PART I

Item 1. Business

Gateway Tax Credit Fund III Ltd. ("Gateway") is a Florida Limited Partnership. The general partners are Raymond James Tax Credit Funds, Inc., the Managing General Partner, and Raymond James Partners, Inc., both sponsors of Gateway Tax Credit Fund III Ltd. and wholly-owned subsidiaries of Raymond James Financial, Inc. Gateway was formed October 17, 1991 and commenced operations July 16, 1992 with the first admission of Limited Partners.

Gateway is engaged in only one industry segment, to acquire limited partnership interests in unaffiliated limited partnerships ("Project Partnerships"), each of which owns and operates one or more apartment complexes eligible for Low-Income Housing Tax Credits under Section 42 of the Internal Revenue Code ("Tax Credits"), received over a ten year period. Subject to certain limitations, Tax Credits may be used by Gateway's investors to reduce their income tax liability generated from other income sources. Gateway will terminate on December 31, 2040, or sooner, in accordance with the terms of its Limited Partnership Agreement. As of March 31, 2006, Gateway received capital contributions of \$1,000 from the General Partners and from the Limited Partners, \$10,395,000 in Series 7, \$9,980,000 from Series 8, \$6,254,000 from Series 9, \$5,043,000 from Series 10 and \$5,127,000 from Series 11.

Gateway offered Limited Partnership units in series. Each series is treated as though it were a separate partnership, investing in a separate and distinct pool of Project Partnerships. Net proceeds from each series are used to acquire Project Partnerships which are specifically allocated to such series. Income or loss and all tax items from the Project Partnerships acquired by each series are specifically allocated among the limited partners of such series.

Operating profits and losses, cash distributions from operations and Tax Credits are allocated 99% to the Limited Partners and 1% to the General Partners. Profit or loss and cash distributions from sales of property will be allocated as described in the Limited Partnership Agreement.

As of March 31, 2006, Gateway had invested in 133 Project Partnerships in total. Project Partnership investments by Series are as follows: 39 Project Partnerships for Series 7, 43 Project Partnerships for Series 8, 24 Project Partnerships for Series 9, 15 Project Partnerships for Series 10 and 12 Project Partnerships for Series 11. Gateway acquired its interests in these properties by becoming a limited partner in the Project Partnerships that own the properties. The primary source of funds for each series is the capital contributions from Limited Partner investors.

All but eight of the properties are financed with mortgage loans from the Farmers Home Administration (now called United States Department of Agriculture - Rural Development) ("USDA-RD") under Section 515 of the Housing Act of 1949. These mortgage loans are made at low interest rates for multi-family housing in rural and suburban areas, with the requirement that the interest savings be passed on to low income tenants in the form of lower rents. A significant portion of the project partnerships also receive rental assistance from USDA-RD to subsidize certain qualifying tenants. One property in Series 7 received conventional financing. One property in Series 9, two properties in Series 10 and one property in Series 11 are fully financed through the HOME Investment Partnerships Program. These HOME Program loans provide financing at rates of 0 % to 0.5% for a period of 15 to 42 years. One property in Series 11 is partially financed by HOME. Two properties in Series 11 received conventional financing.

Risks related to the operations of Gateway are described in detail on pages 29 through 38 of the Prospectus, as supplemented, under the Caption "Risk Factors" which is incorporated herein by reference. The investment objectives of Gateway are to:

- 1) Provide tax benefits to Limited Partners in the form of Tax Credits during the period in which each Project is eligible to claim tax credits;
- 2) Preserve and protect the capital of each Series;

The investment objectives and policies of Gateway are described in detail on pages 39 through 47 of the Prospectus, as supplemented, under the caption "Investment Objectives and Policies" which is incorporated herein by reference.

Gateway's goal is to invest in a diversified portfolio of Project Partnerships located in rural and suburban locations with a high demand for low income housing. As of March 31, 2006 each Series' investor capital contributions were successfully invested in Project Partnerships which met the investment criteria. Management anticipates that competition for tenants will only be with other low income housing projects and not with conventionally financed housing.

With a significant number of rural American households living below the poverty level in substandard housing, management believes there will be a continuing demand for affordable low income housing for the foreseeable future.

Gateway has no direct employees. Services are performed by the Managing General Partner and its affiliates and by agents retained by it. The Managing General Partner has full and exclusive discretion in management and control of Gateway.

Item 1A. Risk Factors

Gateway, as a limited partner in the Project Partnerships, is subject to risks inherent in the ownership of property which are beyond its control, such as fluctuations in occupancy rates and operating expenses, variations in rental schedules, proper maintenance and continued eligibility of tax credits. If the cost of operating a property exceeds the rental income earned thereon, Gateway may deem it in its best interest to voluntarily provide funds in order to protect its investment.

Item 1B. Unresolved Staff Comments.

None.

Item 2. Properties

Gateway owns a majority interest in properties through its limited partnership investments in Project Partnerships. The largest single net investment as of March 31, 2006 in a Project Partnership in Series 7 is 1.3% of the Series' total balance sheet assets, Series 8 is 0.4%, Series 9 is 1.3%, Series 10 is 3.6% and Series 11 is 7.7%. The following table provides certain summary information regarding the Project Partnerships in which Gateway had an interest as of December 31, 2005:

Item 7. Management's Discussion and Analysis of Financial Condition and Results

of Operations

This item should be read in conjunction with the financial statements and other items contained elsewhere in this report.

The Managing General Partner monitors developments in the area of legal and regulatory compliance. For example, the Sarbanes-Oxley Act of 2002 mandates or suggests additional compliance measures with regard to governance, disclosure, audit and other areas. In light of these changes, Gateway expects that it will incur higher expenses related to compliance.

Results of Operations, Liquidity and Capital Resources

Operations commenced on July 16, 1992 with the first admission of Limited Partners in Series 7. The proceeds from Limited Partner investors' capital contributions available for investment are used to acquire interests in Project Partnerships.

As disclosed on the statement of operations for each Series, except as described below, interest income is comparable for the years ended March 31, 2006, March 31, 2005 and March 31, 2004.

The capital resources of each Series are used to pay General and Administrative operating costs including personnel, supplies, data processing, travel and legal and accounting associated with the administration and monitoring of Gateway and the Project Partnerships. The capital resources are also used to pay the Asset Management Fee due the Managing General Partner, but only to the extent that Gateway's remaining resources are sufficient to fund Gateway's ongoing needs. (Payment of any Asset Management Fee unpaid at the time Gateway sells its interests in the Project Partnerships is subordinated to the investors' return of their original capital contribution.)

The sources of funds to pay the operating costs of each Series are short-term investments and interest earned thereon, the maturity of U.S. Treasury Security Strips ("Zero Coupon Treasuries"), which were purchased with funds set aside for this purpose, and cash distributed to the Series from the operations of the Project Partnerships.

Series 7 - Gateway closed this series on October 16, 1992 after receiving \$10,395,000 from 635 Limited Partner investors. As of March 31, 2006, the series had invested \$7,732,089 in 39 Project Partnerships located in 14 states containing 1,195 apartment units. Average occupancy of the Project Partnerships was 96% at December 31, 2005.

Equity in losses of Project Partnerships for the year ended March 31, 2006 of \$92,380 were \$47,219 less than the Equity in Losses of Project Partnerships for the year ended March 31, 2005 which amounted to \$139,599. In general, it is common in the real estate industry to experience losses for financial and tax reporting purposes because of the non-cash expenses of depreciation and amortization. (These Project Partnerships reported depreciation and amortization of \$1,489,791, \$1,494,903 and \$1,472,897 for the periods ended December 31, 2004, 2005 and 2006, respectively.) As a result, management expects that this Series, as well as the Series described below, will report its equity in Project Partnerships as a loss for tax and financial reporting purposes. Gateway reviews its investments in Project Partnerships to determine if there has been any permanent impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. For the fiscal year ended March 31, 2006, impairment expense of \$193,195 was recognized. There was no impairment expense in either fiscal year 2005 or fiscal year 2004. Overall management believes the Project Partnerships are operating as expected and are generating tax credits which meet projections.

At March 31, 2006, the Series had \$394,030 of short-term investments (Cash and Cash Equivalents). It also had \$151,104 in Zero Coupon Treasuries with annual maturities providing \$77,000 in fiscal year 2006 increasing to \$86,000 in fiscal year 2008. Management believes the sources of funds are sufficient to meet current and ongoing operating costs for the foreseeable future, and to pay part of the Asset Management Fee.

As disclosed on the statement of cash flows, the Series had a net loss of

\$467,796 for the year ending March 31, 2006. However, after adjusting for Equity in Losses of Project Partnerships of \$92,380 and the changes in operating assets and liabilities, net cash used in operating activities was \$95,514. In general, it is common in the real estate industry to experience losses for financial and tax reporting purposes because of the non-cash expenses of depreciation and amortization. (These Project Partnerships reported depreciation and amortization of \$1,525,330, \$1,512,305, and \$1,485,669 for the periods ended December 31, 2003, 2004 and 2005, respectively.) As disclosed on the statement of cash flows, the Series had a net loss of \$216,489 for the year ending March 31, 2006. For the fiscal year ended March 31, 2006, impairment expense of \$127,532 was recognized. There was no impairment expense in either fiscal year 2005 or fiscal year 2004. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Partners of Gateway Tax Credit Fund III Ltd.

We have audited the accompanying balance sheet of Gateway Tax Credit Fund III Ltd. (a Florida Limited Partnership) as of March 31, 2006 and the related statements of operations, partners' equity (deficit), and cash flows for the year ended March 31, 2006. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of certain Project Partnerships for which \$1,075,284 of net investment is included in these financial statements as of March 31, 2006 and for which net losses of \$64,475 are included in these financial statements for the year ended March 31, 2006. Those financial statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for such underlying partnerships, is based solely on the reports of the other auditors. The financial statements of Gateway Tax Credit Fund III, Ltd. as of March 31, 2005 and for each of the two years in the period ended March 31, 2005, were audited by other auditors whose report dated September 8, 2005, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Partnership is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audit and the reports of other auditors, the 2006 financial statements referred to above present fairly, in all material respects, the financial position of Gateway Tax Credit Fund III Ltd. at March 31, 2006, and the results of its operations and its cash flows for the year ended March 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules listed under Item 15(a)(2) in the index are presented for purposes of complying with the Securities and Exchange Commission's rules and are not part of the basic financial statements. These schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, based on our audit and the reports of other auditors, fairly state in all material respects the financial data required to be set forth therein in relation to the basic financial statements taken as a whole.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Partners of Gateway Tax Credit Fund III Ltd.

We have audited the accompanying balance sheet of each of the five Series (Series 7 through 11) constituting Gateway Tax Credit Fund III Ltd. (a Florida Limited Partnership) as of March 31, 2005 and the related statements of operations, partners' equity (deficit), and cash flows of each of the five Series for the years ended March 31, 2005 and March 31, 2004, respectively. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of certain Project Partnerships for which the net investments included on the balance sheet as of March 31, 2005 and net losses included on the statements of operations for the years ended March 31, 2005 and March 31, 2004 are:

	Net Investment March 31, ----- 2005 ----	Partnership Loss Year Ended March 31, ----- 2005 -----	2004 -----
Series 7	\$ 0	\$ 0	\$ 0
Series 8	48,806	19,399	14,306
Series 9	378,066	55,286	79,085
Series 10	1,021,150	42,327	54,001
Series 11	0	0	6,540

Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for such underlying partnerships, is based solely on the reports of the other auditors.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Partnership is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the reports of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audits and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the financial position of each of the five Series (Series 7 through 11) constituting Gateway Tax Credit Fund III Ltd. as of March 31, 2005 and the results of their operations and their cash flows for the years ended March 31, 2005 and March 31, 2004, respectively, in conformity with accounting principles generally accepted in the United States of America.

GATEWAY TAX CREDIT FUND III LTD.
(A Florida Limited Partnership)

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2006, 2005 AND 2004

NOTE 1 - ORGANIZATION:

Gateway Tax Credit Fund III Ltd. ("Gateway"), a Florida Limited Partnership, was formed October 17, 1991 under the laws of Florida. Gateway offered its limited partnership interests in Series. The first Series for Gateway is Series 7. Operations commenced on July 16, 1992 for Series 7, January 4, 1993 for Series 8, September 30, 1993 for Series 9, January 21, 1994 for Series 10 and April 29, 1994 for Series 11. Each Series invests, as a limited partner, in other limited partnerships ("Project Partnerships"), each of which owns and operates apartment complexes eligible for Low-Income Housing Tax Credits ("Tax Credits"), provided for in Section 42 of the Internal Revenue Code of 1986. Gateway will terminate on December 31, 2040 or sooner, in accordance with the terms of the Limited Partnership Agreement. As of March 31, 2006, Gateway had received capital contributions of \$1,000 from the General Partners and \$36,799,000 from the investor Limited Partners.

Raymond James Partners, Inc. and Raymond James Tax Credit Funds, Inc., wholly-owned subsidiaries of Raymond James Financial, Inc., are the General Partner and Managing General Partner, respectively.

Gateway received capital contributions of \$10,395,000, \$9,980,000, \$6,254,000, \$5,043,000 and \$5,127,000 from the investor Limited Partners in Series 7, 8, 9, 10 and 11, respectively. Each Series will be treated as though it were a separate partnership, investing in a separate and distinct pool of Project Partnerships. Income or loss and all tax items from the Project Partnerships acquired by each Series will be specifically allocated among the limited partners of such Series.

Operating profits and losses, cash distributions from operations and Tax Credits from each Series are generally allocated 99% to the Limited Partners in that Series and 1% to the General Partners. Profit or loss and cash distributions from sales of property by each Series are allocated as formulated in the Limited Partnership Agreement.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

Gateway utilizes an accrual basis of accounting whereby revenues are recognized as earned and expenses are recognized as obligations are incurred.

Gateway accounts for its investments as the limited partner in Project Partnerships ("Investments in Project Partnerships"), using the equity method of accounting, because management believes that Gateway does not have a majority control of the major operating and financial policies of the Project Partnerships in which it invests, and reports the equity in losses of the Project Partnerships on a 3-month lag in the Statements of Operations. Under the equity method, the Investments in Project Partnerships initially include:

- 1) Gateway's capital contribution,
- 2) Acquisition fees paid to the General Partner for services rendered in selecting properties for acquisition, and
- 3) Acquisition expenses including legal fees, travel and other miscellaneous costs relating to acquiring properties.

Quarterly the Investments in Project Partnerships are increased or decreased as follows:

- 1) Increased for equity in income or decreased for equity in losses of the Project Partnerships,
- 2) Decreased for cash distributions received from the Project Partnerships, and
- 3) Decreased for the amortization of the acquisition fees and expenses.

For the fiscal year ended March 31, 2006, Gateway changed the period over which the intangible acquisition fees and expenses are amortized. In all prior years, the period in which such intangible assets had been amortized was 35 years. In

the fiscal year ended March 31, 2006, this amortization period was changed to 15 years to better approximate the period over which the benefits of these investments are realized. As a result of this change in estimate, an additional amortization expense of \$24,835 for Series 7, \$10,553 for Series 8, \$9,817 for Series 9, \$19,964 for Series 10 and \$27,587 for Series 11, or \$92,756 for all Series of Gateway, was recognized during the year-ended March 31, 2006, as compared to the amortization expense amount which would have been realized had the estimated amortization period not changed during the year. The amortization expense is shown on the Statements of Operations.

Pursuant to the limited partnership agreements for the Project Partnerships, cash losses generated by the Project Partnerships are allocated to the general partners of those partnerships. In subsequent years, cash profits, if any, are first allocated to the general partners to the extent of the allocation of prior years' cash losses.

Since Gateway invests as a limited partner, and therefore is not obligated to fund losses or make additional capital contributions, it does not recognize losses from individual Project Partnerships to the extent that these losses would reduce the investment in those Project Partnerships below zero. The suspended losses will be used to offset future income from the individual Project Partnerships. Any cash distributions received from Project Partnerships which have a zero investment balance are accounted for as distribution income in the period the cash distribution is received by Gateway.

Gateway reviews its investments in Project Partnerships to determine if there has been any permanent impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If the sum of the expected future cash flows is less than the carrying amount of the investment, Gateway recognizes an impairment loss. For the fiscal year ended March 31, 2006, impairment expense was recognized in the statement of operations in the following Series and in the following amounts: Series 7 - \$193,195, Series 9 - \$127,532, Series 10 - \$156,694, Series 11 - \$600,802. The total impairment expense for all Series in Gateway for fiscal year 2006 was \$1,078,223. There was no impairment expense in fiscal years 2005 or 2004. Refer to Note 5 - Investment in Project Partnerships for further details regarding the components of the Investment in Project Partnership balance.

Gateway, as a limited partner in the Project Partnerships, is subject to risks inherent in the ownership of property which are beyond its control, such as fluctuations in occupancy rates and operating expenses, variations in rental schedules, proper maintenance and continued eligibility for tax credits. If the cost of operating a property exceeds the rental income earned thereon, Gateway may deem it in its best interest to voluntarily provide funds in order to protect its investment. Gateway does not guarantee any of the mortgages or other debt of the Project Partnerships.

Variable Interest Entities

In January 2003, the FASB issued FASB Interpretation No. 46 ("FIN46"), "Consolidation of Variable Interest Entities, an Interpretation of ARB No. 51" which was subsequently revised in December, 2003. Gateway has adopted FIN 46 and applied its requirements to all Project Partnerships in which Gateway holds an interest. Generally, a variable interest entity, or VIE, is an entity with one or more of the following characteristics, (a) the total equity investment at risk is not sufficient to permit the entity to finance its activities without additional subordinated financial support; (b) as a group the holders of the equity investment at risk lack (i) the ability to make decisions about an entity's activities through voting or similar rights, (ii) the obligation to absorb the expected losses of the entity; or (c) the equity investors have voting rights that are not proportional to their economic interests and substantially all of the entity's activities either involve, or are conducted on behalf of, an investor that has disproportionately few voting rights. FIN 46 requires a VIE to be consolidated in the financial statements of the entity that is determined to be the primary beneficiary of the VIE. The primary beneficiary, as is applicable to Gateway's circumstances, is the party in the Project Partnership equity group that is most closely associated with the Project Partnership.

Gateway holds variable interests in 128 VIEs, which consist of Project Partnerships, of which Gateway is not the primary beneficiary. Five of Gateways Project Partnership investments were determined not to be VIEs. Gateway's maximum exposure to loss as a result of its involvement with unconsolidated VIEs is limited to Gateway's recorded investments in and receivables from those VIEs, which is approximately \$5,530,357 at March 31, 2006. Gateway may be subject to additional losses to the extent of any financial support that Gateway voluntarily provides to those Project Partnerships in the future.

Cash and Cash Equivalents

It is Gateway's policy to include short-term investments with an original maturity of three months or less in Cash and Cash Equivalents. Short-term investments are comprised of money market mutual funds.

Concentrations of Credit Risk

Financial instruments which potentially subject Gateway to concentrations of credit risk consist of cash investments in a money market mutual fund that is a wholly-owned subsidiary of Raymond James Financial, Inc.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates that affect certain reported amounts and disclosures. These estimates are based on management's knowledge and experience. Accordingly, actual results could differ from these estimates.

Investment in Securities

Gateway applies Statement of Financial Accounting Standards No. 115, Accounting for Certain Investments in Debt and Equity Securities ("FAS 115"). Under FAS 115, Gateway is required to categorize its debt securities as held-to-maturity, available-for-sale or trading securities, dependent upon Gateway's intent in holding the securities. Gateway's intent is to hold all of its debt securities (U. S. Treasury Security Strips) until maturity and to use these reserves to fund Gateway's ongoing operations. Interest income is recognized ratably on the U.S. Treasury Strips using the effective yield to maturity.

Offering and Commission Costs

Offering and commission costs are charged against Limited Partners' Equity upon admission of Limited Partners.

Income Taxes

No provision for income taxes has been made in these financial statements, as income taxes are a liability of the partners rather than of Gateway.

Reclassifications

For comparability, certain 2004 and 2005 balances have been reclassified, where appropriate, to conform with the fiscal year 2006 financial statement presentation.

NOTE 3 - INVESTMENT IN SECURITIES:

The Investment in Securities as of March 31, 2006 consists of U.S. Treasury Security Strips presented at their cost, plus accreted interest income of \$128,446 for Series 7, \$115,115 for Series 8, \$77,077 for Series 9, \$77,070 for Series 10 and \$89,646 for Series 11.

The Payable to General Partners primarily represents the asset management fees owed to the General Partners at the end of the period. It is unsecured, due on demand and, in accordance with the limited partnership agreement, non-interest bearing. Within the next 12 months, the Managing General Partner does not intend to demand payment on the portion of Asset Management Fees payable classified as long-term on the Balance Sheet.

For the periods ended March 31, 2006, 2005, and 2004 the General Partners and affiliates are entitled to compensation and reimbursement for costs and expenses incurred by Gateway as follows:

Asset Management Fee - The Managing General Partner is entitled to receive an annual asset management fee equal to the greater of (i) \$2,000 for each limited partnership in which Gateway invests, as adjusted by the Consumer Price Index, or (ii) 0.275% of Gateway's gross proceeds from the sale of limited partnership interests. In either event (i) or (ii), the maximum amount may not exceed 0.2% of the aggregate cost (Gateway's capital contribution plus Gateway's share of the Properties' mortgage) of Gateway's interest in properties owned by the Project Partnerships. The asset management fee will be paid only after all other expenses of Gateway have been paid. These fees are included in the Statement of Operations.

INDEPENDENT AUDITORS' REPORT

To the Partners
Lakeshore II, Ltd.
Tuskegee, Alabama

We have audited the accompanying balance sheets of Lakeshore II, Ltd., a limited partnership, RHS Project No: 01-044-631056927 as of December 31, 2005 and 2004, and the related statements of operations, partners' capital and cash flows for the years then ended. These financial statements are the responsibility of the partnership's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted the audits in accordance with standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States, the U.S. Department of Agriculture, Farmers Home Administration Audit Program, and the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that the audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lakeshore II, Ltd., RHS Project No: 01-044-631056927 as of December 31, 2005 and 2004, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

The audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information on pages 11 through 14 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplemental information presented in the Multiple Family Housing Borrower Balance Sheet (Form FmHA 1930-8) Parts I and II for the years ended December 31, 2005 and 2004, is presented for purposes of complying with the requirements of the Rural Housing Services and is also not a required part of the basic financial statements. Such information has been subjected to the audit procedures applied in the audit of the basic financial statements and, in our opinion is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 21, 2006 on our consideration of Lakeshore II, Ltd.'s, internal control over financial reporting and on our tests of its compliance with certain provisions of laws and regulations. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit. However, the partnership has determined that it is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included only the consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the partnership's internal control over financial reporting. Accordingly, we express no such opinion.

Item 9. Changes in and disagreements with Accountants on Accounting and Financial Disclosures

On or about January 3, 2006, Spence, Marston, Bunch, Morris & Co., Certified Public Accountants, P.C. ("SMBM") resigned as the principal independent accountant of Gateway. As explained to the Registrant by SMBM, the Registrant and its two affiliated funds were the only clients of SMBM required to file reports as a public company under the Securities Exchange Act of 1934. SMBM decided to resign due to the economic unfeasibility of providing auditing services to a small number of public company clients.

During the years ended March 31, 2005 and March 31, 2004, and the subsequent interim periods through January 3, 2006, there were no disagreements with SMBM on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of SMBM, would have caused them to make reference to the subject matter of the disagreement in connection with their report. In addition, none of the reportable events listed in Item 304(a)(1)(v) of Regulation S-K occurred with respect to the Registrant during the Registrant's two most recent fiscal years and the subsequent interim periods preceding the resignation of SMBM.

The audit reports of SMBM on the financial statements of the Registrant for the two most recent fiscal years ended March 31, 2005 and March 31, 2004 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

On January 11, 2006, Gateway engaged the firm of Reznick Group, P.C. ("Reznick") as its independent registered public accounting firm. The engagement was authorized by Gateway's audit committee. From January 1, 2004 to such date of engagement, neither Gateway nor anyone on behalf of Gateway consulted with Reznick regarding any matter requiring disclosure under Item 304(a)(2) of Regulation S-K.

Item 9a. Controls and Procedures

Within 90 days prior to the filing of this report, under the supervision and with the participation of the Partnership's management, including the chief executive and chief financial officers of the Partnership's Managing General Partner, an evaluation of the effectiveness of the Partnership's disclosure controls and procedures (as defined in Rule 13a-14(c) under the Securities and Exchange Act of 1934) was performed. Based on this evaluation, such officers have concluded that the Partnership's disclosure controls and procedures were effective as of the date of that evaluation in alerting them in a timely manner to material information relating to the Partnership required to be included in this report and the Partnership's other reports that it files or submits under the Securities Exchange Act of 1934. There were no significant changes in the Partnership's internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.

Item 9B. Other Information

None.
