#### Item 4 Changes in Registrant's Certifying Accountant

On March 2, 2001, the Audit Committees of United Artists Theatre Company ("UA") and United Artists Theatre Circuit, Inc. ("UATC") recommended to their respective Boards of Directors that it was in the best interests of UA, UATC, and their subsidiaries to utilize KPMG Peat Marwick LLP as the companies' independent public accountants. On this same date, the Boards of Directors of UA and UATC voted in favor of the Audit Committees' recommendations; as a result of this action, KPMG Peat Marwick LLP has been appointed as UA's and UATC's independent public accountants to replace Arthur Andersen LLP.

The audit reports of Arthur Andersen LLP on the consolidated financial statements of UA and subsidiaries and UATC and subsidiaries as of December 31, 1998 and December 30, 1999, and for the years ended December 31, 1997 and 1998 and the fifty-two week period ended December 30, 1999, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except as follows: Arthur Andersen LLP's audit reports on the consolidated financial statements of UA and subsidiaries and the consolidated financial statements of UATC and subsidiaries as of and for the fifty-two week periods ended December 30, 1999 contained a separate paragraph regarding substantial doubt about the ability of UA and UATC to continue as going concerns.

During the years ended December 31, 1998, the fifty two week period ended December 30, 1999, and the interim period ended September 28, 2000 there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference to the subject matter of the disagreement in their reports. Additionally, during the above-mentioned periods, there have been no reportable events as defined in Regulation S-K, Item 304.
