Form 8-K filed July 26, 2019

Exhibit 99.1

Non-GAAP Information and Reconciliations, page 11

1. We note that you deduct payments to distribution partners for providing services to investors in your sponsored funds and payments to third-party service providers for investment management-related services to arrive at total revenues, as adjusted. Considering that you are required to present revenue and related costs on a gross basis in accordance with GAAP, presenting them otherwise may violate Rule 100(b) of Regulation G by substituting individually tailored recognition and measurement methods for those of GAAP. Please explain to us how you considered whether your current presentation complies with Regulation G and Question 100.04 of the Compliance and Disclosure Interpretations on Non-GAAP Financial Measures, or revise your future filings to exclude this adjustment.
