CYPRESS EQUIPMENT FUND II, LTD.
(a Limited Partnership)
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
June 30, 2002

NOTE 1 - ORGANIZATION

Cypress Equipment Fund II, Ltd., (the "Partnership"), a Florida limited partnership, was formed November 13, 1991, for the purpose of acquiring and leasing transportation, manufacturing, industrial and other capital equipment. The Partnership was funded with limited partner capital contributions and commenced operations on June 22, 1992. The Partnership will terminate on December 31, 2015, or sooner, in accordance with the terms of the Limited Partnership Agreement. The Partnership has received Limited and General Partner capital contributions of \$36,469,000 and \$2,000, respectively.

Cypress Equipment Management Corporation II, a California corporation and a wholly-owned subsidiary of Cypress Leasing Corporation, is the Managing General Partner; RJ Leasing - 2, Inc., a Florida corporation and a second tier subsidiary of Raymond James Financial, Inc., is the Administrative General Partner; and Raymond James Partners, Inc., a Florida corporation and a wholly-owned subsidiary of Raymond James Financial, Inc., is the other General Partner.

Cash distributions, subject to payment of the equipment management fees, and profits and losses of the Partnership shall be allocated 99% to the Limited Partners and 1% to the General Partners. Once each Limited Partner has received cumulative cash distributions equal to his capital contributions, an incentive management fee equaling 4% of cash available for distributions will be paid to the General Partners. When each Limited Partner has received cumulative cash distributions equal to his capital contributions plus an amount equal to 8% of adjusted capital contributions per annum, an incentive management fee equaling 23% of cash available for distributions will be paid to the General Partners.

NOTE 2 - NOTES PAYABLE

A significant amount of the rental equipment acquired by the Partnership is pledged at time of purchase as collateral for the notes payable.

During the six months ended June 30, 2002, there was no additional borrowing or payments.

NOTE 3 - COMPENSATION AND REIMBURSEMENTS TO GENERAL PARTNERS AND AFFILIATES

The General Partners and their affiliates are entitled to the following types of compensation and reimbursements for costs and expenses incurred for the Partnership for the six months ended June 30, 2002:

Equipment Management Fees	\$ 2,972
General and Administrative Costs	3,379

NOTE 4 - BASIS OF PREPARATION

The unaudited financial statements presented herein have been prepared in accordance with the instructions to Form 10-Q and do not include all of the information and note disclosures required by generally accepted accounting principles. These statements should be read in conjunction with the financial statements and notes thereto included with the Partnership's Form 10-K for the year ended December 31, 2001. In the opinion of management, these financial statements include all adjustments, consisting only of normal recurring adjustments, necessary to summarize fairly the Partnership's financial position and results of operations. The results of operations for the period may not be indicative of the results to be expected for the year.

NOTE 5 - CASH AND CASH EQUIVALENTS

It is the Partnership's policy to include short-term investments with an original maturity of three months or less in Cash and Cash Equivalents. These short-term investments are comprised of money market mutual funds and a repurchase agreement. All of the Partnership's securities included in Cash and Cash Equivalents are considered held-to-maturity. The balance of \$265,760 at June 30, 2002 represents cash of \$26,556, a repurchase agreement of \$126,000 and money market mutual funds of \$113,204.

NOTE 6 - SUBSEQUENT EVENTS

On September 30, 2002, the Fund sold its 50% interest in a partnership for \$94,662.00.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL
CONDITION AND RESULTS OF OPERATIONS

Six Months Ended June 30, 2002, Compared to Six Months Ended June 30, 2001.

The Partnership is beginning to wind down its operations. The Partnership has sold significant assets. The remaining assets include: one set of machine tools on lease to third parties; a 50% interest in a partnership which leases and sells intermodal marine containers and chassis; and a deposit for the right to obtain title to a specialty tug and barge on December 31, 2002, at the expiration of the lease.

Rental income for the six months ended June 30, 2002 was comparable to the six month period ended June 30, 2001. Interest income decreased for the six months ended June 30, 2002, as compared to the six months ended June 30, 2001 because of lower average balances of cash for investment and lower interest rates. During the six months ended June 30, 2002, rental equipment with a book value of \$119,719 was sold for \$69,000 less expenses of sale of \$871, resulting in a loss on sale of \$51,590. During the six months ended June 30, 2001, the Partnership did not sell any equipment.

The 4% incentive management fee was earned with the August 10, 1999 distribution as each Limited Partner has received cumulative cash distributions equal to his capital contribution. The 19% incentive management fee was earned in total with the April 2001 distribution as all Limited Partners began receiving cumulative cash distributions equal to payout plus an amount equal to 8% of adjusted capital contributions per annum cumulative from each limited partner's closing date. Incentive management fees decreased from \$381,266 for the six months ended June 30, 2001 to \$0 for the six months ended June 30, 2002, since no further distributions, on which incentive management fees are based, have been made.

Interest expense was comparable the six months ended June 30, 2002, as compared to the six months ended June 30, 2001. Depreciation expense decreased for the six months ended June 30, 2002 versus 2001, due to a lower average depreciable basis of equipment. General and Administrative Expenses increased from \$60,875 for the six months ended June 30, 2001 to \$347,804 for the six months ended June 30, 2002. This was primarily due to increased legal costs associated with the deposit for the right to obtain title for a specialty tug and barge on December 31, 2002.

The net effect of the above revenue and expense items resulted in a net loss of \$437,468 for the six months ended June 30, 2002, compared to net loss of \$454,320 for the six months ended June 30, 2001.

During the six months ended June 30, 2002, the Partnership did not incur any additional borrowing and made no principal payments on notes.

Three Months Ended June 30, 2002, Compared to Three Months Ended June 30, 2001

Rental income decreased from \$28,002 for the three months ended June 30, 2001 to \$16,500 for the three month period ended June 30, 2002. Interest income decreased for the three months ended June 30, 2002, as compared to the three months ended June 30, 2001 because of lower average balances of cash for investment and lower interest rates.

During the three months ended June 30, 2002, rental equipment with a book value of \$119,719 was sold for \$69,000 less expenses of \$871, resulting in a loss on sale of \$51,590. During the three months ended June 30, 2001, the Partnership did not sell any equipment.

Interest expense was comparable the three months ended June 30, 2002, as compared to the three months ended June 30, 2001. Depreciation expense decreased for the three months ended June 30, 2002 versus 2001, due to a lower average depreciable basis of equipment. General and Administrative Expenses increased

Three Months Ended June 30, 2002, Compared to Three Months Ended June 30, 2001
(Continued):

from \$34,165 for the three months ended June 30, 2001 to \$268,160 for the three months ended June 30, 2002. This was primarily due to increased legal costs associated with the deposit for the right to obtain title for a specialty tug and barge on December 31, 2002.

The net effect of the above revenue and expense items resulted in a net loss of \$344,599 for the three months ended June 30, 2002, compared to a net loss of \$47,062 for the three months ended June 30, 2001.

During the three months ended June 30, 2002, the Partnership did not incur any additional borrowing and made \$0 of principal payments on notes.

Liquidity and Capital Resources

Short-term liquidity requirements consist of funds needed to make cash distributions to limited and general partners and meet administrative expenses. These short-term needs will be funded by Cash and Cash Equivalents at June 30, 2002, future rental income, interest income, and sales proceeds.

For the six months ended June 30, 2002, the Partnership had a net loss of \$437,468. After adjusting net income during this period for depreciation and amortization, and the changes in operating assets and liabilities, net cash used in operating activities was \$306,332. Cash provided by investing activities consisted of \$60,050 of distributions from the Investment in Partnerships and \$68,129 in proceeds from Sale of Equipment. No cash was used in financing activities. In total, during the six months ending June 30, 2002, Cash and Cash Equivalents decreased \$178,153 from operating activities, investing activities and financing activities, resulting in an ending Cash and Cash Equivalent balance as of June 30, 2002, of \$265,760.

In the opinion of the General Partners, the Partnership will have, through Cash and Cash Equivalents at June 30, 2002, and through future rental income, interest income, and equipment sales proceeds, sufficient funds to remain liquid for the foreseeable future. The General Partners are not aware of any trends that could adversely affect the Partnership's liquidity or the ability to meet near-term obligations.

Item 4. Controls and Procedures:

Within 90 days prior to the filing of this report, under the supervision and with the participation of the Partnership's management, including the Partnership's chief executive and chief financial officers, an evaluation of the effectiveness of the Partnership's disclosure controls and procedures (as defined in Rule 13a-14(c) under the Securities Exchange Act of 1934) was performed. Based on this evaluation, such officers have concluded that the Partnership's disclosure controls and procedures were effective as of the date of that evaluation in alerting them in a timely manner to material information relating to the Partnership required to be included in this report and the Partnership's other reports that it files or submits under the Securities Exchange Act of 1934. There were no significant changes in the Partnership's internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.
