INFORMATION CIRCULAR

(Containing information as at November 7, 2002 unless indicated otherwise)

SOLICITATION OF PROXIES

THIS INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF CREW DEVELOPMENT CORPORATION (THE “CORPORATION”) FOR USE AT THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF THE CORPORATION TO BE HELD AT THE TERMINAL CITY CLUB, PRESIDENT’S ROOM, 837 WEST HASTINGS STREET, VANCOUVER, BRITISH COLUMBIA, AT 10:00 A.M. (PACIFIC TIME), ON MONDAY, DECEMBER 16, 2002, OR AT ANY ADJOURNMENTS THEREOF, FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF MEETING.

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Corporation at nominal cost. All costs of solicitation of proxies by management will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY ARE DIRECTORS OF THE CORPORATION. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON THE SHAREHOLDER’S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE INSTRUMENT OF PROXY OR BY COMPLETING ANOTHER PROPER INSTRUMENT OF PROXY.

AN INSTRUMENT OF PROXY MUST BE IN WRITING AND SIGNED BY THE SHAREHOLDER OR BY THE SHAREHOLDER’S ATTORNEY DULY AUTHORIZED IN WRITING OR, IF THE SHAREHOLDER IS A BODY CORPORATE OR ASSOCIATION, SIGNED BY ANY INDIVIDUAL AUTHORIZED BY A RESOLUTION OF THE DIRECTORS OR GOVERNING BODY OF THE BODY CORPORATE OR ASSOCIATION. A PROXY WILL NOT BE VALID UNLESS THE COMPLETED INSTRUMENT OF PROXY AND THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT IS SIGNED, OR A NOTARIALY CERTIFIED COPY THEREOF, IS RECEIVED BY PACIFIC CORPORATE TRUST CORPORATION, 10TH FLOOR - 625 HOWE STREET, VANCOUVER, BRITISH COLUMBIA V6C 3B8 (FAX: (604) 689-8144) NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE COMMENCEMENT OF THE MEETING, OR ANY ADJOURNMENT THEREOF.

A shareholder who has given an Instrument of Proxy may revoke it by an instrument in writing signed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a body corporate or association, signed by any individual authorized by a resolution of the directors or governing body of the body corporate or association, and delivered to the registered office of the Corporation, Suite 200 – 204 Lambert Street,

Whitehorse, Yukon Territory Y1A 1Z4, at any time up to and including the last business day preceding the day of the meeting, or any adjournment thereof at which the Instrument of Proxy is to be used, or to the Chair of the meeting on the day of the meeting or any adjournment thereof or in any other manner provided by law. A revocation of an Instrument of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

THE MANAGEMENT REPRESENTATIVES DESIGNATED IN THE ENCLOSED INSTRUMENT OF PROXY WILL VOTE OR WITHHOLD FROM VOTING THE SHARES IN RESPECT OF WHICH THEY ARE APPOINTED PROXY ON ANY POLL THAT MAY BE CALLED FOR IN ACCORDANCE WITH THE INSTRUCTIONS OF THE SHAREHOLDER AS INDICATED ON THE INSTRUMENT OF PROXY AND, IF THE SHAREHOLDER SPECIFIES A CHOICE WITH RESPECT TO ANY MATTER TO BE ACTED UPON, THE SHARES WILL BE VOTED ACCORDINGLY. WHERE NO CHOICE OR WHERE BOTH CHOICES ARE SPECIFIED IN THE INSTRUMENT OF PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED “FOR” THE MATTERS OR PERSONS DESCRIBED THEREIN AND IN THIS INFORMATION CIRCULAR.

The enclosed Instrument of Proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and with respect to other matters that may properly come before the meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the meeting or any other business is properly brought before the meeting, it is the intention of the persons designated in the enclosed Instrument of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter which may be presented to the meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the meeting. Most shareholders of the Corporation are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares or a clearing agency. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-102 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Instrument of Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

1. be given an Instrument of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Instrument of Proxy, this Instrument of Proxy is not required to be signed by the Non-Registered Holder when submitting the Instrument of Proxy. In this case, the Non-Registered Holder who wishes to submit an instrument of proxy should otherwise properly complete the Instrument of Proxy and deposit it with Pacific Corporate Trust Company as provided above; or

more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the Instrument of Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Instrument of Proxy, properly complete and sign the Instrument of Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the meeting in person, the Non-Registered Holder should strike out the names of management's representatives named in the Instrument of Proxy and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the instrument of proxy or proxy authorization form is to be delivered.

APPROVAL OF RESOLUTIONS

Unless otherwise specified, a simple majority of affirmative votes cast at the meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment as the Corporation's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue 250,000,000 common shares without par or nominal value (the "Shares"), of which 138,664,295 Shares are issued and outstanding.

The holders of Shares at the close of business on November 12, 2002 (the "Record Date") are entitled to vote or to have their Shares voted at the meeting, except to the extent such holder transfers the ownership of his or her Shares after the Record Date, and the transferee of those Shares:

- (a) produces properly endorsed share certificates, or
- (b) otherwise establishes his or her ownership to the Shares, and makes a demand to the Corporation, not later than 10 days before the meeting, that his or her name be included on the shareholders' list for use at the meeting.

On a show of hands, every individual who is present as a shareholder or as an authorized representative of one or more corporate or association shareholders, or who is holding an Instrument of Proxy on behalf of a shareholder who is not present at the meeting, will have one vote. On a poll, every shareholder present in person or represented by an Instrument of Proxy and every person who is a representative of one or more corporate or association shareholders, will have one vote for each Share registered in the shareholder's name on the list of shareholders, which is available for inspection during normal business hours at Pacific Corporate Trust Corporation and will be available at the meeting.

To the knowledge of the directors and senior officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to all the issued and outstanding Shares.

SETTING NUMBER OF DIRECTORS

The Board of Directors presently consists of five directors. At the meeting, shareholders will be called upon to approve an ordinary resolution setting the number of directors of the Corporation at five.

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY INTEND TO VOTE FOR SETTING THE NUMBER OF DIRECTORS OF THE CORPORATION AT FIVE.

ELECTION OF DIRECTORS

The term of office of each of the present directors expires at the meeting. Management of the Corporation proposes to nominate the persons named below for election as directors of the Corporation at the meeting. Each director elected will hold office until the next annual general meeting of the Corporation or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the bylaws of the Corporation or with the provisions of the *Business Corporations Act* (Yukon).

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY INTEND TO VOTE FOR THE ELECTION OF THE NOMINEES WHOSE NAMES ARE SET FORTH HEREIN. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF THESE NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR. IF, PRIOR TO THE MEETING, ANY OF THE NOMINEES IS UNABLE OR DECLINES TO SO SERVE, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY WILL VOTE FOR ANOTHER NOMINEE OF MANAGEMENT IF PRESENTED, OR TO REDUCE THE NUMBER OF DIRECTORS ACCORDINGLY, IN THEIR DISCRETION.

In the following table and notes thereto is stated the name of each person proposed to be nominated by management for election as a director, the country in which he is ordinarily resident, all offices of the Corporation now held by him, his principal occupation, the period of time for which he has been a director of the Corporation, and the number of Shares beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof:

Termination of Employment, Change of Responsibilities and Employment Contracts

On February 28, 2002, the Corporation entered into a settlement agreement, as amended, (the "Darch Agreement") with John M. Darch and WIC to formalize the terms of the termination of an engagement agreement, dated July 1, 2000, between the Corporation, WIC and Mr. Darch, and Mr. Darch's termination as Chief Executive Officer and Chairman of the Corporation. Under the Darch Agreement, the Corporation agreed to pay WIC \$400,000 on March 1, 2002, of which \$200,000 would be used by WIC to subscribe for Shares. Pursuant to the Darch Agreement, all unexercised stock options of the Corporation held by Darch and WIC will expire on March 1, 2003, provided that such date will be extended to March 1, 2004 if permitted by the relevant regulatory authorities. The Darch Agreement further provides that North Pacific GeoPower Corp. ("NPGP"), a subsidiary of the Corporation, will enter into a consulting agreement with WIC for a two year term at \$100,000 per year and that Crew will transfer to WIC 800,000 shares of NPGP.

On February 22, 2002, the Corporation entered into a settlement agreement (the "Barnes Agreement") with Peter D. Barnes to formalize the terms of Mr. Barnes' termination as President and Chief Financial Officer of the Corporation. Under the Barnes Agreement, the Corporation agreed to pay Mr. Barnes \$276,843 on April 1, 2002, representing his then current base salary for approximately 57 weeks. If Mr. Barnes does not find other employment by April 1, 2003, he will be entitled to five monthly payments of \$20,833. If Mr. Barnes has found alternative employment prior to April 1, 2002, the five monthly payments will be reduced by the amount which Mr. Barnes receives as base salary from his new employer. Pursuant to the Barnes Agreement, all unexercised stock options for the Corporation held by Barnes will expire on April 1, 2003.

Except for the above, the Corporation and its subsidiaries have no compensatory plan or arrangement in respect of compensation received or that may be received by the Named Executive Officers.

Compensation Committee

Since May 14, 2002, the Corporation's Compensation Committee has been comprised of Cameron G. Belsher, Kai Thøgersen (Chair) and Jan A. Vestrum. Mr. Vestrum is the Chief Executive Officer and President of the Corporation. Mr. Belsher and Mr. Thøgersen were not officers or employees of the Corporation or a subsidiary of the Corporation during the preceding financial year.

Between July 1, 2001 and May 13, 2002 the Compensation Committee was comprised of Peter D. Barnes, Wayne Fallis and David Williamson. Mr. Barnes is the former President and Chief Financial Officer of the Corporation. Mr. Fallis and Mr. Williamson were not officers or employees of the Corporation or a subsidiary of the Corporation during the preceding financial year.

Report on Executive Compensation

The Compensation Committee is responsible for making recommendations to the Board of Directors regarding the compensation be paid to each of the executive officers of the Company. In addition, the Compensation Committee makes recommendations regarding compensation programs and policies and the granting of options under the Corporation's 1995 Stock Incentive Plan.

The Corporation's compensation program for executive officers consists of three major components: (i) salary and benefits, (ii) bonuses, and (iii) the granting of options under the Corporation's 1995 Stock Incentive Plan.

Base salaries are established by comparison to competitive salary levels of other mining companies of comparable size and complexity. Base salaries are affected by factors particular to the individual, such as experience and level of responsibility.

Bonuses of cash are used to reward executive officers for significant achievements. Bonuses are, generally, discretionary and not granted by reference to any formalized standard. The performance of the particular executive as well as the Corporation is considered in determining whether a bonus will be paid and the amount of such bonus.

The Corporation utilizes grants of stock options under its 1995 Stock Incentive Plan as the long-term incentive portion of its overall compensation for executive officers. Stock options are granted to new executive officers typically upon their commencement of employment with the Corporation. Additional grants are made periodically, consistent with the individuals level of responsibility and performance within the Corporation. Stock options are priced at the closing price of the Shares on The Toronto Stock Exchange on the day preceding the grant, generally vest over 12 months after the date of grant and expire five years after the date of grant.

The compensation of the Chief Executive Officer is determined in accordance with the considerations described above, and in particular, by comparison to competitive compensation packages of Chief Executive Officers of other mining companies of comparable size and complexity.

In general, the Corporation's policies on executive compensation are intended to provide an appropriate compensation for executive officers that is internally equitable, externally competitive and reflects individual achievements.

The Compensation Committee believes that the Corporation's compensation policies have allowed the Corporation to attract and retain a team of talented, motivated and experienced executive officers working towards the common goal of creating and enhancing shareholder value.

(Containing information as at November 7, 2002 unless indicated otherwise)

SOLICITATION OF PROXIES

THIS INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF CREW DEVELOPMENT CORPORATION (THE "CORPORATION") FOR USE AT THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF THE CORPORATION TO BE HELD AT THE TERMINAL CITY CLUB, PRESIDENT'S ROOM, 837 WEST HASTINGS STREET, VANCOUVER, BRITISH COLUMBIA, AT 10:00 A.M. (PACIFIC TIME), ON MONDAY, DECEMBER 16, 2002, OR AT ANY ADJOURNMENTS THEREOF, FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF MEETING.

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Corporation at nominal cost. All costs of solicitation of proxies by management will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY ARE DIRECTORS OF THE CORPORATION. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE INSTRUMENT OF PROXY OR BY COMPLETING ANOTHER PROPER INSTRUMENT OF PROXY.

AN INSTRUMENT OF PROXY MUST BE IN WRITING AND SIGNED BY THE SHAREHOLDER OR BY THE SHAREHOLDER'S ATTORNEY DULY AUTHORIZED IN WRITING OR, IF THE SHAREHOLDER IS A BODY CORPORATE OR ASSOCIATION, SIGNED BY ANY INDIVIDUAL AUTHORIZED BY A RESOLUTION OF THE DIRECTORS OR GOVERNING BODY OF THE BODY CORPORATE OR ASSOCIATION. A PROXY WILL NOT BE VALID UNLESS THE COMPLETED INSTRUMENT OF PROXY AND THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT IS SIGNED, OR A NOTARIAL CERTIFIED COPY THEREOF, IS RECEIVED BY PACIFIC CORPORATE TRUST CORPORATION, 10TH FLOOR - 625 HOWE STREET, VANCOUVER, BRITISH COLUMBIA V6C 3B8 (FAX: (604) 689-8144) NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE COMMENCEMENT OF THE MEETING, OR ANY ADJOURNMENT THEREOF.

A shareholder who has given an Instrument of Proxy may revoke it by an instrument in writing signed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a body corporate or association, signed by any individual authorized by a resolution of the directors or governing body of the body corporate or association, and delivered to the registered office of the Corporation, Suite 200 – 204 Lambert Street, Whitehorse, Yukon Territory Y1A 1Z4, at any time up to and including the last business day preceding the day of the meeting, or any adjournment thereof at which the Instrument of Proxy is to be used, or to the Chair of the meeting on the day of the meeting or any adjournment thereof or in any other manner provided by law. A revocation of an Instrument of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

THE MANAGEMENT REPRESENTATIVES DESIGNATED IN THE ENCLOSED INSTRUMENT OF PROXY WILL VOTE OR WITHHOLD FROM VOTING THE SHARES IN RESPECT OF WHICH THEY ARE APPOINTED PROXY ON ANY POLL THAT MAY BE CALLED FOR IN ACCORDANCE WITH THE INSTRUCTIONS OF THE SHAREHOLDER AS INDICATED ON THE INSTRUMENT OF PROXY AND, IF THE SHAREHOLDER SPECIFIES A CHOICE WITH RESPECT TO ANY MATTER TO BE ACTED UPON, THE SHARES WILL BE VOTED ACCORDINGLY. WHERE NO CHOICE OR WHERE BOTH CHOICES ARE SPECIFIED IN THE INSTRUMENT OF PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED "FOR" THE MATTERS OR PERSONS DESCRIBED THEREIN AND IN THIS INFORMATION CIRCULAR.

The enclosed Instrument of Proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and with respect to other matters that may properly come before the meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the meeting or any other business is properly brought before the meeting, it is the intention of the persons designated in the enclosed Instrument of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter which may be presented to the meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the meeting. Most shareholders of the Corporation are "non-registered" shareholders because the shares they own are not

registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares or a clearing agency. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-102 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Instrument of Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

2. be given an Instrument of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Instrument of Proxy, this Instrument of Proxy is not required to be signed by the Non-Registered Holder when submitting the Instrument of Proxy. In this case, the Non-Registered Holder who wishes to submit an instrument of proxy should otherwise properly complete the Instrument of Proxy and deposit it with Pacific Corporate Trust Company as provided above; or

more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the Instrument of Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Instrument of Proxy, properly complete and sign the Instrument of Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the meeting in person, the Non-Registered Holder should strike out the names of management's representatives named in the Instrument of Proxy and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the instrument of proxy or proxy authorization form is to be delivered.

APPROVAL OF RESOLUTIONS

Unless otherwise specified, a simple majority of affirmative votes cast at the meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment as the Corporation's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue 250,000,000 common shares without par or nominal value (the "Shares"), of which 138,664,295 Shares are issued and outstanding.

The holders of Shares at the close of business on November 12, 2002 (the "Record Date") are entitled to vote or to have their Shares voted at the meeting, except to the extent such holder transfers the ownership of his or her Shares after the Record Date, and the transferee of those Shares:

- (c) produces properly endorsed share certificates, or
- (d) otherwise establishes his or her ownership to the Shares, and makes a demand to the Corporation, not later than 10 days before the meeting, that his or her name be included on the shareholders' list for use at the meeting.

On a show of hands, every individual who is present as a shareholder or as an authorized representative of one or more corporate or association shareholders, or who is holding an Instrument of Proxy on behalf of a shareholder who is not present at the meeting, will have one vote. On a poll, every shareholder present in person or represented by an Instrument of Proxy and every person who is a representative of one or more corporate or association shareholders, will have one vote for each Share registered in the shareholder's name on the list of shareholders, which is available for inspection during normal business hours at Pacific Corporate Trust Corporation and will be available at the meeting.

To the knowledge of the directors and senior officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to all the issued and outstanding Shares.

SETTING NUMBER OF DIRECTORS

The Board of Directors presently consists of five directors. At the meeting, shareholders will be called upon to approve an ordinary resolution setting the number of directors of the Corporation at five.

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY INTEND TO VOTE FOR SETTING THE NUMBER OF DIRECTORS OF THE CORPORATION AT FIVE.

ELECTION OF DIRECTORS

The term of office of each of the present directors expires at the meeting. Management of the Corporation proposes to nominate the persons named below for election as directors of the Corporation at the meeting. Each director elected will hold office until the next annual general meeting of the Corporation or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the bylaws of the Corporation or with the provisions of the *Business Corporations Act* (Yukon).

UNLESS SUCH AUTHORITY IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY INTEND TO VOTE FOR THE ELECTION OF THE NOMINEES WHOSE NAMES ARE SET FORTH HEREIN. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF THESE NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR. IF, PRIOR TO THE MEETING, ANY OF THE NOMINEES IS UNABLE OR DECLINES TO SO SERVE, THE PERSONS NAMED IN THE ACCOMPANYING INSTRUMENT OF PROXY WILL VOTE FOR ANOTHER NOMINEE OF MANAGEMENT IF PRESENTED, OR TO REDUCE THE NUMBER OF DIRECTORS ACCORDINGLY, IN THEIR DISCRETION.

In the following table and notes thereto is stated the name of each person proposed to be nominated by management for election as a director, the country in which he is ordinarily resident, all offices of the Corporation now held by him, his principal occupation, the period of time for which he has been a director of the Corporation, and the number of Shares beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof:

Termination of Employment, Change of Responsibilities and Employment Contracts

On February 28, 2002, the Corporation entered into a settlement agreement, as amended, (the "Darch Agreement") with John M. Darch and WIC to formalize the terms of the termination of an engagement agreement, dated July 1, 2000, between the Corporation, WIC and Mr. Darch, and Mr. Darch's termination as Chief Executive Officer and Chairman of the Corporation. Under the Darch Agreement, the Corporation agreed to pay WIC \$400,000 on March 1, 2002, of which \$200,000 would be used by WIC to subscribe for Shares. Pursuant to the Darch Agreement, all unexercised stock options of the Corporation held by Darch and WIC will expire on March 1, 2003, provided that such date will be extended to March 1, 2004 if permitted by the relevant regulatory authorities. The Darch Agreement further provides that North Pacific GeoPower Corp. ("NPGP"), a subsidiary of the Corporation, will enter into a consulting agreement with WIC for a two year term at \$100,000 per year and that Crew will transfer to WIC 800,000 shares of NPGP.

On February 22, 2002, the Corporation entered into a settlement agreement (the "Barnes Agreement") with Peter D. Barnes to formalize the terms of Mr. Barnes' termination as President and Chief Financial Officer of the Corporation. Under the Barnes Agreement, the Corporation agreed to pay Mr. Barnes \$276,843 on April 1, 2002, representing his then current base salary for approximately 57 weeks. If Mr. Barnes does not find other employment by April 1, 2003, he will be entitled to five monthly payments of \$20,833. If Mr. Barnes has found alternative employment prior to April 1, 2002, the five monthly payments will be reduced by the amount which Mr. Barnes receives as base salary from his new employer. Pursuant to the Barnes Agreement, all unexercised stock options for the Corporation held by Barnes will expire on April 1, 2003.

Except for the above, the Corporation and its subsidiaries have no compensatory plan or arrangement in respect of compensation received or that may be received by the Named Executive Officers.

Compensation Committee

Since May 14, 2002, the Corporation's Compensation Committee has been comprised of Cameron G. Belsher, Kai Thøgersen (Chair) and Jan A. Vestrum. Mr. Vestrum is the Chief Executive Officer and President of the Corporation. Mr. Belsher and Mr. Thøgersen were not officers or employees of the Corporation or a subsidiary of the Corporation during the preceding financial year.

Between July 1, 2001 and May 13, 2002 the Compensation Committee was comprised of Peter D. Barnes, Wayne Fallis and David Williamson. Mr. Barnes is the former President and Chief Financial Officer of the Corporation. Mr. Fallis and Mr. Williamson were not officers or employees of the Corporation or a subsidiary of the Corporation during the preceding financial year.

Report on Executive Compensation

The Compensation Committee is responsible for making recommendations to the Board of Directors regarding the compensation be paid to each of the executive officers of the Company. In addition, the Compensation Committee makes recommendations regarding compensation programs and policies and the granting of options under the Corporation's 1995 Stock Incentive Plan.

The Corporation's compensation program for executive officers consists of three major components: (i) salary and benefits, (ii) bonuses, and (iii) the granting of options under the Corporation's 1995 Stock Incentive Plan.

Base salaries are established by comparison to competitive salary levels of other mining companies of comparable size and complexity. Base salaries are affected by factors particular to the individual, such as experience and level of responsibility.

Bonuses of cash are used to reward executive officers for significant achievements. Bonuses are, generally, discretionary and not granted by reference to any formalized standard. The performance of the particular executive as well as the Corporation is considered in determining whether a bonus will be paid and the amount of such bonus.

The Corporation utilizes grants of stock options under its 1995 Stock Incentive Plan as the long-term incentive portion of its overall compensation for executive officers. Stock options are granted to new executive officers typically upon their commencement of employment with the Corporation. Additional grants are made periodically, consistent with the individuals level of responsibility and performance within the Corporation. Stock options are priced at the closing price of the Shares on The Toronto Stock Exchange on the day preceding the grant, generally vest over 12 months after the date of grant and expire five years after the date of grant.

The compensation of the Chief Executive Officer is determined in accordance with the considerations described above, and in particular, by comparison to competitive compensation packages of Chief Executive Officers of other mining companies of comparable size and complexity.

In general, the Corporation's policies on executive compensation are intended to provide an appropriate compensation for executive officers that is internally equitable, externally competitive and reflects individual achievements.

The Compensation Committee believes that the Corporation's compensation policies have allowed the Corporation to attract and retain a team of talented, motivated and experienced executive officers working towards the common goal of creating and enhancing shareholder value.
