Subject: Acceleration Request for Vanguard Managed Payout Funds

I left a voicemail with you on Tuesday, December 4th, but thought it made sense to follow-up with an email to schedule a time to continue our discussion from last Friday concerning any issues or questions the Commission may have in connection with our request to accelerate the effective date of the Managed Payout Funds' filing to next Tuesday, December 11th. Please call or email your availability for today, tomorrow and/or Monday, although sooner would be better given the limited time remaining.
