granted under the option plan?

Options to purchase shares under the option plan are granted to all directors on January 1 of each year. In addition, new directors are granted options to purchase shares as of the date of their election to the Board.

How many options to purchase common stock are issued to a director on a grant date?

On January 1 of each year, each director is granted an option to purchase 1,500 shares. Also, each director who beneficially owns shares of common stock having an aggregate fair market value greater than or equal to five times the annual directors' fee (not including meeting fees or fees for being a committee chair) is granted an option to purchase an additional 1,500 shares.

Each new director is granted an option to purchase 3,000 shares as of the date of his or her election to the Board of Directors plus an additional grant of an option to purchase 1,500 shares prorated for the number of days remaining in the calendar year.

How is the exercise price for the stock option determined under the option plan?

The exercise price for the options granted under the option plan is based upon the average high and low price of AutoZone common stock traded on the New York Stock Exchange as of the first business day prior to the date of the grant as published in *The Wall Street Journal*.

When do the stock options become exercisable?

The options become exercisable on the first to occur of:

- the date the director ceases to be an AutoZone director, or
- three years after the grant date.

Who is the administrator for the option plan?

The Compensation Committee of the Board of Directors is the administrator under the plan. Only independent directors can serve as members of the Compensation Committee. The current committee members are Mr. Lampert, Ms. Evans, Dr. House, and Mr. McKenna, all of whom are independent directors.

How are stock options exercised?

Stock options may be exercised at any time after they have become exercisable by delivering a notice of exercise to the Secretary with payment of the option price and any required taxes. The option price may be paid:

- in cash,
- by a “cashless exercise,” where a broker agrees to sell the stock purchased by the exercise of an option and paying a portion of the proceeds of the sale equal to the exercise price to us,
- in an equivalent value of common stock, if approved by the Compensation Committee, or
- a combination of these payment methods.

When do the stock options expire?

The stock options granted under the option plan will expire on the first to occur of:

- ten years from the grant date,
- five years from the date that the director ceases to be a director by reason of being ineligible to be reelected to the Board because of reaching the Board’s mandatory retirement age or the term limits as stated in the Corporate Governance Principles,
- ninety days from the director’s death,
- thirty days from the date that the director ceases to be a director for a reason other than death, or not being eligible to be reelected by reason of reaching the Board’s mandatory retirement age or the term limits as stated in the Corporate Governance Principles, or
- the effective date of a corporate transaction, unless the Compensation Committee waives this provision.

Who can amend the option plan?

The option plan may be amended by the Board, except that the stockholders must approve any amendment to the option plan to:

- increase the number of shares available for grant under the option plan (other than an equitable adjustment in the number of shares due to a stock split or other corporate event),
- modify the types of shares available for grants,
- materially change the method of determining the exercise price,
- modify the definition of “non-employee director,”
- extend the expiration date of the plan, or
- make any other amendment where the listed company rules of the New York Stock Exchange or the law would require stockholder approval.

When does the stock option plan expire?

The option plan will expire on December 31, 2012, unless sooner terminated by the Board. No further options may be granted under the option plan after the termination date; however, all benefits granted under the option plan prior to the termination date shall continue to be paid in accordance with their terms.

What happens to stock options in case of a stock split or other corporate event?

In the event of a corporate event such as a stock split, spin-off, or other corporate transaction that affects our common stock, the Compensation Committee may make appropriate adjustments to the number of options granted and the exercise price to prevent dilution or enlargement of the benefits under stock options granted, including making adjustments to:

- the number and kind of shares of common stock with respect to which the option may be granted under the option plan,
- the number and kind of shares of common stock subject to outstanding options, and
- the grant or exercise price with respect to any option.

In the event of a corporate transaction where AutoZone is not the surviving entity, a sale of substantially all of our assets, or a reverse merger resulting in the change in control of AutoZone, then the options granted under the option plan terminate unless the compensation committee provides for other terms for the options.

Are the stock options transferable?

Options granted under the stock option plan are not transferable, except by will or the laws of descent and distribution.

What are the federal income tax consequences of stock option grants and exercises?

Federal income taxes are due from a recipient of non-qualified stock options when the stock options are exercised. The difference between the exercise price of the option and the fair market value of the stock purchased on the exercise date is taxed as ordinary income. Thereafter, the tax basis for the acquired stock is equal to the fair market value of the stock as of the exercise date. AutoZone will take a tax deduction equal to the amount of income realized by the option recipient on the exercise date.

What vote is required to approve the option plan?

To approve the option plan, the plan must receive more votes in favor of the plan than are cast against it. Broker non-votes and abstentions will be counted as present at the meeting for purposes of a quorum, but will not be counted as voting either for or against the option plan.

The Board of Directors recommends that you vote FOR the Director Stock Option Plan.

PROPOSAL 3—Approval of Director Compensation Plan

What is the director compensation plan?

The AutoZone, Inc. 2003 Director Compensation Plan, which is referred to in this proposal as the “compensation plan,” allows AutoZone’s non-employee directors to have flexibility in compensation for serving on AutoZone’s Board of Directors. The plan will also allow non-employee directors to participate in the ownership of AutoZone and to defer all or a portion of the director’s compensation into common stock equivalent units. Non-employee directors are required to take at least one-half of their directors fees in AutoZone common stock or stock equivalent units, also known as “stock appreciation rights” or “SARs.” The closing price of the common stock on the New York Stock Exchange as of October 15, 2002, was \$83.50. The following information regarding the

compensation plan is only a summary. For more complete information, please refer to the complete copy of the plan attached as Appendix D to this proxy statement.

How many shares are reserved for issuance under the compensation plan?

Up to 100,000 shares are reserved for issuance under the compensation plan.

Who may participate in the compensation plan?

All non-employee directors of AutoZone are required to participate in the plan. A non-employee director is a director that is not an employee or officer of AutoZone or any of its subsidiaries. Currently, there are nine non-employee directors on AutoZone's Board of Directors.

How are the non-employee directors compensated under the compensation plan?

Each non-employee director receives a director's fee as set by the Board. The director's fee has a fixed component and a variable component. The variable component of a director's compensation is currently based on the number of Board meetings attended by the director and is paid in quarterly installments, in arrears, based on the number of Board meetings attended by the director during the preceding quarter.

Each non-employee director is required to accept at least one-half, or at the discretion of the director up to all, of the fee in AutoZone common stock or stock appreciation rights. The balance of the fee is paid in cash.

During fiscal year 2002, non-employee director compensation included \$25,000 as a fixed fee and \$1,000 per Board meeting attended by the director. The following table shows the amount and type of compensation received by each director in fiscal year 2002:

Name and Position	Shares of Stock Issued	SARs Issued	Cash Paid (\$)
Steve Odland, Chairman, President, CEO & Director	0	0.0	0
Charles M. Elson, Director	196	340.0	0
Marsha J. Evans, Director	0	96.0	6,993
Earl G. Graves, Jr., Director	0	193.0	0
N. Gerry House, Director	0	268.1	16,500
J.R. Hyde, III, Director	0	536.2	0
James F. Keegan, Director	536	0.0	0
Edward S. Lampert, Director	536	0.0	0
W. Andrew McKenna, Director	0	536.2	0
Michael W. Michelson, Director	0	536.2	0
Executive Group	0	0.0	0
Non-Executive Director Group	1,268	2,505.7	23,493
Non-Executive Officer Employee Group	0	0	0

What are "stock appreciation rights (SARs)"?

Stock appreciation rights are referred to in the compensation plan as "common stock equivalent units." They permit a non-employee director to participate in the appreciation in the value of AutoZone's common stock while deferring the recognition of income for tax purposes. The number of SARs a non-employee director receives under the compensation plan is recorded in a ledger, but no stock certificates are issued until requested and as permitted under the plan. Each director receiving SARs will have an individual account in the ledger.

The purpose of using the SARs instead of issuing stock is to defer the income taxes that ordinarily would have been paid upon the issuance of the stock or payment of the director's fee until the issuance of the stock or payment of the fee.

How are the number of shares of common stock or SARs to be issued calculated?

The number of common shares or SARs issued is determined by dividing the director's fee payable by the fair market value of a share of AutoZone's common stock on the date the fee is due. The fair market value of the common stock is determined by the average of the high and the low price of the common stock for the business day before the relevant compensation date as published by *The Wall Street Journal*.

Calculations of the number of common shares to be issued are truncated to the whole share with the fractional amount paid in cash. Calculations of the number of SARs to be issued are rounded to the nearest one-tenth.

How long must a director hold common stock or SARs issued under the compensation plan?

A director may not sell, assign, or otherwise transfer common stock received under the compensation plan for at least six months and one day after the shares of the common stock are issued. A director may not sell, assign or otherwise transfer his or her interests in SARs received under the compensation plan for at least six months and one day after the SARs are credited to the director's account.

How does a director receive proceeds from his or her account?

Upon termination as a director, a non-employee director may elect to receive a distribution from his or her SAR unit account in cash or in common stock or may elect to continue to defer payments in the compensation plan. Deferred payments will be credited with interest at a rate set by the Board of Directors. If a director desires to defer payments after termination as a director, then, at least 12 months prior to the director's termination date, the director must notify AutoZone's Secretary of how the director wishes the deferred payments to be distributed. The director may elect to have deferred payments distributed in one of the following ways:

- as a single lump-sum paid after the termination date,
- as a single lump-sum paid after the fifth anniversary of the termination date,
- as a single lump-sum paid after the tenth anniversary of the termination date, or
- as two equal installments, one after the fifth anniversary of the termination date and the other after the tenth anniversary of the termination date.

Are benefits under the compensation plan transferable?

Benefits granted under the compensation plan are not transferable, except by will or the laws of descent and distribution.

What happens to the compensation plan in the case of a stock split or other corporate event?

In the event of a corporate event such as a stock split, spin-off, or other corporate transaction that affects our common stock, the Compensation Committee may make adjustments to the number and kind of shares of common stock which may be issued under the compensation plan, such as:

- the maximum number of shares which may be issued under the compensation plan and
- the number and kind of shares of common stock (or other securities or property) that may be paid upon the distribution of SARs.

Who can amend the compensation plan?

The compensation plan may be amended by the Board, except that the stockholders must approve any amendment to the plan to:

- increase the number of shares available for grant under the compensation plan (other than an equitable adjustment in the number of shares due to a stock split or other corporate event),
- change the type of equity compensation paid under the compensation plan,
- change the method of determining the price of equity compensation granted under the compensation plan,
- modify the definition of “Director,”
- extend the expiration date of the compensation plan, or
- make any other amendment where the listed company rules of the New York Stock Exchange or the law would require stockholder approval.

Who administers the compensation plan?

The Compensation Committee of the Board of Directors is the administrator under the plan. Only independent directors can serve as members of the Compensation Committee. The current committee members are Mr. Lampert, Ms. Evans, Dr. House, and Mr. McKenna, all of whom are independent directors.

When does the compensation plan expire?

The compensation plan will expire on December 31, 2012, unless sooner terminated by the Board. No further benefits may be paid under the compensation plan after the termination date; however, all benefits granted under the compensation plan prior to the termination date will continue to be paid in accordance with their terms, or the Board may accelerate payment of benefits.

What vote is required to approve the compensation plan?

To approve the compensation plan, the plan must receive more votes in favor of the plan than are cast against it. Broker non-votes and abstentions will be counted as present at the meeting for purposes of a quorum, but will not be counted as voting either for or against the compensation plan.

The Board of Directors recommends that you vote FOR the Director Compensation Plan.

PROPOSAL 4—Approval of Independent Auditors

Ernst & Young LLP, our independent auditors for the past fifteen fiscal years, has been selected by the Audit Committee to be AutoZone’s independent auditors for fiscal year 2003. Representatives of Ernst & Young LLP will be present at the Annual Meeting to make a statement if they so desire and to answer any appropriate questions. During fiscal year 2002, the aggregate fees billed for professional services rendered by Ernst & Young LLP for the audit of AutoZone’s annual financial statements for the 2002 fiscal year and the reviews of the financial statements included in AutoZone’s Forms 10-Q for the 2002 fiscal year were \$327,500, and the aggregate fees billed for other services, including other audit related services, were \$1,335,926, which included:

- \$142,258 paid for audited-related services such as review of SEC filings, statutory audits, and contract reviews,
- \$33,434 paid for energy advisory services, and
- \$1,160,234 paid for tax advisory services.

We did not engage Ernst & Young LLP to provide advice regarding financial information systems design and implementation during the 2002 fiscal year.

For approval, the auditors must receive more votes in favor of approval than votes cast against. Abstentions and broker non-votes will not be counted as voting either for or against the auditors. However, the Audit Committee

is not bound by a vote either for or against the auditors. The Audit Committee will consider a vote against the auditors by the stockholders in selecting auditors in the future.

The Audit Committee recommends that you vote FOR approval of Ernst & Young LLP as independent auditors.

Audit Committee Report

To the Board of Directors of AutoZone, Inc.:

The Audit Committee of AutoZone, Inc., has reviewed and discussed AutoZone's audited financial statements for the year ended August 31, 2002. In addition, we have discussed with Ernst & Young LLP, AutoZone's independent auditing firm, the matters required by Codification of Statement on Auditing Standards No. 61., and other matters required by the charter of this committee.

The committee also has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, and we have discussed with AutoZone's management and the auditing firm such other matters and received such assurances from them as we deemed appropriate. In addition, we have considered whether the provision of nonaudit services by Ernst & Young LLP to AutoZone is compatible with maintaining auditor independence.

As a result of our review and discussions, we have recommended to the Board of Directors the inclusion of AutoZone's audited financial statements in the annual report for the year ended August 31, 2002, on Form 10-K.

While the Audit Committee has the responsibilities and powers set forth in its Charter, the audit committee does not have the duty to plan or conduct audits or to determine that AutoZone's financial statements are complete, accurate, or in accordance with generally accepted accounting principles; AutoZone's management and the independent auditor have this responsibility. Nor does the audit committee have the duty to conduct investigations, to resolve disagreements, if any, between management and the independent auditor, or to assure compliance with laws and regulations and the policies of the Board of Directors.

Compensation Committee Report on Executive Compensation

The executive compensation program is designed to attract and retain executives who are key to our long-term success. In this process, we want to align an executive's compensation with AutoZone's attainment of business goals and the increase in stockholder value. The Compensation Committee reviews executive compensation annually and makes appropriate adjustments based on company performance, achievement of predetermined goals, and changes in an executive's duties and responsibilities. The compensation of other AutoZone employees is based on a similar philosophy.

Compensation Philosophy

Executive compensation consists of salary, bonus, and stock options.

Salary. The Compensation Committee desires that overall compensation reflect each executive's performance over time. Base salaries are then set at levels determined by the Compensation Committee to adequately reward and retain capable executives.

At the beginning of each fiscal year, the Compensation Committee reviews and establishes the annual salary of executive officers. The Committee makes an independent determination of the appropriate level of these officers' salaries taking into consideration the salary ranges recommended for a particular position by outside compensation consultants, and the executive officer's performance for the past fiscal year.

Bonus. Each fiscal year executive officers are paid a bonus based on the attainment of goals set by the Compensation Committee. The goals for fiscal year 2002 were based on AutoZone's earnings before interest and taxes (EBIT) and return on invested capital (ROIC). The Compensation Committee establishes a bonus payout matrix at the beginning of the fiscal year granting higher rewards as a percentage of annual salary as milestones shown on the matrix are achieved. The bonus payout under the matrix is not capped; the better AutoZone's performance, the higher the bonus payout. As a general matter, as an executive's level of management responsibility in the Company increases, the greater the portion of his or her potential total compensation depends on the Company's performance as measured by attaining goal objectives.

Stock Options. To align the long-term interests of management and our stockholders, the Compensation Committee awards stock options to all levels of management, including some individual store managers. Stock options are granted to executives and managers upon initial hire and thereafter annually in accordance with guidelines established by the Committee, that give a range of potential grant by position and the grant within that range is determined by the performance of the individual in the position.

CEO Compensation

AutoZone's Chief Executive Officer, Steve Odland, received an annual base salary in fiscal year 2002 of \$650,000 pursuant to his employment agreement based on a 52 week fiscal year. He was also paid a bonus of \$2,090,400, which was calculated in accordance with the bonus matrix discussed above. Of this amount, \$1,300,000 is deemed to be paid under the AutoZone, Inc. Executive Incentive Compensation Plan. The bonus paid was a result of the increase in EBIT to \$771 million from \$545 million and an increase in ROIC to 19.8% from 14.3%. Increases are calculated before the effect of one-time restructuring and impairment charges in fiscal year 2001.

Tax Deductions for Compensation

The federal tax code limits the amount of compensation that we may deduct in any year for the Chief Executive Officer and our other four most highly paid officers to \$1 million. However, this deduction limitation does not apply to performance-based compensation as defined in the tax code. Our compensation plans are generally designed and implemented so that they qualify for deductibility. However, we may from time to time pay compensation to our executive officers that may not be deductible.

This report was unanimously adopted by the Compensation Committee.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Mr. Odland was hired as Chairman and Chief Executive Officer in January 2001. At that time, he entered into a three-year employment agreement for a minimum base salary of \$650,000 per year plus bonuses, and was granted four years of service credit under our pension plan as of his hire date. The agreement may be terminated by AutoZone with or without cause and by Mr. Odland with or without good reason at any time. If AutoZone terminates the agreement without cause or Mr. Odland resigns for either good reason or upon a change of control, then Mr. Odland shall be paid an amount equal to his then-current base salary for the balance of the fiscal year that

the agreement is terminated, plus two times his then-prevailing annual base salary, a bonus for the fiscal year that the agreement was terminated, health insurance coverage under our health insurance plan until the end of the second full fiscal year following termination or until he becomes eligible to participate in another employer's group health plan, and the stock option grant related to his initial employment shall be fully vested and exercisable on the date of termination. Under the agreement, "good reason" means a failure by AutoZone to provide the benefits provided in the agreement, any material adverse change in the status, responsibilities, perquisites (other than changes that apply to all executive officers as a group), the occurrence of any event that would cause Mr. Odland to cease to be CEO or Chairman, requiring him to report to anyone other than the Board of Directors, assignment of duties inconsistent with his position as Chairman or CEO, relocation of AutoZone's principal office more than 60 miles from its current location, failure by AutoZone to assign the agreement to any successor of AutoZone, failure of a successor of AutoZone to assume the agreement, or any other material breach of the agreement by AutoZone. Under the agreement "cause" means the willful engagement by Mr. Odland in conduct which is demonstrably and materially injurious to AutoZone as determined by the Board of Directors in good faith. Under the agreement, a "change of control" will occur upon the occurrence of either of the following events:

- the acquisition by any person, entity or group of enough of AutoZone's outstanding securities to allow the person, entity or group to be entitled to control 51% or more of the combined voting power entitled to vote for AutoZone's Board of Directors on a regular basis, or
- the sale of all or substantially all of AutoZone's assets that does not result in pre-transaction beneficial owners of AutoZone's capital stock receiving (i) a number of securities allowing them to control 51% or more of the combined voting power entitled to vote for the acquiring company's board of directors (or the board of directors of the acquiring company's parent company, if one exists) on a regular basis or (ii) a number of securities representing a majority of the total combined equity of the acquiring entity, if not a corporation.

Mr. Goldsmith has an employment agreement providing that he is employed by AutoZone as Senior Vice President, General Counsel, and Secretary at a minimum base salary of \$216,000 and a minimum bonus eligibility of 60% of base salary. Mr. Longo has an employment agreement providing that he is employed by AutoZone as a Senior Vice President at a minimum base salary of \$225,000 and a minimum bonus eligibility of 50% of base salary. Mr. Olsen has an employment agreement providing that he is employed by AutoZone as a Senior Vice President at a minimum base salary of \$285,000 and a minimum bonus eligibility of 60% of base salary. Mr. Clark had an employment agreement providing that he is employed by AutoZone as a Senior Vice President at a minimum base salary of \$250,000 and a minimum bonus eligibility of 50% of base salary. Mr. Clark's employment agreement expired on September 1, 2002. All minimum salaries and bonus are subject to increase by the Compensation Committee. Other than Mr. Clark's agreement, all agreements continue until terminated either by the executive or by us. If an agreement is terminated by us for cause, or by the executive for any reason, the executive will cease to be an employee, and will cease to receive salary, bonus, and other benefits. If an agreement is terminated by us without cause, Mr. Goldsmith and Mr. Longo will remain employees for three years after the termination date, Mr. Olsen will remain an employee for two years after the termination date, Mr. Clark would have remained an employee for one year after the termination date, and each will continue to receive his then-current salary and other benefits of an employee, and will receive a prorated bonus for the fiscal year in which he was terminated, but no bonuses thereafter. If an executive officer is terminated from his position by us or by the executive for reasons other than a change in control, then the executive will be prohibited from competing against AutoZone for the period of time after the termination date that he remains an employee. "Cause" is defined in each agreement as the willful engagement by the executive in conduct which is demonstrably or materially injurious to AutoZone, monetarily or otherwise. "Change in control" in each agreement means either the acquisition of a majority of our voting securities by or the sale of substantially all of our assets to a non-affiliate of the company.

Certain Relationships and Related Transactions

Disclosures under Rule 404(a) or (b)

Upon his retirement as Chairman in 1997, Mr. Hyde entered into an agreement not to compete against the Company until March 2002. In fiscal year 2002, under the terms of that agreement, Mr. Hyde was paid \$155,290,

for the fiscal year, and was provided personal security services valued at approximately \$31,552. All such payments and security services ended in March 2002.

Other Disclosures

The following information is not required to be disclosed by securities laws, but we are disclosing it for your information:

Mr. Lampert, an AutoZone director and the CEO of ESL Investments that beneficially owns 26.3% of our outstanding common stock, is also a director and substantial shareholder of AutoNation, Inc., a seller of new and used vehicles. At times AutoZone purchases vehicles from AutoNation and AutoNation makes purchases from AutoZone. Neither our purchases from AutoNation nor AutoNation's purchases from us are material to either party.

Mr. Hyde, an AutoZone director, is also a director of FedEx Corp. AutoZone purchases delivery services from FedEx Corp. and its subsidiaries from time to time. Our purchases from FedEx Corp. and its subsidiaries are not material to either party. FedEx Corp. and its subsidiaries may make purchases from AutoZone from time to time. FedEx's purchases from us are not material to either party. Mr. Hyde is also a minority owner of the Memphis Grizzlies basketball team. During the 2002 fiscal year, AutoZone leased a portion of a building that it held for sale or lease to the Grizzlies for rental payments equal to the fair market value of the leased space for the period occupied. This transaction was not material to either party.

Ms. Evans, an AutoZone director, is the President and CEO of The American Red Cross. From time to time, AutoZone makes charitable contributions to the Red Cross and its affiliates. Our contributions are not material to either party.

Indebtedness of Management

In the 2000 fiscal year, the Board of Directors adopted the AutoZone, Inc. Management Stock Ownership Plan. Under this plan, directors and executive officers were expected to purchase and maintain ownership of AutoZone stock in an amount that is a multiple of their annual salary. As a part of that program, executive officers and directors could be loaned up to one-half of the funds required to purchase the stock. The notes were demand notes that matured in five years from the execution date. Interest accrued on the notes at a 6% annually-compounded rate.

In fiscal year 2001, the Board of Directors eliminated the loan feature of the program, but outstanding loans continued in effect under the terms of their respective notes. All of the loans have been repaid and the program has been terminated. None of the loans were forgiven.

The following table shows the highest amount of indebtedness of the persons participating in the loan program since the beginning of the 2002 fiscal year, and the current balance of such indebtedness as of October 15, 2002.

Corporate Governance Principles

ADOPTION

The Board of Directors of AutoZone, Inc., has adopted these Corporate Governance Principles on June 5, 2001.

BOARD MISSION & OBJECTIVES

Mission Statement

AutoZone's primary objective is to maximize long-term stockholder value, while adhering to the laws of the jurisdictions wherein it operates and at all times observing the highest ethical standards.

Corporate Authority & Responsibility

All corporate authority resides in the Board of Directors as the representative of the stockholders. Authority is delegated to management by the Board in order to implement AutoZone's mission. Such delegated authority includes the authorization of spending limits and the authority to hire employees and terminate their services. The Board retains responsibility to recommend candidates to the stockholders for election to the Board of Directors. The Board retains responsibility for selection and evaluation of the CEO, oversight of the succession plan, determination of senior management compensation, approval of the annual budget, assurance of adequate systems, procedures and controls, as well as assisting in the preparation and approval of the strategic plan. Additionally, the Board provides advice and counsel to senior management. The Board may exercise its authority through committees of the Board.

DIRECTORS

Personal Characteristics & Core Competencies of Directors:

Individual Directors should possess all of the following personal characteristics:

- Integrity and Accountability - Character is the primary consideration in evaluating any Director. Directors should demonstrate high ethical standards and integrity in their personal and professional dealings and be willing to act on and remain accountable for their Boardroom decisions.
- Informed Judgment - Directors should have the ability to provide wise, thoughtful counsel on a broad range of issues. Directors should possess high intelligence and wisdom and apply it in decision making.
- Financial Literacy - One of the important roles of the Board is to monitor AutoZone's financial performance. Directors should be financially literate. Directors should know how to read a balance sheet, income statement, cash flow statement, and understand the use of financial ratios and other indices for evaluating company performance.
- Mature Confidence - The Board functions best when Directors value Board and team performance over individual performance. Openness to other opinions and the willingness to listen should rank as highly as the ability to communicate persuasively. Directors should approach others assertively, responsibly and supportively and identify issues in a manner that encourages open discussion.

- High Performance Standards - In today's highly competitive world, only companies capable of performing at the highest levels are likely to prosper. Directors should have a history of achievements that reflect high standards for themselves and others.
- Passion - Directors should be passionate about the performance of AutoZone, both in absolute terms and relative to its peers. That passion should manifest itself in engaged debate about the future of AutoZone and an esprit de corps among the Board that both challenges and inspires AutoZoners.

Core Competencies of the Board as a Whole

To adequately fulfill the Board's complex roles, from monitoring managerial performance to responding to crises and approving AutoZone's strategic plan, a host of core competencies need to be represented on the Board. The Board as a whole should possess the following core competencies, with each member contributing knowledge, experience and skills in one or more domains:

- Accounting and Finance - Among the most important missions of the Board is ensuring that stockholder value is both enhanced through corporate performance and protected through adequate internal financial controls. The Board should have one or more Directors with specific expertise in financial accounting and corporate finance, especially with respect to trends in debt and equity markets.
- Business Judgment - Stockholders rely on Directors to make sensible choices on their behalf. The majority of Directors should have a record of making good business decisions in the corporate sector.
- Management - To monitor corporate management, the Board needs to understand management trends in general and industry trends in particular. The Board should have one or more Directors who understand and stay current on general management "best practices" and their application in complex, rapidly evolving business environments.
- Crisis Response - Organizations inevitably experience both short and long-term crises. The ability to deal with crises can minimize ramifications and limit negative impact on firm performance. Boards should have one or more Directors who have the ability and time to perform during periods of both short-term and prolonged crises.
- Industry Knowledge - Companies continually face new opportunities and threats that are unique to their industries. The Board should have one or more members with appropriate and relevant industry-specific knowledge.
- International Markets - To succeed in an increasingly global economy, the Board should have one or more Directors who appreciate the importance of global business trends and who have first-hand knowledge of international business experience in those markets.
- Strategy & Vision - A key Board role is to approve and monitor company strategy to ensure AutoZone's continued high performance. The Board should have one or more Directors with the skills and capacity to provide strategic insight and direction by encouraging innovation, conceptualizing key trends, evaluating strategic decisions, and continuously challenging the organization to sharpen its vision.

Changes in Professional Responsibility

The Board should consider whether a change in an individual's professional responsibilities directly or indirectly impacts that person's ability to fulfill directorship obligations. All Directors should submit a resignation as a matter of course upon retirement, a change in employer, or other significant change in their professional roles and responsibilities. If the Board believes that a director will continue to make a contribution to the organization, the continued membership of that director may be supported.

Identification and Recruitment of Directors

One of the tasks of the Nominating and Corporate Governance Committee is to identify and recruit candidates to serve on the Board of Directors. A list of candidates shall be presented to the Board for nomination and to the stockholders for consideration. The committee may, at its discretion, seek third-party resources to assist in the process. The CEO will be included in the process on a non-voting basis. The Nominating and Corporate Governance Committee will make the final recommendation to the Board.

Independent Directors

A substantial majority of the Board of Directors should be independent. An independent director is defined as a director who:

- has not been employed by AutoZone within the last five years;
- has not been employed by AutoZone's independent auditor in the last five years;
- is not, and is not affiliated with a company that is, an adviser, or consultant to AutoZone or a member of AutoZone's senior management;
- is not affiliated with a significant customer or supplier of AutoZone;
- has no personal services contract with AutoZone or with any member of AutoZone's senior management;
- is not affiliated with a not-for-profit entity that receives significant contributions from AutoZone;
- within the last three years, has not had any business relationship with AutoZone for which AutoZone has been or will be required to make disclosure under Rule 404(a) or (b) of Regulation S-K of the Securities and Exchange Commission as currently in effect;
- receives no compensation from AutoZone other than compensation as a director;
- is not employed by a public company at which an executive officer of AutoZone serves as a director;
- has not had any of the relationships described above with any affiliate of AutoZone; and
- is not a member of the immediate family of any person with any relationships described above.

Outside Directorships

The members of the Board acknowledge that significant time is required to be a fully participating and effective member of AutoZone's Board of Directors. Therefore, each independent director should not hold more than two or three directorships of public companies other than AutoZone. The CEO should not be a member on more than one or two Boards of other public companies, and AutoZone's other executive officers should not be members of more than one other Board of a public company. A Director should notify the Secretary prior to accepting a new position on another Board in order that the Secretary may examine the relationship for a potential conflict of interest.

Compensation of Directors

Outside Directors are compensated in accordance with the Director Compensation Plan and the Director Stock Option Plan as may be in effect from time to time. The Board believes that a significant portion of a director's compensation should be in common stock to further the direct correlation of directors' and stockholders' interests.

The Compensation Committee shall review independent director compensation from time to time and recommend to the full Board any changes in compensation as the committee may deem necessary.

Directors that are officers or employees shall not receive any additional compensation for their service as Directors. Outside Directors shall not receive a pension solely as a result of service as a Director.

Direct Investment in AutoZone Stock by Directors

Since a significant ownership stake leads to a stronger alignment of interests between directors and stockholders, each director is required to personally invest at least \$100,000 in company stock within three years of joining the board. Exceptions to this requirement may only be made by the board under compelling mitigating circumstances.

Service Limitations of Directors

A Director may not stand for reelection after age 70, but need not resign until the end of his or her term. The Board may, however, upon evaluation of a Director that has reached 70 years of age, in its discretion ask such Director to remain on the Board in extraordinary circumstances if the Board believes that such Director will continue to make significant contributions to the work of the Board.

No director shall be eligible to be reelected to the Board of Directors after serving on the Board for 15 years. However, notwithstanding the foregoing, Directors serving on the Board as of the first date of the adoption of these Corporate Governance Principles shall be eligible to be reelected as a Director until the first annual meeting of stockholders held after the passage of 15 years from the date of first adoption of these Corporate Governance Principles.

In order to retain freshness in the process and to give new management the unfettered ability to provide new leadership, a retiring CEO shall not continue to serve on the Board except in extraordinary circumstances.

Conflict of Interest

From time to time, an issue being considered by the Board may present, or may give the appearance of presenting, a conflict of interest for a Director. Each Director should take appropriate steps to assure that in each matter considered that the Director is disinterested with respect to that matter, other than the interests of AutoZone and its stockholders. Any Director faced with any potential conflict should disclose any such potential conflict to the Secretary and the Chairman and should not participate in discussions or votes on such issue unless a majority of the Board determines, after consultation with counsel, that no conflict of interest exists as to such matter.

Directors that are not independent Directors shall not participate in the Board's decision of selection, removal, or performance assessment of the CEO.

BOARD ORGANIZATION

Board Size

In general, smaller boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Ideally, the Board should be comprised of six to ten outside Directors and one to two Directors who also are employees or officers.

Committees

All major decisions will be considered by the Board as a whole. As a consequence, the committee structure of the Board is limited to those committees considered to be basic to or required for the operation of AutoZone as a publicly-owned entity. Standing committees shall include audit, compensation, and nominating and corporate governance. The audit, compensation, and nominating and corporate governance committees shall be composed solely of independent Directors. The Board may form other committees as it determines appropriate. Each committee shall operate in accordance with its charter as adopted by the Board. Committee members and chairs shall be appointed annually by the Board in accordance with the charter of each committee.

BOARD OPERATIONS

Meetings

The agenda for each Board meeting shall be determined by the Chairman. Each Director is encouraged to suggest agenda items.

The Board shall meet at least four times per fiscal year in accordance with a meeting schedule that is approved by the Board. The Board may also meet at such other times in meetings which may be called in accordance with AutoZone's Bylaws.

Other members of management may attend non-executive meetings of the Board at the invitation of the Chairman.

Communications

Directors have full access to the Chairman and CEO and senior officers reporting directly to the CEO and to information about the corporation's operations. Directors should refrain from giving strategic or operating direction to members of management outside the scope of full Board or committee responsibility and accountability.

Board Ability to Retain Advisors

The Board shall retain advisors as it believes to be appropriate. If management is retaining advisors to the Board, such decision must be ratified by the Board.

Material in Advance of Meetings

The Board must be given sufficient information to fully exercise its governance functions. This information comes from a variety of sources, including management reports, a comparison of performance to plans, security analysts' reports, articles in various business publications, etc. Generally, Board members will receive information prior to Board meetings so they will have an opportunity to reflect properly on the items to be considered at the meeting.

The Board will ensure that adequate time is provided for full discussion of important items and that management presentations are scheduled in a manner that permits a substantial proportion of Board meeting time to be available for open discussion.

Executive Session

The non-management Directors should meet privately in executive session from time to time to review the performance of the CEO and other executive officers. The non-management Directors should meet in executive session at the end of each Board meeting to consider other issues that they may determine from time to time, without the presence of any member of management. A "non-management" Director is a Director that is not an officer of AutoZone.

Evaluation of the CEO

The selection and evaluation of the chief executive officer and concurrence with the CEO's selection and evaluation of the corporation's top management team are the most important function of the Board. In its broader sense, "selection and evaluation" includes considering compensation, planning for succession and, when appropriate, replacing the CEO or other members of the top management team. The performance of the CEO will be reviewed at least annually solely by the outside Directors without the presence of the CEO or other inside Directors. The evaluation of the CEO shall be led by the chair of the compensation committee. The Board should have an understanding with the CEO with respect to criteria on which he or she will be evaluated, and the results of the evaluation will be communicated to the CEO.

Succession and Management Development

The CEO will report annually to the Board on AutoZone's program for succession and management development.

CEO succession is a Board-driven, collaborative process. Although the current CEO has an important role to play, the Board must own the plan for succession while collaborating with the CEO in deciding the timing and the necessary qualifications for making a final decision.

Outside Communication

The Board believes that management speaks for the company. In accordance with this philosophy, Directors should defer to the Chairman or AutoZone's public relations department when requested to make any comments regarding AutoZone or its business.

Annual Election of Directors

In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, Directors shall be elected annually.

PERIODIC REVIEW OF GUIDELINES

These guidelines shall be reviewed periodically by the Nominating and Corporate Governance Committee and any amendments shall be presented to the Board for adoption.

- Whether the service is being performed principally for the audit committee;
- The effects of the service, if any, on audit effectiveness or on the quality and timeliness of the entity's financial reporting process;
- Whether the service would be performed by specialists (e.g., technology specialists) who ordinarily also provide recurring audit support;
- Whether the service would be performed by audit personnel and, if so, whether it will enhance their knowledge of the entity's business and operations;
- Whether the role of those performing the service (e.g., a role where neutrality, impartiality and auditor skepticism are likely to be subverted) would be inconsistent with the auditor's role;
- Whether the audit firm's personnel would be assuming a management role or creating a mutuality of interest with management;
- Whether the independent auditor, in effect, would be "auditing its own numbers;"
- The availability of alternative providers of the service and whether the project must be started and completed very quickly;
- Whether the audit firm has unique expertise in the service; and
- The size of the fee(s) for the non-audit service(s)

For purposes of this Charter, "non-audit services" shall mean services provided by the independent auditor other than those services provided in connection with an audit or a review of AutoZone's financial statements.

- P. The audit committee shall approve employment as an AutoZone officer any employee of the independent auditor that worked on AutoZone's account in the prior year before the offer of employment is tendered to the prospective officer. However, under no circumstance may AutoZone hire any person that was an employee of the independent auditor and performed audit services for AutoZone as AutoZone's CEO, CFO, Controller, or any person performing any similar function, unless at least a period of one year has passed since the termination of such person's employment as an employee of the independent auditor. Upon granting of any approval to hire a former employee of the independent auditor, the audit committee may require that AutoZone or the independent auditor, or both, develop an appropriate plan to maintain the auditor's independence.
- Q. The audit committee shall annually obtain assurance from the independent auditor that Section 10A of the Securities Exchange Act of 1934 has not been implicated.
- R. The audit committee shall prepare the report required by the rules of the Securities and Exchange Commission for inclusion in AutoZone's proxy statement.
- S. The audit committee shall be completely accessible to the CFO, the independent auditor, the internal auditors, and management (both individually and collectively) to discuss any matters the committee or these persons believe should be discussed privately with the audit committee.
- T. The audit committee shall establish procedures for:
 - the receipt, retention and treatment of complaints received by AutoZone regarding accounting, internal accounting controls, or auditing matters; and
 - the confidential, anonymous submission by AutoZone employee of concerns regarding questionable accounting or auditing matters.

Consultants

The Committee shall have the authority to retain consultants or counsel of its selection to advise it with respect to its work, at AutoZone's expense.

Meetings

A quorum for any Committee meeting shall be a majority of the Committee members.

The action of a majority of the members present at any meeting in which a quorum is present shall be the action of the Committee.

Notice for all meetings shall be given as required by AutoZone's Bylaws.

Committee meetings may be held in person, by telephone, or any other method of communication in which all committee members may be heard. In lieu of a meeting, a Committee may act by unanimous written consent.

The chair of the Committee shall report results of its meeting to the full Board of Directors at the next following Board meeting.

The agenda and other materials for any meeting should be provided to Committee members in advance of the meeting as may be practical.

The CFO shall coordinate the Committee meeting notices and distribution of materials to Committee members.

APPENDIX C

AutoZone, Inc. 2003 Director Stock Option Plan

SECTION 1. PURPOSE OF THE PLAN.

Under this 2003 Director Stock Option Plan (the “Plan”) of AutoZone, Inc. (the “Company”), non-qualified stock options to purchase shares of the Company’s Common Stock shall be granted to Non-Employee Directors (as defined below) of the Company. The Plan is designed to enable the Company to attract and retain Non-Employee Directors of the highest caliber and experience, and to increase their ownership of the Company’s Common Stock.

SECTION 2. STOCK SUBJECT TO PLAN.

The maximum number of shares of stock for which non-qualified stock options (“Options”) granted hereunder may be exercised shall be 400,000 shares of the Company’s Common Stock, par value \$.01 per share (the “Common Stock”), subject to the adjustments provided in Section 7. All shares of stock subject to Options may be authorized but unissued shares or treasury shares of Common Stock. Shares of stock subject to the unexercised portions of any Options which expire or terminate or are canceled may again be subject to Options granted hereunder.

SECTION 3. PARTICIPATING DIRECTORS.

Each member of the Board of Directors of the Company (the “Board”) who is not, at the time that eligible directors are granted Options pursuant to Section 5 hereof, an employee or officer of the Company or any of its subsidiaries (a “Non-Employee Director”), shall be eligible to participate in the Plan.

SECTION 4. ADMINISTRATION.

(a) The Plan shall be administered by the Compensation Committee of the Board (the “Committee”) which shall consist of two or more directors who are Non-Employee Directors, appointed by and holding office at the pleasure of the Board. Appointment of Committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the Board. Vacancies on the Committee shall be filled by the Board.

(b) The Committee shall have the power to interpret the Plan and the Options and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules. The Board shall have no right to exercise any of the rights or duties of the Committee under the Plan.

(c) The Committee shall act by a majority of its members in office. The Committee may act either by vote at a meeting or by a memorandum or other written instrument signed by a majority of the Committee.

(d) All expenses and liabilities incurred by members of the Committee in connection with the administration of the Plan shall be borne by the Company. The Committee may employ attorneys, consultants, accountants, appraisers, brokers or other persons, and the Committee, the Company and its officers and directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding on each Non-Employee Director who has been granted an Option hereunder (sometimes referred to hereinafter as an “Optionee”), the Company and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with

respect to the Plan or the Options, and all members of the Committee shall be fully protected by the Company with respect to any such action, determination or interpretation.

SECTION 5. GRANT OF OPTIONS.

During the existence of the Plan, Options shall be granted as follows:

(a) (i) On January 1 of each year, each Non-Employee Director as of such date shall be granted an Option to purchase 1,500 shares of Common Stock (subject to the adjustments provided in Section 7), and (ii) each new Non-Employee Director shall be granted an initial Option to purchase 3,000 shares of Common Stock as of the date of his or her election as a director and a pro-rata portion of that year's annual grant set forth in (i);

(b) On January 1 of each year, each Non-Employee Director who, as of December 31 of the prior year, beneficially owns shares of Common Stock having an aggregate Fair Market Value (as determined below) greater than or equal to five (5) times such Non-Employee Director's annual director fee (not including meeting fees or any fees for being a committee chair) payable by the Company for such year, shall be granted an Option to purchase 1,500 shares of Common Stock (subject to the adjustments provided in Section 7). For purposes of this Plan, the "Fair Market Value" of a share of Common Stock shall mean, as to any particular day, the average of the highest and lowest prices quoted for a share of Common Stock trading on the New York Stock Exchange on the immediately prior Business Day. The highest and lowest prices for the shares of Common Stock shall be those published in the edition of *The Wall Street Journal* or any successor publication reporting stock quotations for such day. For purposes of this Plan, the term "Business Day" shall mean a day on which the Company's executive offices in Memphis, Tennessee, are open for business and on which trading is conducted on the New York Stock Exchange.

Notwithstanding any other provision of the Plan, no Option shall be granted unless sufficient shares (subject to said adjustments) are then available therefor under Sections 2 and 7. In consideration of the granting of an Option, the Optionee shall be deemed to have agreed to remain as a Director of the Company for a period of at least one year after the date upon which the Option was granted (the "date of grant"). Nothing in the Plan shall, however, confer upon any Optionee any right to continue as a director of the Company or shall interfere with or restrict in any way the rights of the Company or the Company's stockholders, which are hereby expressly reserved, to remove any Optionee at any time for any reason whatsoever, with or without cause, to the extent permitted by the Company's bylaws and applicable law.

SECTION 6. OPTION PROVISIONS.

Each Option shall be evidenced by a written agreement between the Company and the Non-Employee Director and shall contain the following terms and provisions, and such other terms and provisions as the Committee may authorize:

(a) The exercise price of each Option shall be equal to the aggregate Fair Market Value of the shares of Common Stock as of the date of grant;

(b) Payment for shares of Common Stock purchased upon any exercise of the Option shall be made in full at the time of such exercise (i) in cash, (ii) by delivery of shares of Common Stock already owned by the Optionee, duly endorsed for transfer to the Company, (iii) by delivery of a notice that the Optionee has placed a market sell order with a broker approved by the Company with respect to shares of Common Stock then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the option exercise price, or (iv) by a combination of any of the foregoing methods of payment. For purposes of exercising the Option, the value of any shares of Common Stock delivered in payment shall be the Fair Market Value of such shares of Common Stock as of the day of delivery;

(c) Subject to subsection (d) below and Section 7 hereof, the Option shall become fully vested and exercisable on the first to occur of either:

- (i) the date on which the Optionee ceases to be a Director of the Company; or
- (ii) the third anniversary of the date of grant.

(d) The Option shall terminate and may not be exercised to any extent by anyone after the first to occur of the following events:

- (i) the expiration of ten years from the date of grant;

(ii) the expiration of five years from the date upon which the Non-Employee Director ceases to be a director of the Company if the Non-Employee Director has become ineligible to be reelected as a result of reaching the term limits or mandatory retirement age specified in the Company's Corporate Governance Principles, in effect as of the applicable date ("Normal Retirement Age");

- (iii) the expiration of 90 days from the date of the Non-Employee Director's death;

(iv) the expiration of 30 days from the date that the Non-Employee Director ceases to be a director of the Company (for a reason other than the death of the Non-Employee Director) if the Non-Employee Director has not reached Normal Retirement Age; or

(v) subject to Section 7(b) hereof, the effective date of a Corporate Transaction (as defined below), unless the Committee waives this provision in connection with such transaction.

(e) Notwithstanding any other provision herein, the Option may not be exercised prior to the admission of the shares of stock issuable upon exercise of the Option to listing on notice of issuance on any stock exchange on which shares of the same class are then listed; nor unless and until, in the opinion of counsel for the Company, such securities may be issued and delivered without causing the Company to be in violation of or incur any liability under any Federal, state or other securities law, any requirement of any securities exchange listing agreement to which the Company may be a party, or any other requirement of law or of any regulatory body having jurisdiction over the Company; and

(f) The Option shall not be transferable by the Optionee other than by will or the laws of descent and distribution, may not be pledged or hypothecated, and shall be exercisable during the Optionee's lifetime only by the Optionee or by his or her guardian or legal representative.

SECTION 7. CORPORATE EVENTS.

(a) Subject to subsection (d) below, in the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company (including, but not limited to, a Corporate Transaction, as defined below), or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event, in the Committee's sole discretion, affects the Common Stock such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits intended to be made available under the Plan or with respect to any Option, then the Committee shall, in such manner as it may deem equitable, adjust any or all of:

- (i) the number and kind of shares of Common Stock (or other securities or property) with respect to which Options may be granted under the Plan (including, but not limited to, adjustments

of the limitations in Section 2 on the maximum number and kind of shares which may be issued under the Plan);

(ii) the number and kind of shares of Common Stock (or other securities or property) subject to outstanding Options; and

(iii) the grant or exercise price with respect to any Option.

(b) Subject to subsection (d) below, in the event of any Corporate Transaction (as defined below), the Plan shall terminate, and all outstanding Options shall terminate, unless provisions shall be made in writing in connection with such Corporate Transaction for the continuance of the Plan and/or for the assumption of Options theretofore granted, or the substitution for such Options of options covering the stock of a successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices, in which event the Plan and Options theretofore granted shall continue in the manner and under the terms so provided. If the Plan and unexercised Options would otherwise terminate pursuant to the foregoing sentence, then, for such period of time prior to the consummation of such Corporate Transaction as the Company shall designate, all outstanding Options shall be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in Section 6(c) hereof or the provisions of such Option;

(c) For purposes of the Plan, the term "Corporate Transaction" shall mean any of the following stockholder-approved transactions to which the Company is a party:

(i) a merger or consolidation in which the Company is not the surviving entity, except for a transaction the principal purpose of which is to change the State in which the Company is incorporated, form a holding company or effect a similar reorganization as to form whereupon this Plan and all Options are assumed by the successor entity;

(ii) the sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, in complete liquidation or dissolution of the Company in a transaction not covered by the exceptions to clause (i) above; or

(iii) any reverse merger in which the Company is the surviving entity but in which securities possessing more than fifty percent (50%) of the total combined voting power of the Company's outstanding securities are transferred or issued to a person or persons different from those who held such securities immediately prior to such merger.

(d) No adjustment or action described in this Section 7 shall be authorized or occur to the extent such adjustment or action would result in short-swing profits liability under Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or violate the exemptive conditions of Rule 16b-3 of the Exchange Act unless the Committee determines that the Option is not to comply with such exemptive conditions.

SECTION 8. TAX WITHHOLDING.

The Company shall be entitled to require payment in cash or deduction from other compensation payable to each Optionee of any sums required by federal, state or local tax laws to be withheld with respect to the issuance, vesting or exercise of any Option. The Committee may in its discretion and in satisfaction of the foregoing requirement allow such Optionee to elect to have the Company withhold shares of Common Stock otherwise issuable under such Option (or allow the return of shares of Common Stock) having an aggregate Fair Market Value equal to the sums required to be withheld.

SECTION 9. TERMINATION AND AMENDMENT OF PLAN.

Unless sooner terminated, this Plan shall expire on December 31, 2012, so that no Option may be granted hereunder after that date although any option outstanding on that date may thereafter be exercised in accordance

with its terms. The Board may alter, amend, suspend or terminate this Plan, provided that no such action shall deprive an Optionee, without his or her consent, of any Option previously granted pursuant to the Plan or of any of the Optionee's rights under such Option. However, without approval of the Company's stockholders given within 12 months before or after the action by the Board, no action of the Board may increase the limit imposed in Section 2 on the maximum number of shares which may be issued as Options under the Plan (other than adjustments under Section 7), change the types of shares issued under the Plan, extend the term of the Plan, materially change the method of determining the exercise price under the Plan, materially modify the definition of "Non-Employee Director" under the Plan, or modify the Plan in a manner requiring stockholder approval under the listed company rules of the New York Stock Exchange, and no action of the Board may be taken that would otherwise require stockholder approval as a matter of applicable law, regulation or rule.

SECTION 10. COMPLIANCE WITH LAWS.

This Plan, the granting and vesting of Options under this Plan and the issuance and delivery of shares of Common Stock and the payment of money under this Plan or under Options granted hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities laws and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restriction, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan and Options granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such laws, rules or regulations.

SECTION 11. TITLES.

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Plan.

SECTION 12. GOVERNING LAW.

This Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Nevada without regard to the conflicts of laws rules thereof.

SECTION 13. STOCKHOLDER APPROVAL

The Company shall take such actions with respect to the Plan as may be necessary to satisfy the stockholder approval requirements of the New York Stock Exchange. This Plan shall be submitted for the approval of the Company's stockholders within twelve months after the date of the Board's adoption of this Plan. This Plan shall become effective immediately upon approval by the stockholders.

APPENDIX D

AutoZone, Inc. 2003 Director Compensation Plan

SECTION 3. FEE.

During each Plan Year in which a person is a Director and is entitled to receive the Fee during the existence of the Plan, the Director will be eligible to receive the Fee payable as follows:

(a) The First Component shall be (1) payable to the Director in Shares, or (2) at the Director’s option, deferred by having AutoZone credit Units to a Unit Account maintained for the Director as provided in this Plan, and

(b) The Second Component, if any, shall be payable to the Director in cash.

The Annual Fee will be payable in advance in equal quarterly installments on each Compensation Date unless deferred as provided herein. Each quarterly installment will consist of one-fourth of the First Component and one-fourth of the Second Component, if any, for each Director. The Meeting Fee will be payable or deferred in arrears on each Compensation Date. Each quarterly installment will consist of the Meeting Fees earned for Board meetings attended by the Director in the Plan Quarter immediately preceding the Compensation Date.

SECTION 4. ELECTIONS.

With respect to each Plan Year, each Director who was a Director during the prior Plan Year must elect by no later than August 31 of the prior Plan Year how he or she will receive the Fee for the Plan Year. Each Director who becomes a Director during a Plan Year must elect within 30 days after becoming a Director how he or she will

receive the Fee for such Plan Year. Each election must be made by the Director filing an election form with the Secretary of AutoZone. If a Director does not file an election form for each Plan Year by the specified date the Director will be deemed to have elected to receive and defer the Fee in the manner elected by the Director in his or her last valid election or, if there had been no prior election, will be deemed to have elected to receive all of the Fee in Shares. Any election to defer a portion of the Fee made by a person who becomes a Director during a Plan Year will be valid as to the portion of the Fee received after the election is filed with the Secretary of AutoZone. When an election is made for a Plan Year, the Director may not revoke or change that election with respect to such Plan Year.

SECTION 5. THE SHARES.

If a Director elects (or is deemed to elect) to receive Shares in payment of all or any part of the Director's Fee, the number of Shares to be issued on any Compensation Date shall be a whole number of shares (truncating any fractional share) nearest to one-fourth of the amount of the Fee to be paid in Shares for the Plan Year divided by the Fair Market Value of a Share as of the Compensation Date. The amount of the Fee representing a fractional share not paid in Shares shall be paid in cash. Any Shares issued under this Plan will be registered under the Securities Act of 1933, as amended, and, so long as shares of the Common Stock are listed for trading on the New York Stock Exchange, will be listed for trading on the New York Stock Exchange.

SECTION 6. THE UNITS.

If a Director defers any portion of the Fee in the form of Units, then on each Compensation Date, AutoZone will credit a Unit Account maintained for the Director with a number of Units (rounded to the nearest one-tenth) equal to (1) one-fourth of the dollar amount of the Fee that the Director has elected to defer in the form of Units for the Plan Year divided by (2) the Fair Market Value of a Share as of the Compensation Date. AutoZone will credit to the Director's Unit Account on the date any dividend is paid on the Common Stock, an additional number of Units equal to (i) the aggregate amount of the dividend that would be paid on a number of Shares equal to the number of Units credited to the Director's Unit Account on the date the dividend is paid divided by (ii) the Fair Market Value of a Share as of that date.

SECTION 7. DISTRIBUTION OF THE AMOUNTS IN A UNIT ACCOUNT.

Upon the Termination Date for a Director, such Director shall be entitled to receive that whole number of Shares (truncating any fractional share) with which the Director's Unit Account is credited. Subject to Section 11 hereof, the Director may elect to receive such Shares in any one of the following forms:

- (a) a single lump-sum issuable as soon as practicable after the Termination Date; or
- (b) a single lump-sum issuable as soon as practicable after the fifth anniversary of the Termination Date; or
- (c) a single lump-sum issuable as soon as practicable after the tenth anniversary of the Termination Date; or
- (d) two (2) equal installments, one of which shall be issuable as soon as practicable after the fifth anniversary of the Termination Date and the other of which shall be issuable as soon as practicable after the tenth anniversary of the Termination Date, as provided below.

If the Director has elected to receive the Shares in the manner set forth in (d) above (i.e., in two equal installments), one-half of the Shares credited to the Unit Account as of the Termination Date will be issued to the Director for each installment plus additional Shares equal to the Units credited to the Unit Account respecting dividends paid on the Common Stock since the prior installment was made (or, in the case of the first installment, since the Termination Date). Any fractional share amount shall be valued at the Fair Market Value and be paid in cash at the date of distribution of the Shares.

SECTION 8. CONVERSION OF UNIT ACCOUNT.

A Director who has a Unit Account may convert all (but not less than all) of the Unit Account into a Deferral Account, provided that such Director delivers notice to AutoZone of such election to convert at least 12 full months prior to the Director's Termination Date. The cash amount to be credited to the Director's Deferral Account upon the conversion shall equal (i) the number of Units credited to his or her Unit Account so converted multiplied by (ii) the Fair Market Value of a Share on the date of the Director's election to convert.

Any election to convert must be made on a form prescribed by AutoZone and filed with its Secretary. The conversion of a Unit Account into a Deferral Account shall be deemed to occur on the date of the Director's election, except that, unless the Board provides otherwise, any portion of a Unit Account granted within six months of the date of election shall be converted to a Deferral Account six months and one day from the date in which the Units representing such portion were credited to the Unit Account.

A Deferral Account shall accrue interest from the effective date of conversion at the Interest Rate, accrued and compounded quarterly.

SECTION 9. DISTRIBUTION OF THE AMOUNTS IN A DEFERRAL ACCOUNT.

Upon the Termination Date for a former Director, such former Director shall be entitled to receive an amount of cash equal to the amount with which the former Director's Deferral Account is credited. Subject to Section 11 hereof, the former Director may elect to receive such cash in any one of the following forms:

- (a) a single lump-sum payable as soon as practicable after the Termination Date; or
- (b) a single lump-sum payable as soon as practicable after the fifth anniversary of the Termination Date; or
- (c) a single lump-sum payable as soon as practicable after the tenth anniversary of the Termination Date; or
- (d) two (2) equal installments, one of which shall be payable as soon as practicable after the fifth anniversary of the Termination Date and the other of which shall be payable as soon as practicable after the tenth anniversary of the Termination Date, as provided below.

If the former Director has elected to receive the cash in the manner set forth in (d) above (i.e., in two equal installments), one-half of the amount credited to the Deferral Account as of the Termination Date will be paid in each installment, along with the additional amount credited to the Deferral Amount as interest (at the Interest Rate) since the prior installment was paid (or, in the case of the first installment, since the Termination Date).

SECTION 10. DISTRIBUTION IN THE EVENT OF A DIRECTOR'S DEATH.

With respect to a Director's Unit Account (or, if applicable, the Director's Deferral Account), each Director who defers any part of the Fee payable to him or her in any Plan Year may designate one or more beneficiaries which may be changed from time to time upon written notice to AutoZone. The designation of a beneficiary must be made by filing with AutoZone's Secretary a form prescribed by AutoZone. If no designation of a beneficiary is made, any deferred benefits under this Plan will be paid to the Director's or former Director's estate. If a Director dies while in office or a former Director dies during the installment payment period, AutoZone will issue the Shares that are issuable (or if applicable, pay the amounts of cash that are payable) to the Director or former Director in the manner set forth in the most recent timely election filed by such Director or former Director, or if no such election has been filed, in a single lump-sum as soon as practicable after the death of the Director or the former Director.

SECTION 11. TIMING OF ELECTION TO RECEIVE DEFERRED BENEFITS IN INSTALLMENTS.

If a Director desires to have his Unit Account and/or Deferral Account distributed in installments as provided in Section 7(d) or Section 9(d) hereof, the election to receive payments in installments must be delivered to the Secretary of AutoZone at least 12 full months prior to the Director's Termination Date. Any such election

delivered by the Director within the 12-month period ending on the Director's Termination Date shall be of no force or effect. If a Director has filed more than one timely election, the most recent such election shall govern and all prior elections shall be superseded and shall be of no force or effect.

SECTION 12. HOLDING PERIOD

Notwithstanding anything contained herein, unless the Board provides otherwise, (i) no Shares issued hereunder may be sold, assigned or otherwise transferred until at least six months and one day have elapsed from the date on which such Shares were issued, and (ii) no right or interest of a Director or a former Director in Units credited his or her Unit Account hereunder (including Units credited to such Unit Account respecting dividends paid on the Common Stock) shall be sold, assigned or otherwise transferred until at least six months and one day have elapsed from the date on which such Units were credited to such Unit Account, except by will or in accordance with the laws of decent and distribution.

SECTION 13. HARDSHIP WITHDRAWALS.

Prior to the complete distribution of a Director's Unit Account and/or Deferral Account, such Director may request a withdrawal of any portion of his or her Unit Account or Deferral Account in an amount sufficient to meet a "hardship." For purposes of this Plan, "hardship" shall mean a demonstrated and severe financial hardship resulting from any one or more of the following: (i) sudden or unexpected illness or accident of the Director or of a dependent (as defined in Section 152(a) of the Internal Revenue Code of 1986, as amended) of the Director, (ii) a loss of the Director's property due to casualty, or (iii) any other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the Director's control; in each case only to the extent that the hardship is not relieved (a) through reimbursement or compensation by insurance or otherwise, (b) by liquidation of the Director's assets (to the extent that such liquidation does not itself cause a "hardship"), or (c) by cessation of deferrals under the Plan. The Board, in its sole and absolute discretion, shall determine the existence of a bona fide hardship based on non-discriminatory procedures, taking into account any then applicable rulings or regulations from the Internal Revenue Service. The standards established by the Board for determining the existence of hardship shall be uniformly applied to all Directors who request such a withdrawal and the Board's decision with respect to each such request shall be final.

An approved hardship withdrawal shall be paid to the Director in cash as soon as practicable after the approval. In the event that part or all of the withdrawal is to be made from a Unit Account, a number of Units equal to (i) the amount of the hardship withdrawal required to be made from the Unit Account, divided by (ii) the Fair Market Value of a Share on the date of approval, shall be converted into cash and paid to the Director as provided herein, and the balance of the Unit Account shall be reduced accordingly.

SECTION 14. WITHHOLDING FOR TAXES.

AutoZone will withhold the amount of cash and Shares necessary to satisfy AutoZone's obligation to withhold federal, state, and local income and other taxes on any benefits received by the Director, the former Director or a beneficiary under this Plan

SECTION 15. NO TRANSFER OF RIGHTS UNDER THE PLAN.

A Director or former Director shall not have the right to transfer, grant any security interest in or otherwise encumber rights he or she may have under this Plan, any Deferral Account or any Unit Account maintained for the Director or former Director or any interest therein. No right or interest of a Director or a former Director in a Deferral Account or a Unit Account shall be subject to any forced or involuntary disposition or to any charge, liability, or obligation of the Director or former Director, whether as the direct or indirect result of any action of the Director or former Director or any action taken in any proceeding, including any proceeding under any bankruptcy or other creditors' rights law. Any action attempting to effect any transaction of that type shall be null, void, and without effect.

SECTION 16. UNFUNDED PLAN.

This Plan will be unfunded for federal tax purposes. The Deferral Accounts and the Unit Accounts are entries in the Special Ledger only and are merely a promise to make payments in the future. AutoZone's obligations under this Plan are unsecured, general contractual obligations of AutoZone.

SECTION 17. AMENDMENT AND TERMINATION OF THE PLAN.

Unless sooner terminated, this Plan shall expire on December 31, 2012, so that no benefits may be granted hereunder after that date. Except as otherwise provided in this Section 17, the Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board. However, without approval of AutoZone's stockholders given within 12 months before or after the action by the Board, no action of the Board may increase the limit imposed in Section 19 on the maximum number of shares which may be issued under the Plan (other than adjustments under Section 20), change the type of equity compensation paid under the plan, extend the term of the plan, materially change the method of determining the price of equity compensation granted under the plan, materially modify the definition of "Director" under the Plan, or modify the Plan in a manner requiring stockholder approval under the listed company rules of the New York Stock Exchange, and no action of the Board may be taken that would otherwise require stockholder approval as a matter of applicable law, regulation or rule.

An amendment or the termination of this Plan will not adversely affect the right of a Director, former Director, or Beneficiary to receive Shares issuable or cash payable at the effective date of the amendment or termination or any rights that a Director, former Director, or a Beneficiary has in any Deferral Account or Unit Account at the effective date of the amendment or termination. If the Plan is terminated, however, AutoZone may, at its option, accelerate the payment of all deferred and other benefits payable under this Plan.

SECTION 18. GOVERNING LAW.

This Plan shall be administered, interpreted and enforced under the internal laws of the State of Nevada without regard to the conflicts of law rules thereof. AutoZone has the right to interpret this Plan, and any interpretation by AutoZone shall be conclusive as to the meaning of this Plan.

SECTION 19. SHARES SUBJECT TO THE PLAN.

AutoZone shall reserve 100,000 Shares for issuance under the Plan. Shares issued under the Plan may be authorized but unissued shares or treasury shares. No Plan participant shall have any of the rights or privileges of an AutoZone stockholder in respect to any of the Shares unless and until certificates representing such Shares have been issued by AutoZone.

SECTION 20. CORPORATE EVENTS.

(a) Subject to subsection (d) below, in the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of AutoZone (including, but not limited to, a Corporate Transaction, as defined below), or exchange of Common Stock or other securities, issuance of warrants or other rights to purchase Common Stock or other securities of AutoZone, or other similar corporate transaction or event, in the Committee's sole discretion, affects the Common Stock such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of the number and kind of shares of Common Stock (or other securities or property) which may be granted under the Plan (including, but not limited to, adjustments of the limitations in Section 19 on the maximum number of shares which may be issued under the Plan, and adjustments to the number and kind of shares of Common Stock (or other securities or property) that may be paid upon the distribution of Units).

(b) For purposes of the Plan, the term “Corporate Transaction” shall mean any of the following stockholder-approved transactions to which AutoZone is a party:

(i) a merger or consolidation in which AutoZone is not the surviving entity, except for a transaction the principal purpose of which is to change the State in which AutoZone is incorporated, form a holding company or effect a similar reorganization as to form whereupon this Plan and all Units are assumed by the successor entity;

(ii) the sale, transfer, exchange or other disposition of all or substantially all of the assets of AutoZone, in complete liquidation or dissolution of AutoZone in a transaction not covered by the exceptions to clause (i) above; or

(iii) any reverse merger in which AutoZone is the surviving entity but in which securities possessing more than fifty percent (50%) of the total combined voting power of AutoZone’s outstanding securities are transferred or issued to a person or persons different from those who held such securities immediately prior to such merger.

(c) No adjustment or action described in this Section 20 shall be authorized or occur to the extent such adjustment or action would result in short-swing profits liability under Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or violate the exemptive conditions of Rule 16b-3 of the Exchange Act unless the Committee determines that the issuance of the Shares or other securities or property is not to comply with such exemptive conditions.

SECTION 21. ADMINISTRATION.

(a) The Plan shall be administered by the Committee which shall consist of two or more Directors, appointed by and holding office at the pleasure of the Board. Appointment of Committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the Board. Vacancies on the Committee shall be filled by the Board.

(b) The Committee shall have the power to interpret the Plan and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules.

(c) The Committee shall act by a majority of its members in office. The Committee may act either by vote at a meeting or by a memorandum or other written instrument signed by a majority of the Committee.

(d) All expenses and liabilities incurred by members of the Committee in connection with the administration of the Plan shall be borne by AutoZone. The Committee may employ attorneys, consultants, accountants, appraisers, brokers or other persons, and the Committee, and AutoZone and its officers and directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding on each Director participating in the Plan, AutoZone and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan, and all members of the Committee shall be fully protected by AutoZone with respect to any such action, determination or interpretation.

SECTION 22. STOCKHOLDER APPROVAL

AutoZone shall take such actions with respect to the Plan as may be necessary to satisfy the stockholder approval requirements of the New York Stock Exchange. This Plan shall be submitted for the approval of AutoZone’s stockholders within twelve months after the date of the Board’s adoption of this Plan. Fees may not be paid in Common Stock under the Plan prior to such stockholder approval. This Plan shall become effective immediately upon approval by the stockholders.
