Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 5, 2006, the Compensation Committee of the Board of Directors of Kadant Inc. (the “Company”), approved and authorized the Company to enter into amended change in control agreements with its chief executive officer, Mr. William A. Rainville, and other officers of the Company, including Mr. Edward J. Sindoni, executive vice president and chief operating officer; Mr. Thomas M. O’Brien, executive vice president and chief financial officer; Mr. Jonathan W. Painter, executive vice president; and Mr. Edwin D. Healy, vice president. The Compensation Committee determined to replace existing change in control agreements, with new agreements having a five-year term expiring on December 31, 2011.

The change in control agreements provide severance payments and benefits to the executive if his employment is terminated, either voluntarily for “good cause” (as defined in the agreement) or involuntarily without good cause within two years after a change in control of the Company. In the event of termination, the executive would receive (i) a pro rata bonus for the year of termination and (ii) a lump sum severance payment equal to two times (three times for Mr. Rainville) the sum of the highest annual salary and bonus (or current year target or reference bonus if higher) within the five years prior to the year of termination. In addition, if the termination occurs after the end of the fiscal year, but before annual bonuses are paid, the executive would receive his bonus for the prior fiscal year.

In addition to the severance payments, the agreements provide that health, welfare and other fringe benefits applicable immediately prior to the termination be continued for a period of two years (three years in the case of Mr. Rainville). The change in control agreements also provide for the immediate vesting of all of the executive’s equity incentive awards upon a change in control.

The change in control agreements also require tax reimbursement payments to executives to mitigate any excise tax imposed on the executive if payments under the agreements are deemed to be “excess parachute payments” under Section 280G of the U.S. Internal Revenue Code.

The form of change in control agreements are filed as exhibit 99.1, for the form relating to the chief executive officer, and exhibit 99.2, for the form relating to all other officers.
