Press Release dated May 14, 2003 concerning results of operations.

For Immediate Release

SCOTT'S LIQUID GOLD-INC.
ANNOUNCES FIRST QUARTER OPERATING RESULTS

DENVER, Colorado (May 14, 2003) -- Scott's Liquid Gold-Inc. (OTC BB: "SLGD"), which develops, manufactures and markets household and skin care products, today announced its operating results for the first quarter of 2003.

For the three months ended March 31, 2003, net sales were \$5,735,700 compared with net sales of \$4,912,400 in the first quarter of the previous year. The Company reported a net loss of \$416,300 or (\$0.04) per share, in the most recent quarter, versus a net loss of \$362,800, or (\$0.04) per share, in the three months ended March 31, 2002.

"While we are disappointed to report an unprofitable first quarter," commented Mark E. Goldstein, Chairman and Chief Executive Officer of Scott's Liquid Gold-Inc., "the Company did reduce its loss from operations from \$798,100 in the first quarter of 2002 to a loss from operations of \$375,700 for the first quarter of 2003, while spending an additional \$376,000 on advertising in the first quarter this year versus last year, and we experienced an overall increase in sales from the previous year's quarter. The increase in sales results from an increase in sales of Montagne Jeunesse sachets which more than offset declines in the sales of our other products."

Scott's Liquid Gold-Inc. develops, manufactures and markets high quality household and consumer products, including Scott's Liquid Gold wood cleaners/preservatives, Touch of Scent air fresheners, Alpha Hydrox skin care products, and Neoteric Diabetic Skin Care products. Scott's Liquid Gold-Inc. also distributes skin care sachets of Montagne Jeunesse. The Company is headquartered in Denver, Colorado, and its common stock trades on the OTC Bulletin Board under the symbol "SLGD".

Additional information on Scott's Liquid Gold-Inc. and its products can be accessed on the World Wide Web: www.scottsliquidgold.com, www.alphahydrox.com, www.touchofscent.com, and www.neotericdiabetic.com.

This press release may contain "forward-looking" statements within the meaning of U.S. federal securities laws. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements and the Company's performance inherently involve risks and uncertainties that could cause actual results to differ from such forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance of the Company's products in the marketplace; acceptance in the marketplace of the Company's new product lines; competitive factors; continuation of the Company's distributorship agreement with Montagne Jeunesse; the need for effective advertising of the Company's products; limited resources available for such advertising; new product introductions by others; technological changes; dependence upon third-party vendors and upon sales to major customers; changes in the regulation of the Company's products, including applicable environmental regulations; adverse developments in pending litigation; the loss of any executive officer; and other risks discussed in this release and in the

Company's periodic report filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release.
