Dear Mr. Gottlieb:

We have reviewed your filings and your response letter filed on Edgar on February 2, 2009 and we have the following comments. We have limited our review to only your financial statements and related disclosures and will make no further review of your documents. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comments are inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-K for the Year Ended December 31, 2007

Report of Independent Registered Public Accounting Firm, page 18

1. Please have your auditor update its opinion on the financial statements included within this filing to cover the restatement related to reflecting the sale of your assets to DTS, Inc. as discontinued operations. The updated opinion should include an explanatory paragraph referring to the restatement of the financial statements. Refer to the guidance in AU 420.12.

Consolidated Statement of Operations, page 20

2. We note from your response to our prior comment 1 and your proposed disclosures in the draft amendments to your December 31, 2007 Form 10-K and your March 31, 2008, June 30, 2008 and September 30, 2008 Forms 10-Q that you plan to restate your consolidated statement of operations for the reported periods to reflect the sale of your assets to DTS, Inc. in fiscal 2007 as discontinued operations. Please further revise the filings to include the disclosures required by paragraph 26 of SFAS 154 related to the restatement. Please also clearly label the appropriate financial statements "as restated."
3. Further to the above, please tell us how you have considered the reporting requirements of Item 4.02 Form 8-K as it relates to the restatement of your financial statements included within your December 31, 2007 Form 10-K and March 31, 2008, June 30, 2008 and September 30, 2008 Forms 10-Q.

Note 11. Discontinued Operations, page 3 of proposed Form 10-K/A

4. Please revise to include an introduction to the discontinued operations table that describes the business and assets that are included in discontinued operations and that discloses the general terms of the sale. This comment is also applicable to your amended fiscal 2008 Forms 10-Q.

Item 9A(T) Controls and Procedures, page 30

5. Please refer to our prior comment 2. We note from your proposed disclosures on page 34 of your December 31, 2007 Form 10-K, page 18 of your March 31, 2008 Form 10-Q, page 19 of your June 30, 2008 Form 10-Q, and page 20 of your September 30, 2008 Form 10-Q related to this comment that your current management has concluded that "the material weakness cited within [your] *internal controls and procedures* were ineffective to ensure that the information required to be disclosed would be disclosed." It does not appear that your certifying officers have reached a conclusion that your *disclosure controls and procedures* were ineffective as of the end of the latest reporting period covered by these reports. Please revise to include a clear and definite statement that discloses your certifying officers' conclusions as to whether your *disclosure controls*

and procedures were effective or were not effective as of the end of the latest reporting period covered by report identified above.

6. In addition, we note the disclosure that while prior management had concluded that disclosure controls and procedures were effective at December 31, 2007, March 31, 2008, June 30, 2008 and September 30, 2008, respectively, following the change in control the new management concluded otherwise. That disclosure may be confusing to an investor. Please revise the applicable section in each filing to remove that disclosure and to include a clear and definite statement that discloses your certifying officers' conclusions as to whether your *disclosure controls and procedures* were effective or were not effective as of the end of the latest reporting period covered by each report. As applicable, clearly explain why disclosure and procedure were not effective and describe any material weaknesses identified.
7. We note your response to prior comment 3 but we note no revisions to the language addressed in the comment. Notwithstanding the above comments, as previously requested, in future filings beginning with the planned amendments, please remove the superfluous language following the word "effective" or "ineffective", or revise the disclosure so that the language is substantially similar in all material respects to the language that appears in the entire two-sentence definition of "disclosure controls and procedures" set forth in Rule 13a-15(e).
8. We note your response to our prior comment 4 and your proposed disclosures. Please address the following comments:
 - Please include management's report over its internal control over financial reporting within Item 9 rather than as Exhibit 10.12 to the filing.
 - Please revise your disclosure to include a statement of management's responsibility for establishing and maintaining *adequate* internal control over financial reporting rather than *effective* internal control over financial reporting.
 - It is unclear from your proposed disclosure the date on which you are assessing the effectiveness of your internal control over financial reporting. Please revise your disclosure to include your assessment of the effectiveness of your internal control over financial reporting *as of the end of the most recent fiscal year*, which in your case is December 31, 2007.
 - Please revise to disclose any material weaknesses in your internal control over financial reporting identified by management. In this regard, also revise to disclose the specific steps that the company has taken, if any, to remediate the material weakness.

Refer to the guidance in Item 308(T) of Regulation S-K.

Exhibit 31.1

9. Please refer to prior comments 4 and 8. We note your certifications filed pursuant to Exchange Act Rule 13a-14(a) included within your proposed filings are still not in the exact form prescribed by Item 601(b)(31) of Regulation S-X. For instance, we note that you excluded a portion of the introductory language of paragraph 4. Please revise your filings to include revised certifications that conform to the exact wording required by Item 601(b)(31) of Regulation S-X.
10. Further to the above, please revise to include *separate* certifications from each of your certifying officers. Refer to Question 16 of the Division of Corporation Finance: Sarbanes-Oxley Act of 2002 – Frequently Asked Questions which you can find at <http://www.sec.gov/divisions/corpfin/faqs/soxact2002.htm>.

Form 10-Q for the Quarterly Period Ended September 30, 2008

11. We note that the cover page of the draft Form 10-Q for the period ended September 30, 2008 refers to June 30, 2008. Please revise to reference the period ended September 30, 2008.

Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
