**MiFID II product governance / Retail investors, professional investors and ECPs target market -** Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. The target market assessment does not indicate that the Notes are incompatible with the needs, characteristics and objectives of any particular client. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

## Annex A

### Calculation of Fixed Interest Amount per Specified Denomination, Early Redemption Amount and Final Redemption Amount per Specified Denomination

The Final Redemption Amount and Early Redemption Amount per Specified Denomination will be payable in USD on the Maturity Date and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date or Early Redemption Date (if any):

*Specified Denomination x (1/Reference Rate on the applicable Rate Fixing Date) rounded to the nearest USD with USD 0.5 being rounded up*

The Fixed Interest Amount per Specified Denomination will be payable in USD on each Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Rate fixing Date:

*Specified Denomination x Fixed Rate of Interest x (1/Reference Rate on the applicable Rate Fixing Date) x Day Count Fraction rounded to the nearest USD with USD 0.5 being rounded up*

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount or Early Redemption Amount per Specified Denomination and Fixed Interest Amount payable per Specified Denomination on the Maturity Date, the relevant Fixed Interest Date or Early Redemption Date (as applicable), as soon as practicable after such determination (but in no event later than 4 Business Days prior to the Maturity Date and/or relevant Fixed Interest Date).

If the Reference Rate is not available for any reason on Reuters page "JISDOR" or on any successor page on any Rate Fixing Date, then the Calculation Agent shall determine that a Price Source Disruption Event (a "Price Source Disruption Event") has occurred, and shall promptly inform the Issuer and Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (if any) (as defined below) as the case may be.

If on the 10th Business Day following the original Rate Fixing Date the Reference Rate on the Reuters page JISDOR (or successor page) is still unavailable then the Reference Rate (the "Fallback Reference Rate") shall be the average of such firm quotes (expressed as the number of IDR per one USD) from five Reference Dealers as the Calculation Agent is able to obtain for the sale of IDR and the purchase of USD at or about 10:00 a.m. Jakarta time on the Rate Fixing Date for settlement two Jakarta Business days thereafter. If more than three quotations are provided, the Fallback Reference Rate will be the arithmetic mean of those quotations, after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or in the event of equality, one of the lowest). If fewer than four (but at least two) Reference Dealers provide such firm quote then the average of the quotes actually obtained shall apply, and if none of the Reference Dealers provides such a firm quote, the Reference Rate will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner.

For the purposes of these provisions:

"Business Day" means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the business centre(s) specified or, if no business centre is specified, in London, New York City, Singapore and Jakarta;

"Calculation Agent" means JP Morgan Chase Bank, N.A. in accordance with the provisions of the calculation agency agreement entered into between the Issuer and the Calculation Agent dated 9 February

2007 (as amended and/or supplemented from time to time, the "Calculation Agency Agreement"). All references to the Calculation Agent shall include any successor or successors to JP Morgan Chase Bank, N.A. as Calculation Agent in respect of the Notes;

**"Early Redemption Date"** means the date on which the Notes become due and payable pursuant to Conditions 5(d) and 9;

**"Postponed Early Redemption Date"** means the tenth (10<sup>th</sup>) Business Day following the Early Redemption Date (if any);

**"Postponed Fixed Interest Date"** means the tenth Business Day following the originally scheduled Fixed Interest Date. Fixed Interest Dates are same as the Coupon Payment Dates;

**"Postponed Maturity Date"** means the tenth Business Day following the originally scheduled Maturity Date;

**"Rate Fixing Date"** means the date which is five (5) Business Days prior to the each of the applicable Fixed Interest Date Early Redemption Date (if any) or Maturity Date. If a Price Source Disruption Event occurs or otherwise subsists on such day, the Rate Fixing Date shall be the earlier of (i) the Business Day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the tenth (10<sup>th</sup>) Business Day following the original Rate Fixing Date;

**"Reference Dealers"** means leading dealers, banks or banking corporations which regularly deal in the IDR/USD exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner; and

**"Reference Rate"** means, in respect of a Rate Fixing Date, the IDR/USD spot rate at 10:00 a.m., Jakarta time, expressed as the amount of IDR per one USD, for settlement in two Jakarta Business Days, reported by Bank Indonesia, which appears on Bloomberg Page: JISDOR Index at approximately 10:00 a.m., Jakarta time, on that Rate Fixing Date.
