Dear Fellow Stockholder:

On behalf of the board of directors and management of Centrue Financial Corporation, we cordially invite you to attend the annual meeting of stockholders of Centrue Financial. The meeting will be held at 10:00 a.m., on Friday, April 23, 2004, at the offices of Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLC, located at 333 West Wacker Drive, Suite 2700, Chicago, Illinois 60606.

The individual whom our nominating committee has nominated to serve as a director is an incumbent director. In addition to the election of one director, stockholders are being asked to approve an amendment to the Centrue Financial 2003 Stock Incentive Plan to increase the authorized shares of common stock available under the plan. Additionally, our audit committee has selected and we recommend that you ratify the appointment of McGladrey & Pullen, LLP, to continue as our independent auditors. Accordingly, your board of directors unanimously recommends that you vote your shares for the director nominee and in favor of the amendment as well as the ratification of our accountants.

We encourage you to attend the meeting in person. **Whether or not you plan to attend, however, please read the enclosed proxy statement and then complete, sign and date the enclosed proxy card and return it in the accompanying postpaid return envelope as promptly as possible.** This will save us additional expense in soliciting proxies and will ensure that your shares are represented at the meeting.

A copy of our annual report to stockholders for the year 2003 is also enclosed. Thank you for your attention to this important matter.

Very truly yours,

Michael A. Griffith
Chairman of the Board

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS April 23, 2004

This proxy statement is being furnished to stockholders in connection with the solicitation by our board of directors of proxies to be used at the annual meeting to be held at the offices of Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLC, located at 333 West Wacker Drive, Suite 2700, Chicago, Illinois, on Friday, April 23, 2004 at 10:00 a.m., or at any adjournments or postponements of the meeting. The accompanying notice of meeting, proxy card and this proxy statement are first being mailed to stockholders on or about March 19, 2004.

The following is information regarding the meeting and the voting process, presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 2, 2004, the record date for the annual meeting, you owned shares of Centruet Financial common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the form, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of one director of Centruet Financial for a term expiring in 2007 as well as an amendment to the Centruet Financial Corporation 2003 Stock Incentive Plan to increase the authorized common stock from 233,000 shares to 400,000 shares. Additionally, you are being asked to ratify McGladrey & Pullen, LLP to serve as our independent auditors for the 2004 fiscal year. These matters are more fully described in this proxy statement.

How do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the form to provide voting instructions, the shares represented by your proxy card will be voted “for” the nominee named in this proxy statement, “for” amending the Stock Incentive Plan and “for” the ratification of our auditors.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as “street name”), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

What does it mean if I receive more than one proxy card from us?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return all proxy cards to ensure that all your shares are voted.

If I hold shares in the name of a broker, who votes my shares?

If you received this proxy statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker’s responsibility to vote your shares for you in the manner you direct. Please complete, execute and return the proxy card in the envelope provided by your broker.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the election of directors and the ratification of independent auditors, but cannot vote on non-routine matters, such as the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on a non-routine matter and your broker does not have discretionary authority to vote on these matters, the broker will return the proxy form to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a “broker non-vote” and will affect the outcome of the voting as described below, under “How many votes are needed for approval of each proposal?” Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- signing another proxy with a later date and returning that proxy to our proxy solicitor;
- sending notice to us that you are revoking your proxy; or
- voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- is present in person at the meeting; or
- has properly submitted a signed proxy card.

On March 2, 2004, the record date, there were 2,607,816 shares of common stock issued and outstanding. Therefore, at least 1,303,909 shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. You cannot vote for more than one nominee. The board has no reason to believe the nominee will be unable to stand for re-election or serve for his term if re-elected.

What options do I have in voting on each of the proposals?

You may vote “for” or “withhold authority to vote for” the nominee for director. You may vote “for,” “against” or “abstain” on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for election of directors, the amendment to the Stock Incentive Plan or the ratification of our auditors.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

The individual receiving the highest number of votes cast “for” election will be elected as a director of Centru Financial.

The amendment to the stock incentive plan, the ratification of our auditors and all other matters, must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present.

Where do I find the voting results of the meeting?

We will announce the results of the voting as soon as possible after the meeting. We will also disclose the voting results in our Form 10-Q for the quarter ended June 30, 2004.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. We have retained Morrow & Company to assist, as necessary, in the solicitation of proxies, for a fee estimated to be approximately \$5,000 plus reasonable out-of-pocket expenses. In addition to solicitations by mail, officers, directors or employees of Centru Financial or Centru Bank may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

General

Our board of directors currently consists of five members. The board is divided into three classes and one class of directors is elected annually. Our directors are generally elected to serve for a three-year period or until their respective successors are elected and qualified.

The table below sets forth information regarding the nominee for director and the individuals who will continue as directors, including each director’s term of office. It is intended that the proxies solicited on behalf of the board of directors (other than proxies in which the vote is withheld as to a nominee) will be voted at the annual meeting **FOR** the election of the nominee identified below. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of a substitute nominee recommended by our nominating committee. At this time, we do not know of any reason why the nominee may refuse or be unable to serve as a director, if re-elected. There are no arrangements or understandings between the nominee and any other person pursuant to which a nominee was selected.

The board of directors unanimously recommends that stockholders vote **FOR** the nominee.

NOMINEE				
Name	Age	Position(s) Held in Centrue Financial	Director Since	Term to Expire
Michael A. Griffith	45	Chairman of the Board and Director	2002	2007
CONTINUING DIRECTORS				
Michael J. Hejna	50	Director	2003	2005
Thomas A. Daiber	46	President, Chief Executive Officer and Director	2003	2006
Mark L. Smith	54	Director	2001	2006
Wesley E. Walker	68	Director	1992	2006

In 2002, Mr. Griffith was appointed to the board after a search conducted by the nominating committee, which included discussions with several stockholders who own more than 5% of our common stock. Mr. Griffith was appointed to serve on the board in connection with an agreement with an investment group led by Jeffrey L. Gendell. Pursuant to that agreement, the board agreed to appoint Mr. Griffith to the board and Mr. Gendell agreed, among other things, to keep his group’s aggregate beneficial ownership below 9.99% of our stock, to vote in favor of the board’s recommendations on matters presented to the stockholders at the 2003 annual meeting, and otherwise not to seek to control our board, management or policies. This agreement expired in December, 2003.

No member of the board of directors is related to any other member of the board of directors. The business experience of each continuing director and nominee is set forth below. All directors have held their present positions for at least five years unless otherwise indicated.

Thomas A. Daiber. Mr. Daiber is the President and Chief Executive Officer of Centrue Financial and Centrue Bank. Prior to joining Centrue Financial in October, 2003, Mr. Daiber had served as Chairman, President

and Chief Executive Officer of Aviston Financial Corporation and Chairman and Chief Executive Officer of the State Bank of Aviston, headquartered in Aviston, Illinois, from October, 2002 to October, 2003. Mr. Daiber served as Allegiant Bancorp, Inc.’s Chief Financial Officer from May, 1999 until March, 2003. Mr. Daiber was employed by Allegiant Bancorp in St. Louis beginning in March, 1997 and served as its Director of Internal Auditing prior to becoming Chief Financial Officer.

Michael A. Griffith. Mr. Griffith has served on the board of both Centru Financial and Centru Bank since December, 2002 and as Chairman of Centru Financial since January, 2003 and of Centru Bank since February, 2003. Mr. Griffith was most recently Chairman and Chief Executive Officer of ChiRex Inc., a contract manufacturer of active pharmaceutical ingredients. He is a graduate of Northwestern University’s Kellogg School of Management and has over 15 years of experience in commercial and investment banking.

Michael J. Hejna. Mr. Hejna is a director of Centru Financial and Centru Bank. Since 1988, Mr. Hejna has served as President and Chief Executive Officer of Gundaker Commercial Group, Inc., a full service commercial real estate firm where he created and manages a \$500 million real estate portfolio. From 1978 through 1988, Mr. Hejna held various positions with three financial institutions focusing on lending and real estate transactions.

Mark L. Smith. Mr. Smith is President of Smith, Koelling, Dykstra and Ohm, P.C., a certified public accounting firm located in Bourbonnais, Illinois and managing member of Solutions for Wealth Management, LLC, a financial planning and investment advisory firm also located in Bourbonnais, Illinois. In 1972, Mr. Smith received his certified public accountant certificate and in 1995 was accredited as a personal financial specialist by the American Institute of Certified Public Accountants.

Wesley E. Walker. Mr. Walker is the former Chairman of the Riverside Medical Center Foundation. Mr. Walker served as Executive Director of the YMCA located in Kankakee for 25 years, from 1970 to 1995. He was responsible for oversight of the YMCA’s facility and 90 employees. In connection with his involvement in the YMCA, Mr. Walker has received many awards, including the National YMCA’s “Award of Excellence”, which he received in 1991 in recognition of his leadership abilities. He has also served as vice chairman of the Kankakee Area Chamber of Commerce board of directors. Since his retirement from the YMCA, he has been a consultant to seven local non-profit organizations.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that the directors, executive officers and persons who own more than 10% of our common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the exchange on which the shares of common stock are traded. These persons are also required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms furnished to us and, if appropriate, representations made to us by any reporting person concerning whether a Form 5 was required to be filed for 2003, we are not aware of any failures to comply with the filing requirements of Section 16(a) during 2003 with the exception of the following: one late Form 4 for Mr. Charles Smith reporting the exercise of 3,200 options into shares of common stock; one late Form 4 for Mr. Daiber reporting the grant of 20,000 options; one late Form 4 filing for Mr. Lindstrom reporting the grant of 15,000 options; one late Form 4 filing for Mr. Griffith reporting the grant of 20,000 options; and one late Form 5 for Mr. Walker reporting the gifting of 140 shares of common stock.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

Our board of directors currently consists of five members. Generally, the board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the board does not involve itself in the day-to-day operations of Centru Financial, which is monitored by our executive officers and management. Our directors fulfill their duties and responsibilities by attending regular meetings of the board, to be held six times a year, and through committee membership, which is discussed below. Our directors also discuss business and other matters with Mr. Daiber, our President and Chief Executive Officer, other key executives and our principal external advisers (legal counsel, auditors and other consultants). All members of our board of directors also serve as members of Centru Bank’s board of directors.

The board has determined that, with the exception of Mr. Daiber, all of our current directors are “independent” as defined by the American Stock Exchange. The board of directors currently has an Audit Committee and has an Executive Committee, which is responsible for compensation, nomination and corporate governance matters. Consistent with the American Stock Exchange listing requirements, the independent directors regularly have the opportunity to meet in “executive session” without Mr. Daiber in attendance.

Our board of directors held 14 meetings during 2003. All of the directors attended at least 75% of the board meetings and meetings of committees of which they were members. While we do not have a specific policy regarding attendance at the annual stockholders meeting, all directors are encouraged to participate in the meeting. All of the current directors who were directors at the time of last year’s annual meeting attended the meeting.

There have been changes in the board membership since the 2003 annual meeting of stockholders. Mr. Daiber joined the board in October, 2003 when he became our President and Chief Executive Officer after our acquisition of Aviston Financial Corporation. Mr. Hejna was also a director of Aviston and joined our board after the acquisition. William Cheffer and Larry Huffman resigned from the board in 2003 and Brenda Baird resigned in January, 2004.

Audit Committee

The Audit Committee is currently comprised of Messrs. Smith, Griffith and Hejna, with Mr. Smith serving as Chairman of the committee. In 2003, Mr. Walker also served on the committee. The board has determined that each of the current members is considered “independent” in accordance with the American Stock Exchange listing requirements and the regulations of the Securities and Exchange Commission. Further, the board has determined that each of Mr. Griffith and Mr. Smith qualifies as an “audit committee financial expert” under the rules of the Securities and Exchange Commission. The board based this decision regarding Mr. Griffith on his education, his previous experience as Chief Executive Officer and Chief Financial Officer of ChiRex, Inc. and his professional experience in commercial and investment banking. In regard to Mr. Smith, the board based its decision on his education and his professional experience, including serving as President of a public accounting firm and as managing member of a financial planning and investment advisory firm.

The functions performed by the audit committee include, but are not limited to, the following:

- overseeing our accounting and financial reporting;
- selecting, appointing and overseeing our independent auditors, including the pre-approval of all engagements and fee arrangements;
- reviewing actions by management on recommendations of the independent auditors and internal auditors;
- meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures; and

- reviewing reports of bank regulatory agencies and monitoring management’s compliance with recommendations contained in those reports.

To promote independence of the audit function, the committee consults separately and jointly with the independent auditors, the internal auditors and management. In 2003, the committee met nine times. The Audit Committee has adopted a written charter, which sets forth the committee’s duties and responsibilities. Our current charter is attached to this proxy statement as Appendix A and is available on our website at www.centtrue.com.

Executive Committee

Currently, the Executive Committee serves as the committee performing the compensation, nominating and corporate governance functions of the board. Messrs. Griffith, Smith and Walker serve on the committee, with Mr. Griffith serving as the Chairman. The board has determined that each of the members is considered “independent” in accordance with the American Stock Exchange listing requirements. In its capacity as the compensation committee, the Executive Committee’s role is to determine the salary and bonus to be paid to Mr. Daiber, our Chief Executive Officer, and to our other executive officers. It also administers our equity based plans and meets either independently or in conjunction with our full board of directors to grant options to eligible individuals in accordance with the terms of the plans. In its role as the nominating committee, the committee is charged with identifying and nominating individuals to be presented to our stockholders for election or re-election to the board of directors. The committee also reviews and monitors our policies, procedures and structure as they relate to corporate governance.

During the first part of 2003, there was a separate Nominating Committee and Compensation and Governance Committee. In May 2003, these two committees were combined to facilitate and streamline the search process for a Chief Executive Officer and the members included Messrs. Griffith, Smith and Walker and Ms. Baird. In January, 2004, a separate Nominating and Governance Committee was reestablished and the compensation responsibilities were assigned to the Executive Committee. Later in January, 2004, the Nominating and Governance Committee was folded into the Executive Committee.

The Executive Committee’s responsibilities and functions are further described in its charter, which was adopted in March, 2004 and is available on our website at www.centtrue.com. The Executive Committee met six times in 2003 and the committees performing the compensation function and the nominating function met eight times.

Director Nominations and Qualifications

For the 2004 annual meeting of stockholders, the independent disinterested members of the Executive Committee nominated Mr. Griffith, an incumbent director, for re-election to the board. The independent disinterested members of the full board ratified and approved the nomination at its March, 2004 meeting. The Nominating and Governance Committee and the disinterested independent members of the board had previously considered two candidates, Ms. Baird and Mr. Griffith. Prior to a final determination with respect to nominations, Ms. Baird resigned from the board in January, 2004. The board did not receive any stockholder nominations for the 2004 annual meeting.

Pursuant to its charter, the Executive Committee evaluates all potential nominees for election, including incumbent directors, nominees brought forth by an incumbent director or officer, and any stockholder nominees, in the same manner. The committee meets from time to time, as necessary, to consider whether incumbent directors and any other potential nominees brought to the committee’s attention are qualified to be nominated for director and who they will nominate. Generally, the committee believes that, at a minimum, its nominees should possess certain qualities, including the highest personal and professional ethics and integrity, a sufficient educational and professional background, demonstrated leadership skills, sound judgment, a strong sense of service to the communities which we serve, exemplary management and communications skills, as well as an ability to meet the standards and duties set forth in our code of conduct. It is also expected that directors should be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and that they should be committed to serve on the board for an extended period of time. Nominees and directors may not serve on the boards of directors of more than three companies subject to the reporting requirements of the Securities Exchange Act of 1934.

Further, nominees must beneficially own at least 1,000 shares of Centru Financial common stock prior to being nominated by the Executive Committee. Additionally, nominees and directors must agree to maintain beneficial ownership in our common stock in an amount equal to at least \$100,000. A nominee shall have five years from the time he or she is elected to the board to meet the ownership requirement. Common stock attributed to the director through the Non-Employee Directors’ Deferred Compensation Plan will count toward the requirement, but the value of any unexercised stock options will not.

The committee also evaluates potential nominees to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members and to determine whether they are “independent” in accordance with the American Stock Exchange requirements to ensure that at least a majority of the directors will, at all times, be independent. The committee did not retain any third party to assist it in identifying candidates for the upcoming stockholders meeting, although it may in the future if the committee believes it is necessary.

A

Code of Ethics

We have a code of conduct in place that applies to all of our directors and employees. The code sets forth the standard of ethics that we expect all of our directors and employees to follow, including our Chief Executive Officer and Chief Financial Officer. The code of conduct is posted on our website at www.centrue.com. We intend to satisfy the disclosure requirements under Item 10 of Form 8-K regarding any amendment to or waiver of the code with respect to our Chief Executive Officer and Chief Financial Officer, and persons performing similar functions, by posting such information on our website.

Director Compensation

Each director of Centrue Financial is also currently a director of Centrue Bank. In May, 2003, the board set director compensation for the remainder of the year. As established, each director earned \$1,000 for each board meeting attended and \$500 for each committee meeting attended. Additionally, the Chairman of the Board was paid a retainer of \$56,250 in 2003 (\$75,000 annualized), the Chairman of the Audit Committee was paid a retainer of \$30,000 in 2003 (\$40,000 annualized) and the Chairman of the committee handling compensation, nominating and corporate governance matters was paid a retainer of \$15,000 in 2003 (\$20,000 annualized). Each director serving on the board of directors after the 2003 annual meeting of stockholders also received options to purchase 5,000 shares of our common stock and Mr. Griffith received options to purchase 20,000 shares of common stock in connection with the announcement of the merger transaction with Aviston Financial Corporation.

The board changed the terms of director compensation for 2004 in conjunction with the reduction in the number of regular board meetings from twelve to six per year. Directors will receive \$2,500 for every Centrue Financial board meeting attended and \$500 for each committee meeting attended. Each director will also receive \$2,000 for each Centrue Bank board meeting attended and \$500 for each committee meeting attended. Additionally, each director will receive \$1,000 for each ad hoc and telephonic meeting attended, and \$1,000 for each loan committee meeting attended. The Chairman of the Board will receive a retainer of \$18,750 per calendar quarter, and the Chairman of the Audit Committee will receive a retainer of \$10,000 per calendar quarter. After each annual meeting of stockholders, each independent director will also receive options to purchase 5,000 shares of common stock pursuant to the 2003 Stock Incentive Plan.

Pursuant to the Centrue Financial Corporation Non-Employee Directors’ Deferred Fee Plan, a director may elect to receive his or her director fees either in cash on a quarterly basis with no deferral of income, or to defer receipt of all or a portion of such compensation until a time following termination of such director’s service on the board or age sixty-five (65). Amounts deferred will be converted into phantom stock units with each such unit representing a share of our common stock plus dividends and distributions of amounts credited under the account may be made in shares of our common stock or, at the election of the participating director, in cash. During 2003, Mr. Griffith and Mr. Smith each deferred \$20,000 of their director fees pursuant to the plan.

Employment Agreements

We have entered into employment agreements with certain of our executive officers, including Messrs. Daiber, Lindstrom, Rench and Roseland, as well as with Ms. Hoekstra.

Employment Agreements with Messrs. Daiber and Lindstrom. We have entered into employment agreements with Mr. Daiber and Mr. Lindstrom. The agreements provide for an initial base salary of \$250,000 for Mr. Daiber and \$175,000 for Mr. Lindstrom, which may be maintained or increased during the term in accordance with our established management compensation policies and plans. The agreements have “evergreen” terms of three years for Mr. Daiber and two years for Mr. Lindstrom, unless terminated by either party on 30 days’ prior written notice. The agreements also provide for a performance bonus of up to 50% of each of their respective base salaries and benefits including the grant of an option to purchase 20,000 shares of common stock for Mr. Daiber and 15,000 shares for Mr. Lindstrom, pursuant to the terms of the Stock Incentive Plan.

If Mr. Daiber’s employment is terminated without cause, as defined in the employment agreement, we will be obligated to pay an amount equal to three times 125% of his base salary and to provide health insurance during the continuation period under federal employee benefit laws. If Mr. Lindstrom’s employment is terminated without cause we will be obligated to pay an amount equal to two times his base salary and to provide health insurance during the continuation period under federal employee benefit laws. We will have no continuing obligation to them if they voluntarily terminate employment or if we terminate them for cause, except that we will be obligated to pay them the accrued salary and benefits through the effective date of the termination of employment.

If either Mr. Daiber or Mr. Lindstrom voluntarily terminates his employment, or his employment is involuntarily terminated, within one year after a change of control of Centrue Financial, then Mr. Daiber will be entitled to the same cash payment and benefits he would have been entitled to if terminated by Centrue Financial without cause and Mr. Lindstrom will be entitled to receive a cash payment equal to three times his base salary. In addition, they will have the right to terminate their employment and receive the same severance as if Centrue Financial had terminated them without cause if they are constructively discharged as described in the agreements. In general, they will have been constructively discharged if they are removed from their positions, if they are relocated

by more than 50 miles or if we commit a material breach of our obligations under the agreements. Additionally, Mr. Daiber will have been constructively discharged if he is not re-elected to the board of directors.

Additionally, the agreements include a covenant limiting their ability to compete with Centru Financial or its affiliates in an area encompassing a 25-mile radius of the counties in which they operate for a period of one year following a termination of his employment. The geographic area covered by this provision constitutes a portion of Centru Financial’s primary market area.

Employment Agreement with Messrs. Rench and Roseland and Ms. Hoekstra. We have also entered into employment agreements with Messrs. Rench and Roseland and Ms. Hoekstra. The agreements have one year terms and provide for initial base salaries of \$135,000 for each of Mr. Rench and Ms. Hoekstra and \$110,000 for Mr. Roseland, each of which may be maintained or increased during the term in accordance with our established management compensation policies and plans. The agreements also provide for a performance bonus of up to 25% of each of their respective base salaries, and the agreements included the grant of an option to purchase 5,000 shares of common stock pursuant to the terms of the Stock Incentive Plan.

If their employment is terminated without cause, as defined in the employment agreements, we will be obligated to pay an amount equal to one time his or her base salary and to provide health insurance for a one year period following the termination. We will have no continuing obligation to if they voluntarily terminate employment or if we terminate them for cause, except that we will be obligated to pay them the accrued salary and benefits through the effective date of the termination of employment.

If they voluntarily terminate their employment within six months of a change of control of Centru Financial, or if their employment is involuntarily terminated within one year after such a change of control, then they will be entitled to the same cash payment and benefits they would have been entitled to if terminated by Centru Financial without cause. In addition, they will have the right to terminate their employment and receive the same severance as if Centru Financial had terminated him without cause if they are constructively discharged as described in the agreements. In general, they will have been constructively discharged if they are removed from their positions, if they are relocated by more than 50 miles or if we commit a material breach of our obligations under the agreements.

Additionally, the agreements include a covenant limiting their ability to compete with Centru Financial or its affiliates in an area encompassing a 25-mile radius of the counties in which they operate for a period of one year following a termination of his employment. The geographic area covered by this provision constitutes a portion of Centru Financial’s primary market area.

Report of the Committee on Executive Compensation

The report of the committee below shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent Centru Financial specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

General. We are committed to providing a total compensation program that supports Centru Financial’s long-term business strategy and performance culture and creates a commonality of interest with Centru Financial’s stockholders. The committee is responsible for setting the salaries and overall compensation of the Chief Executive Officer, as well as the other executive officers. It also reviews Centru Financial’s general compensation program for all employees on an ongoing basis. In the first part of 2003, the Compensation Committee performed this function and in May, 2003, it was combined with the Nominating and Governance Committee and was comprised of Messrs. Griffith, Smith and Walker and Ms. Baird, each of whom the board deemed to be “independent” under the rules of the American Stock Exchange. In January, 2004, the compensation responsibilities were assigned to the Executive Committee, which is also made up of “independent” directors.

The general philosophy in making decisions regarding the salaries of the executive officers, after taking into account an examination of compensation at other financial institutions in our geographic region and similar in size, is as follows:

- to provide incentives for executive officers to work toward achieving successful annual results and strategic objectives;
- to provide significant reward for achievement of superior performance;
- to create significant opportunity and incentive for executives to be long-term stockholders;
- to link executive compensation rewards to increases in stockholder value, as measured by favorable long-term results and continued strengthening of Centru Financial's financial condition;
- to provide flexibility to recognize, differentiate, and reward individual performance; and
- to facilitate stock ownership through granting of stock options and restricted stock.

We welcomed many new executive officers in 2003. Mr. Daiber became our Chief Executive Officer in October, 2003 and Mr. Lindstrom became our Chief Financial Officer in July, 2003. Additionally, many existing employees were named to new positions throughout the year. In connection with these changes, we entered into employment contracts with a number of the executive officers, the terms of which are described in this proxy statement.

Base Salary. The committee reviews each executive officer's base salary on an annual basis. The salaries may be adjusted, either up or down, to reflect Centru Financial's financial performance, including, but not limited to, Centru Financial's asset quality, asset growth, earnings per share, net income, net interest margin and expansion of territory. Additionally, base salaries are determined by examining, among other things, the executive officer's level of responsibility, prior experience, time as an employee with the Company, breadth of knowledge and individual performance objectives. When measuring individual performance, the committee considers the individual's efforts in achieving established financial and business objectives, managing and developing employees and enhancing long-term relationships with customers. All of the factors are considered on a subjective basis in the aggregate, and none of the factors is accorded a specific weight. In selected cases, other factors may also be considered.

The base salary paid to Mr. Huffman, who served as President and Chief Executive Officer until his resignation in April, 2003, was based primarily on the terms of his employment contract and the salary levels of other similarly situated financial institutions as well as the Company's performance over the three-year period in which he served as our Chief Executive Officer.

Mr. Daiber, who has served as President and Chief Executive Officer beginning in October, 2003, after the merger of Centru Financial with Aviston Financial Corporation, entered into an employment agreement that was approved by the independent directors. The terms of the employment agreement, including an initial base salary of \$250,000, was established through negotiations with Mr. Daiber and reflects our belief and confidence in Mr. Daiber's skill and expertise in serving as Centru Financial's Chief Executive Officer as well as his ability to guide the organization through the transitions related to its acquisitions, including the Aviston acquisition. The initial salary was also based upon Mr. Daiber's salary in his previous positions at other financial institutions, as well as the salary levels of other similarly situated financial institutions. Pursuant to the terms of the employment agreement, Mr. Daiber's salary is set to be reviewed by the Executive Committee in 2004. At that time, we expect that Mr. Daiber's salary will be set to reflect the factors set forth earlier in this report.

Cash Bonus. We also believe that providing bonuses based on corporate and individual performance is an effective way to incent our employees as well as to retain them for the future. Executive officer bonuses paid in 2003 were based upon a combination of organization wide and individual performance criteria. Mr. Daiber did not

receive a bonus in 2003. His employment contract specifies that he is eligible to receive a bonus of up to 50% of his base salary in the future. The amount of Mr. Daiber’s bonus will be dependent upon the following: overall profitability of Centru Financial, improvement in Centru Financial’s net interest margin, level of growth either through acquisitions or new branches, implementation of a company-wide personnel evaluation and compensation system, establishment of a budget-based management reporting system as well as Mr. Daiber’s general management of the executive officers and other employees.

Long-Term Incentive Compensation. The final component of the executive compensation program is long-term incentive compensation, which includes a 401(k) plan and a stock incentive plan. The 401(k) plan allows the participants to choose between several different investment options, including shares of Centru Financial common stock. Under the 401(k) plan, employees are eligible to redirect up to 50% of their regular basic compensation into a tax-deferred trust, subject to limitations imposed by the Internal Revenue Code. Beginning in 2004, Centru Financial matches 50% of a participant’s deferrals into the plan limited up to 3% of each participant’s salary. All participants are always 100% vested in their salary deferrals and become 100% vested in the matching contributions upon retirement, disability or in accordance with the vesting provisions of the 401(k) plan. Participant accounts are distributed to the individual participants upon termination of employment.

In order to promote equity ownership in Centru Financial by the directors and executive officers, Centru Financial has granted stock options and shares of restricted stock. In the past, the granting of options has been done on a limited basis; however, beginning in 2003, the committee has determined that granting stock options will encourage executive officers to remain in the employ of Centru Financial and will increase their interest in the success of Centru Financial. Therefore, we anticipate granting more stock options in the future. In 2003, we also granted shares of restricted stock, including 11,000 shares to Mr. Daiber, to executive officers, directors and certain employees after the merger with Aviston and announcement of the merger with Parish Bank and Trust.

Conclusion. The committee believes these executive compensation policies and programs effectively serve the interests of stockholders and Centru Financial. The committee believes these policies motivate executives to contribute to our overall future success, thereby enhancing the value of Centru Financial for the benefit of all stockholders. The committee believes that the benefits provided through the stock-based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

Performance Graph

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by us shall not be deemed to include the following performance graph and related information unless such graph and related information are specifically stated to be incorporated by reference into such document.

The following graph shows a five year comparison of cumulative total returns on an investment of \$100 on December 31, 1998 in our common stock, the Standard & Poor’s 500 Stock Index, SNL Midwest Bank Index and the SNL American Stock Exchange Thrift Index. Because Centru Financial is no longer a thrift holding company after the merger with Aviston Financial Corporation, we are replacing the SNL AMEX Thrift Index with the SNL Midwest Bank Index and, beginning next year, the thrift index will no longer be presented. The graph assumes the reinvestment of all dividends received. The graph was prepared by SNL Securities, Charlottesville, Virginia, at our request.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Directors and officers of Centrue Financial and Centrue Bank, and their associates, were customers of and had banking transactions with Centrue Financial and Centrue Bank during 2003. Additional transactions may be expected to take place in the future. All loans by Centrue Bank to its senior officers and directors are subject to the rules and regulations of the Office of Banks and Real Estate, the Federal Deposit Insurance Corporation and the Securities and Exchange Commission. A commercial bank is generally prohibited from making loans to its senior officers and directors at favorable rates or on terms not comparable to those prevailing to the general public. All outstanding loans, commitments to loan, transactions in repurchase agreements and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

In 2003, we paid approximately \$150,000 in real estate development fees related to the development, construction and purchase of a new branch in Fairview Heights, Illinois, to a company in which Mr. Hejna is an executive officer. This one time payment was originally contracted with Aviston Financial Corporation and we paid it after the merger. Our management believes that the transaction was no less favorable to us than if the services were obtained from a non-affiliated party. The continuing construction and development of the project has been transferred to a non-affiliated party in order to preserve Mr. Hejna's independence as a director.

AUDIT COMMITTEE REPORT

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by us shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The audit committee assists the board in carrying out its oversight responsibilities for our financial reporting process, audit process and internal controls. The committee also reviews the audited financial statements and recommends to the board that they be included in our annual report on Form 10-K. The committee is comprised solely of independent directors. The current charter is attached to this proxy statement as Appendix A.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. McGladrey & Pullen, LLP, our independent auditor, is responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards. Centrue Financial outsources the internal audit function to a third party that reports directly to the audit committee and management. This third party is responsible for objectively reviewing and evaluating the adequacy, effectiveness and quality of our system of internal controls relating to the reliability and integrity of our financial information. The audit committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace our independent auditors.

The audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2003 with our management and McGladrey & Pullen, LLP, our independent auditors. The committee has also discussed with McGladrey & Pullen, LLP the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards) as well as having received and discussed the written disclosures and the letter from McGladrey & Pullen, LLP required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). Based on the review and discussions with management and McGladrey & Pullen, LLP the committee has recommended to the board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ending December 31, 2003 for filing with the Securities and Exchange Commission.

AMEND THE CENTRUE FINANCIAL CORPORATION 2003 STOCK INCENTIVE PLAN

At the annual meeting, stockholders will be asked to approve the amendment of the Centru Financial Corporation 2003 Stock Incentive Plan. The board of directors is asking the stockholders to approve increasing the number of shares reserved for issuance under the 2003 Stock Incentive Plan from 233,000 shares to 400,000 shares. The board believes that it is important to increase the number of shares available under the Plan because the board intends to continue its use of equity based compensation for its employees and directors and in conjunction with future potential mergers and acquisitions. As of March 2, 2004, we had 100,200 shares remaining available under the plan.

Administration

The Stock Incentive Plan is to be administered by the Executive Committee which will be comprised of at least two independent directors appointed by our board of directors. The committee will have the authority to select the directors, officers and employees to whom awards may be granted, to determine the terms of each award, to interpret the provisions of the Stock Incentive Plan and to make all other determinations that it may deem necessary or advisable for the administration of the Stock Incentive Plan.

The Stock Incentive Plan provides for the grant of “incentive stock options,” as defined under Section 422(b) of the Internal Revenue Code of 1986, as amended, options that do not so qualify (“nonstatutory options”), restricted stock and stock appreciation rights, as determined in each individual case by the Executive Committee. Currently, 233,000 shares of common stock have been reserved for issuance under the Stock Incentive Plan. The amendment, if approved by stockholders, will increase the amount reserved to 400,000. In general, if any award (including an award granted to a non-employee director) granted under the Stock Incentive Plan expires, terminates, is forfeited or is cancelled for any reason, the shares of common stock allocable to that award may again be made subject to an award granted under the Stock Incentive Plan.

Awards

Directors, officers and employees of Centru Financial and Centru Bank are eligible to receive grants under the Stock Incentive Plan. Options may be granted subject to a vesting requirement and will become fully vested upon a merger or change of control of Centru Financial. The exercise price of incentive stock options granted under the Stock Incentive Plan must at least equal the fair market value of the common stock subject to the option (determined as provided in the plan) on the date the option is granted. The exercise price of nonstatutory options and stock appreciation rights will be determined by the committee. Under the terms of the plan and in connection with the listing standards of the American Stock Exchange, no option may be repriced to reduce the exercise price without stockholder approval (except in connection with a change in Centru Financial’s capitalization).

An incentive stock option granted under the Stock Incentive Plan to an employee owning more than 10% of the total combined voting power of all classes of capital stock of Centru Financial is subject to the further restriction that such option must have an exercise price of at least 110% of the fair market value of the shares of common stock issuable upon exercise of the option (determined as of the date the option is granted) and may not have an exercise term of more than five years. Incentive stock options are also subject to the further restriction that the aggregate fair market value (determined as of the date of grant) of common stock as to which any such incentive stock option first becomes exercisable in any calendar year, is limited to \$100,000. To the extent options covering more than \$100,000 worth of common stock first become exercisable in any one calendar year, the excess will be nonstatutory options. For purposes of determining which, if any, options have been granted in excess of the \$100,000 limit, options will be considered to become exercisable in the order granted.

Each director, officer and key employee eligible to participate in the Stock Incentive Plan will be notified by the committee. To receive an award under the Stock Incentive Plan, an award agreement must be executed which specifies the type of award to be granted, the number of shares of common stock (if any) to which the award relates, the terms and conditions of the award and the date granted. In the case of an award of options, the award agreement will also specify the price at which the shares of common stock subject to the option may be purchased, the date(s) on which the option becomes exercisable and whether the option is an incentive stock option or a nonstatutory option.

The full exercise price for all shares of common stock purchased upon the exercise of options granted under the Stock Incentive Plan may be paid by cash, award surrender or common stock owned at the time of exercise, as directed by the compensation committee. Incentive stock options granted to employees under the Stock Incentive Plan may remain outstanding and exercisable for ten years from the date of grant or until the expiration of three months (or such lesser period as the compensation committee may determine) from the date on which the person to whom they were granted ceases to be employed by Centru Financial. Nonstatutory options and stock appreciation rights granted under the Stock Incentive Plan remain outstanding and exercisable for such period as the compensation committee may determine.

Income Tax

Incentive stock options granted under the Stock Incentive Plan have certain advantageous tax attributes to the recipient under the income tax laws. No taxable income is recognized by the option holder for income tax purposes at the time of the grant or exercise of an incentive stock option, although neither is there any income tax deduction available to Centru Financial as a result of such a grant or exercise. Any gain or loss recognized by an option holder on the later disposition of shares of common stock acquired pursuant to the exercise of an incentive stock option generally will be treated as capital gain or loss if such disposition does not occur prior to one year after the date of exercise of the option, or two years after the date the option was granted.

As in the case of incentive stock options, the grant of nonstatutory stock options, restricted stock or stock appreciation rights will not result in taxable income for income tax purposes to the recipient of the awards, nor will Centru Financial be entitled to an income tax deduction. Upon the exercise of nonstatutory stock options or stock appreciation rights, or the lapse of restrictions on restricted stock, the award holder will generally recognize ordinary income for income tax purposes equal to the difference between the exercise price and the fair market value of the shares of common stock acquired or deemed acquired on the date of exercise, and Centru Financial will be entitled to an income tax deduction in the amount of the ordinary income recognized by the option holder. In general, any gain or loss realized by the option holder on the subsequent disposition of such shares will be a capital gain or loss.

Amendment and Termination

The Stock Incentive Plan expires ten years after its adoption, unless sooner terminated by our board of directors. Our board of directors has authority to amend the Stock Incentive Plan in such manner as it deems advisable, except that our board of directors is not permitted without our stockholders’ approval to amend the plan in a manner that would materially increase the number of shares of common stock that may be granted as incentive stock options or change the class of persons eligible to recent incentive stock options. The Stock Incentive Plan provides for appropriate adjustment, as determined by the compensation committee, in the number and kind of shares subject to unexercised options, in the event of any change in the outstanding shares of common stock by reason of a stock split, stock dividend, combination or reclassification of shares, recapitalization, merger or similar event.

Stockholder Vote Necessary For Approval To Amend the Stock Incentive Plan

The affirmative vote of the holders of a majority of the shares of common stock present in person or by proxy at the annual meeting is required to approve the amendment of the Stock Incentive Plan. **Our board of directors unanimously recommends a vote FOR the proposed amendment.**

RATIFICATION OF THE APPOINTMENT OF AUDITORS

Stockholders will be asked to approve the appointment of McGladrey & Pullen, LLP, as our independent public accountants to conduct the audit for the year ending December 31, 2004. A proposal will be presented at the annual meeting to ratify the appointment of McGladrey & Pullen, LLP. If the appointment of McGladrey & Pullen, is not ratified, the matter of the appointment of independent public accountants will be considered by the board of directors. A representative of McGladrey & Pullen, LLP is expected to participate in the annual meeting and will be available to respond to appropriate questions and to make a statement if he or she so desires.

The board of directors unanimously recommends that you vote FOR the ratification of the appointment of McGladrey & Pullen, LLP, as our auditors for the fiscal year ending December 31, 2004.

Accountant Fees

Audit Fees. The aggregate amount of fees billed by McGladrey & Pullen, LLP for its audit of Centru Financial’s annual financial statements for 2003 and 2002 were \$170,420 and \$54,285, respectively. The audit services also include the review of financial statements included in our quarterly reports on Form 10-Q and other services normally performed by independent auditors in connection with statutory and regulatory filings, including approximately \$30,000 in connection with the Form S-4 registration statement filed with the Securities and Exchange Commission in connection with the merger with Aviston Financial Corporation.

Audit Related Fees. The aggregate amount of audit related fees billed by McGladrey & Pullen, LLP for 2003 was \$25,940. None was billed in 2002. The majority of these services related to the acquisition of Aviston Financial Corporation, consultations regarding employee benefit plans and other technical accounting and consulting research, as well as the implementation and review of our internal control structure required to be performed in accordance with the requirements of the Federal Deposit Insurance Corporation Improvement Act of 1991.

Tax Fees. The aggregate amounts of tax related services billed by McGladrey & Pullen, LLP for 2003 and 2002 were \$44,120 and \$22,531, respectively, for professional services rendered for tax compliance, tax advice and tax planning. In 2003, approximately \$19,000 of the amount billed was in connection with the issuance of a tax opinion and other tax issues related to the acquisition of Aviston Financial Corporation. The services provided also included assistance with the preparation of Centru Financial’s tax return and guidance with respect to estimated tax payments.

All Other Fees. McGladrey & Pullen, LLP did not bill any other fees in 2003 and billed \$94,895 in other fees in 2002. These other fees consisted of services relating to the preparation of informational returns for our employee benefit plans and a marketing study and analysis of our branch locations.

Among other things, the Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent auditor. The Audit Committee has adopted a policy concerning the approval of the audit and permissible non-audit services to be provided by McGladrey & Pullen, LLP. On a case by case basis, audit or permissible non-audit services proposed to be performed are considered by and, if deemed appropriate, approved by the Audit Committee in advance of the performance of such services. All of the fees earned by McGladrey & Pullen, LLP described above were attributable to services pre-approved by the Audit Committee.

OTHER MATTERS

We are not aware of any business to come before the annual meeting other than the matters described above in this proxy statement. However, if any other matters should properly come before the meeting, it is intended that holders of the proxies will act in accordance with their best judgment.

CHARTER

I. PURPOSE

The primary function of the Audit Committee is to assist the Boards of Directors of Centru Financial Corporation and Centru Bank (together, the “Company”) in fulfilling their oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to any governmental body or the public; the Company’s systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Boards of Directors have established; and the Company’s auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Audit Committee’s primary duties and responsibilities are to:

- * Retain, oversee, review and terminate the Company’s independent accountants and pre-approve all services performed by the independent accountants.
- * Serve as an independent and objective party to monitor the Company’s financial reporting process and internal control system.
- * Provide an open avenue of communication among the independent accountants, financial and senior management, the internal auditors, and the Boards of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Article IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Boards of Directors. Each Audit Committee member shall be an independent director, free from any relationship that, in the opinion of the Boards of Directors, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. Additionally, each Audit Committee member shall be independent as defined by the rules and regulations of the Securities and Exchange Commission and the American Stock Exchange (or by the rules and regulations of any other exchange or national market on which the Company’s common stock is quoted or listed for trading). All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices, and the Chairman of the Audit Committee shall have accounting and financial management expertise sufficient to qualify as a “audit committee financial expert”, as defined by the rules and regulations of the Securities and Exchange Commission. Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant and shall satisfy all continuing education requirements of the Securities and Exchange Commission and the American Stock Exchange (or by the rules and regulations of any other exchange or national market on which the Company’s common stock is quoted or listed for trading).

The members of the Audit Committee shall be elected by the Boards of Directors at the annual organizational meetings of the Boards of Directors and shall serve until their successors shall be duly elected and qualified. Unless a Chairman is elected by the full Boards of Directors, the members of the Audit Committee may designate a Chairman by majority vote of the full Audit Committee membership.

III. MEETINGS

The Audit Committee shall meet at least once quarterly, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee shall meet at least annually with management, the internal auditors and the independent accountants in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believes should be discussed privately. In addition, the Audit Committee, or the Chairman of the Audit Committee, shall meet with the independent accountants and management quarterly to review the Company’s financials consistent with Article IV.4. below.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

Documents/Reports Review

1. Review this Charter at least annually, and shall update the Charter as conditions may dictate.

The Chairman of the Audit Committee may represent the entire Audit Committee for purposes of this review.

Independent Accountants

5. Have sole authority over, and responsibility for, the retention and oversight of the Company’s independent accountants. The Audit Committee shall approve all fees and other compensation to be paid to the independent accountants. In fulfilling these duties, the Audit Committee shall consider the independence and effectiveness of the independent accountants. The Audit Committee shall continuously review and discuss with the independent accountants all significant relationships that the independent accountants have with the Company to determine the accountants’ independence.

7. Pre-approve all audit and non-audit services to be performed by the independent accountants.
8. Monitor the services performed by the independent accountants to ensure that any services prohibited by the Securities and Exchange Commission or the American Stock Exchange are not performed during the period in which the independent accountants are performing audit services for the Company.
9. Consult with the independent accountants out of the presence of management regarding the Company's internal controls and the fullness and accuracy of the Company's financial statements.

12. Consider and approve, if appropriate, major changes to the Company's auditing and accounting principles as suggested by the independent accountants, management or the internal auditors.

Process Improvement

13. Review the independent accountants' internal quality procedures and reports issued thereon, including any inquiries or investigations by governmental authorities or professional organizations within the previous five years.
14. Establish regular and separate systems of reporting to the Audit Committee by each of management, the independent accountants and the internal auditors regarding any significant judgments made in management's preparation of the financial statements and the view of each as to the appropriateness of such judgments.

17. Review with the independent accountants, the internal auditors and management the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Audit Committee.

18. While the audit committee has the responsibilities and powers set forth in the Charter, it is not the duty of the audit committee to plan and conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted principles. Management is responsible for preparing the financial statements and the independent auditors are responsible for auditing those financial statements.
