**SCOTT'S LIQUID GOLD-INC.  
ENGAGES REAL ESTATE BROKER**

DENVER, Colorado (July 27, 2007) -- Scott's Liquid Gold-Inc. (OTC BB: "SLGD"), which develops, manufactures and markets household and skin care products, announced today that a committee of the Company's Board of Directors is considering various alternatives regarding its facilities in Denver, Colorado. Mark E. Goldstein, Chief Executive Officer, President and Chairman of the Company, stated: "As indicated in public reports, the Company uses less than the capacity of its facilities and is also interested in reducing its expenses."

As part of this process, the Company has engaged a commercial real estate broker, The Staubach Company, in Denver to explore alternatives. These alternatives include the sale of all or part of the facilities, a sale of all or part of the facilities combined with a leaseback by the Company of the facilities, or a lease of all or part of the facilities by the Company to a third party. There is, however, no assurance that acceptable transactions will be offered or completed.

Scott's Liquid Gold-Inc.'s products, include Scott's Liquid Gold wood cleaners/preservatives, Scott's Liquid Gold Mold Control 500, Touch of Scent air fresheners, Alpha Hydrox skin care products, and Neoteric Diabetic Skin Care products. Scott's Liquid Gold-Inc. also distributes skin care and other sachets of Montagne Jeunesse. The Company is headquartered in Denver, Colorado, and its common stock trades on the OTC Bulletin Board under the symbol "SLGD".

*This press release may contain "forward-looking" statements within the meaning of U.S. federal securities laws. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements and the Company's performance inherently involve risks and uncertainties that could cause actual results to differ from such forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance of each of our significant products in the marketplace; the degree of success of any new product or product line introduction by us; uncertainty of consumer acceptance of the new Alpha Hydrox products introduced in 2005, and Mold Control and wood wash products; competitive factors; any decrease in distribution of (i.e., retail stores carrying) our significant products; continuation of our distributorship agreement with Montagne Jeunesse; the need for effective advertising of our products; limited resources available for such advertising; new competitive products and/or technological changes; dependence upon third party vendors and upon sales to major customers; changes in the regulation of our products, including applicable environmental regulations; the effect of these and other risk factors on our liquidity; the loss of any executive officer; and other risks discussed in this release and in the Company's periodic report filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release.*
