Form 10-K for the Year Ended December 31, 2018

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations SSNOI, page 46

1. We note your response to comment one. We do not object to the current presentation of NOI or SSNOI of your unconsolidated joint ventures. However, it is still unclear how the presentation of "Total Consolidated + Unconsolidated NOI" and "Total SSNOI" at the 100% level is compliant with Question 100.04 of the Division's Compliance and Disclosure Interpretations for Non-GAAP Financial Measures. Please confirm to us that you will remove "Total Consolidated + Unconsolidated NOI" at 100% and "Total NOI" at 100% from future periodic filings, including earnings releases, quarterly financial supplements and investor presentations filed on Form 8-K.
