Form 8-K filed on March 1, 2022

General

1. We note your reconciliation of Company Adjusted Net Income to the most directly comparable GAAP measure which appears to be in the form of a full non-GAAP income statement. Please revise your presentation to instead provide separate reconciliation from the most directly comparable GAAP measure, which appears to be Net income. Refer to Question 102.10 of the Compliance and Disclosure Interpretations on Non-GAAP Financial Measures.
2. We note you provided 2022 outlook and outlook ranges for certain non-GAAP financial measures. In future filings, please provide the reconciliations required by Item 10(e)(1)(i) of Regulation S-K. To the extent you are relying on the "unreasonable efforts" exception in Item 10(e)(1)(i)(B), please explain why that would be the case given your 4th Quarter
