Dear Mr. Millos:

We have reviewed your filing and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to the comment, we may have additional comments.

Form 40-F for the Fiscal Year Ended December 31, 2017

Exhibit 99.2

3. Summary of Significant Accounting Policies

Exploration and evaluation costs and development costs of oil sands properties, page 14

1. You state that when proven and probable reserves are determined and development is completed, capitalized exploration and evaluation costs and capitalized development costs for oil sands properties are reclassified to mineral properties. Please tell us how waiting until development is completed to reclassify these assets complies with paragraph 5(b) of IFRS 6.
