The Securities and Exchange Commission (Commission) issued its Order Instituting Proceedings (OIP) on May 6, 2009, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act). The OIP alleges that Respondents are each corporations with a class of equity securities registered with the Commission pursuant to Section 12(g) of the Exchange Act and that each has repeatedly failed to file required periodic reports.

The Division of Enforcement (Division) has provided evidence that all Respondents were served with the OIP in accordance with 17 C.F.R. § 201.141(a)(2)(ii) by May 11, 2009. Respondents' Answers were due ten days from the date of service. See 17 C.F.R. § 201.220(b); OIP at 4. No Answers have been received. Respondent Warning Management Services, Inc., entered into a settlement with the Commission and the proceeding has ended as to it. See Wade Cook Fin. Corp., Exchange Act Release No. 59968 (May 22, 2009).

On May 26, 2009, among other motions, the Division filed a Motion for Default (Motion) against the remaining Respondents. In my Order Postponing Hearing, issued that same day, Respondents were put on notice that failure to file an Answer or an opposition to the Motion would be grounds for finding them in default.

Since the remaining Respondents have not filed an Answer or an opposition to the Motion or otherwise defended the proceeding, they are in default. See 17 C.F.R. §§ 201.155(a)(2), .220(f). Accordingly, the following allegations of the OIP are deemed to be true as to them. See 17 C.F.R. § 201.155(a).

(Worldwide Xceed) (CIK No. 721176), is a Delaware corporation located in New York, New York, with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Worldwide Xceed is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended February 28, 2001, which reported a net loss of over \$55 million for the prior six months. On July 19, 2001, Worldwide Xceed changed its name in the Delaware corporate records to Liquidating WXG, Inc., but failed to report that change to the Commission as required by Commission rules. As of May 1, 2009, Worldwide Xceed's stock (XCEDQ) was quoted on the Pink Sheets, had four market makers, and was eligible for the piggyback exception of Exchange Act Rule 15c2-11(f)(3).

Exchange Act Section 13(a) and the rules promulgated thereunder require issuers of securities registered pursuant to Exchange Act Section 12 to file with the Commission current and accurate information in periodic reports, even if the registration is voluntary under Section 12(g). Specifically, Exchange Act Rule 13a-1 requires issuers to file annual reports, and Exchange Act Rule 13a-13 requires domestic issuers to file quarterly reports.

As a result of the foregoing, each of these Respondents failed to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder. Considering these delinquencies, it is necessary and appropriate for the protection of investors to revoke the registrations of each class of registered securities of the Respondents noted above.
