## **ANNUAL MEETING OF SHAREHOLDERS**

**April 26, 2011**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Denmark Bancshares, Inc., hereinafter referred to as “DBI”, to be voted at the Annual Meeting of Shareholders (“Annual Meeting”) on Tuesday, April 26, 2011, at 10:30 a.m., at Whipp’s Dining Hall, 5073 Highway 29, Green Bay, Wisconsin, and all adjournments thereof. The solicitation of proxies begins on or about March 31, 2011.

### **REVOCABILITY OF PROXIES**

Execution of a proxy given in response to this solicitation will not affect a shareholder’s right to attend the Annual Meeting and to vote in person. Presence at the Annual Meeting of a shareholder who has signed a proxy does not in itself revoke a proxy. Any shareholder giving a proxy may revoke it any time before it is exercised by giving notice thereof to DBI in writing or in person at the Annual Meeting.

Proxies that are properly executed, duly returned to DBI and not revoked, will be voted in accordance with the instructions contained therein. The shares represented by executed but unmarked proxies will be voted in favor of the proposals set forth in this Proxy Statement for consideration at the Annual Meeting and on such other business or matters that may properly come before the meeting in accordance with the best judgment of the persons named as proxies.

## **PROPOSAL I**

### **ELECTION OF DIRECTORS**

Pursuant to Amended Article VII of the Articles of Incorporation of DBI, the Board of Directors is divided into three classes as nearly equal in number as possible. The term of the office of only one class of directors expires in each year and their successors are elected for terms of three years. The classes are designated as Class I, Class II and Class III. Directors Thomas N. Hartman, Michael L. Heim and Kenneth A. Larsen, Sr. are nominated as Class III directors. Class III directors will serve for a term of three years to expire in April 2014. The three nominees currently serve on the Board of Directors.

The three nominees have consented to serve, if elected. Unless the shareholders otherwise specify, the shares represented by the proxies received will be voted in favor of the Board’s nominees. The Board has no reason to believe that any of the listed nominees will be unable or unwilling to serve as a director if elected. However, in the event that any of the nominees should be unable or unwilling to serve, the shares represented by the proxies received will be voted for any other nominees selected by the Board.

The following table sets forth certain information with respect to the Board of Directors’ nominees for election as directors and those directors continuing in office. Hereinafter, DBI’s subsidiaries are referred to as follows: Denmark State Bank as “DSB” and Denmark Agricultural Credit Corp. as “DACC”.

The Nominating Committee shall take into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience, vision, integrity, dedication, cooperativeness with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. DBI defines diversity to include differences of professional background and experience, education, community involvement and other individual attributes that contribute to a well-rounded Board. DBI does not focus on such things as race, gender or national origin as part of its diversity. The Nominating Committee seeks nominees for director from shareholders, directors and executive officers of DSB.

Any shareholder who desires to communicate directly with the Board of Directors may address correspondence to the entire Board of Directors, or to any individual Board member, to Denmark Bancshares, Inc., P.O. Box 130, Denmark, Wisconsin 54208-0130. All correspondence received in this manner will be promptly forwarded to the specified addressee. ### **COMPENSATION COMMITTEE REPORT ON EXECUTIVE AND DIRECTOR COMPENSATION**

The Compensation Committee is responsible for determining the level and composition of compensation and benefits for directors and executive officers. The Compensation Committee believes that the compensation for executive officers and directors should be at a market level in order to attract and retain qualified individuals. The market data is developed by obtaining a number of compensation surveys so that compensation aligns with the average pay rate for each position within the local labor market. This market-based compensation system allows DBI to better manage direct compensation expenses and enables performance-based compensation. The Compensation Committee believes that these compensation practices enhance DBI's ability to recruit, develop and retain knowledgeable, experienced and loyal employees.

Individual executive compensation is reviewed on an annual basis. The Compensation Committee reviewed 2009 executive compensation survey data from four surveys. The Compensation Committee also relied on 2008 compensation survey data of seventeen public bank holding companies ranging in size from \$395 million to \$697 million of total assets. In approving the executive officers' salaries and determining the salary of the principal executive officer, the Compensation Committee compared the base salaries paid or proposed to be paid by DBI with ranges of salaries paid by commercial banks of similar size relative to DBI.

The Compensation Committee relied on recommendations from Mr. Olsen, DBI's principal executive officer, concerning 2010 salary adjustments for the executive officers (other than his own). The Compensation Committee reviewed the recommendations made by Mr. Olsen and then made final decisions on the base salaries to be paid by DBI. The Compensation Committee determined the annual salary paid to the principal executive officer. The Compensation Committee recommended no change to executive salaries, except with respect to Ms. Feiler, whose salary was adjusted upon her appointment to her new position as President of Denmark State Bank effective January 1, 2010.

The Compensation Committee relied on compensation surveys and executive compensation data of peer bank holding companies in determining the 2010 annual bonuses of the executive officers. The Compensation Committee also compared the operating results and performance ratios of DSB to operating results and performance ratios of commercial banks of similar asset size relative to DSB. Furthermore, the Compensation Committee recognized the attainment of financial goals and the execution of DBI's strategic plan when awarding the 2010 incentives.

The Compensation Committee reviewed and discussed information related to director compensation from the 2009/2010 Bank Director survey data and from information contained in proxy statements of seventeen bank holding companies of similar size. The Compensation Committee recommended no change to directors' compensation.

### **CODE OF ETHICS**

DBI has adopted a Code of Ethics and Business Conduct that applies to all directors, officers and employees, including DBI's principal executive officer and principal accounting officer. The Code of Ethics and Business Conduct may be found on the Corporate Governance page of DBI's website at [https://www.denmarkstate.com/a\\_about\\_code.htm](https://www.denmarkstate.com/a_about_code.htm).

### **AUDIT COMMITTEE REPORT**

The Audit Committee serves as an independent and objective party to monitor DBI's financial reporting process and internal control system. The Committee also reviews and appraises the audit efforts of DBI's internal auditor and independent accountants and provides an open avenue of communication among the independent accountants, senior management and the Board of Directors.

As part of its activities the Audit Committee has:

- 1) Reviewed and discussed with management and Wipfli LLP the audited financial statements of DBI;
- 2) Discussed with the independent auditors, Wipfli LLP, matters required to be discussed by the Statement on Auditing Standards (SAS) No. 61, as amended by SAS No. 90 (Communication with Audit Committees) and SAS No. 99 (Consideration of Fraud in a Financial Statement Audit), and under the rules of the Public Company Accounting Oversight Board. Discussions included the overall scope and plans for the audit, the adequacy of DBI's internal controls, and the overall quality of DBI's financial reporting;
- 3) Received written disclosures and the letter from Wipfli LLP required by the Public Company Accounting Oversight Board regarding Wipfli LLP's communications with the audit committee concerning independence; and
- 4) Discussed with Wipfli LLP matters relating to their independence.

On the basis of these reviews and discussions, the Audit Committee recommended that the Board approve the inclusion of DBI's audited financial statements in DBI's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the Securities and Exchange Commission.

**TRANSACTIONS WITH RELATED PERSONS**

From time to time DBI has made loans to executive officers and directors of DBI, their family members and related entities. Such loans were made in the ordinary course of business, were made substantially on the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. It is expected that similar transactions will occur in the future. The Officer and Board Loan Committees of DSB, in accordance with DSB's written Lending Policy, review and approve or ratify all loans to executive officers and directors, their family members and related entities. DSB's Lending Policy governs loans to insiders and requires the interested director or officer to abstain from voting and from participating in the discussion of loan requests.

**SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16 (a) of the Securities Exchange Act of 1934, as amended, requires DBI's directors and executive officers to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in their ownership of DBI's common stock and to furnish DBI with copies of the forms they file. Based solely on a review of the copies of these reports furnished to DBI, during the fiscal year ended December 31, 2010, DBI believes that all reporting requirements under Section 16(a) were met in a timely manner by its directors and executive officers.

## **PROPOSAL II**

**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

Wipfli LLP served as DBI's independent public accountants for the year ended December 31, 2010. The following table sets forth the fees paid by DBI to Wipfli LLP for professional services during 2009 and 2010:

	<u>2009</u>	<u>2010</u>
Audit Fees (1)	\$96,558	\$91,888
Tax Fees (2)	12,039	14,325
All Other Fees (3)	<u>15,610</u>	<u>11,505</u>
Total Fees	<u>\$124,207</u>	<u>\$117,718</u>

- (1) Audit fees include fees for the audit of DBI's annual financial statements, reviews of the quarterly unaudited financial statements included in DBI's Form 10-Q and review and assistance with other SEC filings.
- (2) Tax fees were for services rendered for preparation of tax returns and consultations with DBI on various tax matters.
- (3) All Other Fees in 2009 are for strategic planning services. The 2010 fees were for services related to updating the salary structure to include market analysis by job position and assistance to the Compensation Committee on the development of incentive plans.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent public accountants along with an estimate of fees to be paid for those services in order to assure that the fees paid for non-audit services do not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and each pre-approval is detailed as to the particular service or category of services. The Audit Committee annually reviews the services provided by the independent public accountants and the fees paid for the services performed.

Subject to ratification by shareholders at the Annual Meeting, DBI has selected Wipfli LLP to audit DBI's financial statements for the year ending December 31, 2011. No representatives of Wipfli LLP are expected to attend the Annual Meeting.

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the selection of Wipfli LLP as independent registered public accounting firm for DBI. Any shares not voted at the Annual Meeting, whether due to abstentions, broker non-votes or otherwise, will have no impact on the ratification of the appointment of Wipfli LLP as independent auditors for DBI for the year ended December 31, 2011.
