Note 6. Investment in Unconsolidated Affiliate, page 60

1. We note your response to prior comment 2. Please clearly describe to us the error (or errors) you identified in your accounting for income taxes relating to the Stocking investment and explain how it was corrected. Specifically, identify the accounting literature that was incorrectly applied or the income tax positions, calculations, estimates, etc. that needed to be revised. Explain why part of the error related to the fourth quarter of 2012 and another part related to the first quarter of 2013.

Form 8-K dated May 31, 2013 and filed June 5, 2013

3. We note Exhibit A to your response to prior comment 4. It is not clear to us why you deduct intangible assets from the Hamlin assets acquired in your asset test, since Regulation S-X Rule 210.1-02(w) regarding the test for a Significant Subsidiary speaks to your proportionate share of the total assets of the company after intercompany eliminations. Please provide a thorough explanation and tell us why the Item 9.01 of Form 8-K requirement for financial statements and pro forma information is not applicable.

You may contact Dennis Hult, Staff Accountant, at (202) 551-3618 or Kate Tillan, Assistant Chief Accountant, at (202) 551-3604 if you have questions regarding these comments. In this regard, do not hesitate to contact me at (202) 551-3671.

Sincerely,

/s/ Martin James
