Dear Mr. Peterson:

We have reviewed your response to our letter dated October 25, 2007 in connection with the above referenced filings and have the following comment. If indicated, we think you should revise your document in response to this comment. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In our comment, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may raise additional comments. Unless otherwise noted where prior comments are referred to they refer to our letter dated October 25, 2007.

Form 10-K for the Fiscal Year Ended July 31, 2007

Note 3 – Litigation Settlements, page F-12

1. We note your response to prior comment number 1 and we continue to believe that the presence of any litigation associated with a settlement agreement adds a separate measurable and recognizable element related to that litigation. As previously noted, unless you are able to develop a reasonable basis to allocate the proceeds to each element, recording any part of such settlements as revenue would not be appropriate. Please restate your financial statements accordingly or tell us why you believe restatement is not necessary.
