Respondents are delinquent in their periodic filings with the Commission, have repeatedly failed to meet their obligations to file timely periodic reports, and failed to heed delinquency letters sent to them by the Division of Corporation Finance requesting compliance with their periodic filing obligations or, through their failure to maintain a valid address on file with the Commission as required by Commission rules, did not receive such letters.

Exchange Act Section 13(a) and the rules promulgated thereunder require issuers of securities registered pursuant to Exchange Act Section 12 to file with the Commission current and accurate information in periodic reports, even if the registration is voluntary under Section 12(g). Specifically, Rule 13a-1 requires issuers to file annual reports, and Rule 13a-13 requires domestic issuers to file quarterly reports. Rule 13a-16 requires foreign private issuers to furnish quarterly and other reports to the Commission under cover of Form 6-K if they make or are required to make the information public under the laws of the jurisdiction of their domicile or in which they are incorporated or organized; if they file or are required to file information with a stock exchange on which their securities are traded and the information was made public by the exchange; or if they distribute or are required to distribute information to their security holders.

As a result of the foregoing, Respondents failed to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 or 13a-16 thereunder. Considering their delinquencies, it is necessary and appropriate for the protection of investors to revoke the registrations of each class of Respondents’ registered securities.

IT IS ORDERED THAT, pursuant to Section 12(j) of the Securities Exchange Act of 1934, the registrations of each class of registered securities of AppOnline.com, Inc., AstroPower, Inc., Condor Gold Corp., EPL Technologies, Inc., General Credit Corp., Integra, Inc., Integrated Health Services, Inc., Log On America, Inc., Matlack Systems, Inc., PixTech, Inc., and Virtual Communications, Inc., are revoked.
