The Issuer hereby confirms that the Joint Lead Managers shall be vested with all authority, rights, powers, duties and obligations of a Dealer in relation to the issue of the Notes as if originally named as a Dealer under the Programme Agreement provided that following the Issue Date (as defined in Clause 5) the Joint Lead Managers shall have no further such authority, rights, powers, duties and obligations except such as may have accrued or been incurred prior to or in connection with the Issue Date.

- 2 In order to permit the Issuer to file with the U.S. Securities and Exchange Commission the report required by 17 C.F.R. § 290.3 no later than the date of this Agreement, the Joint Lead Managers confirm that the Notes are expected to be offered and sold in the United States.
- 3 Subject to the terms and conditions of the Programme Agreement and this Agreement, the Issuer hereby agrees to issue the Notes and the Joint Lead Managers jointly and severally agree to purchase the Notes, at a purchase price of U.S.\$599,825,400 (the "**Purchase Price**"), being the issue price of 100.00 per cent., less a combined management and underwriting commission of 0.0291 per cent. of the Nominal Amount of the Notes.

- 3.2 The Joint Lead Managers further agree that their underwriting commitments in respect of the Notes shall be as set out next to their respective names in Annex A to this Agreement.
- 4 Solely for the purposes of the requirements of Article 9(8) of the MIFID Product Governance rules under EU Delegated Directive 2017/593 (the "**Product Governance Rules**") regarding the mutual responsibilities of manufacturers under the Product Governance Rules:
- 4.1 Bank of Montreal, London Branch and Nomura International plc (each a "**Manufacturer**" and together the "**Manufacturers**") acknowledges to each other Manufacturer that it understands the responsibilities conferred upon it under the Product Governance Rules relating to each of the product approval process, the target market and the proposed distribution channels as applying to the Notes and the related information set out in the Pricing Supplement and any other announcements in connection with the Notes; and
- 4.2 Wells Fargo Securities, LLC notes the application of the Product Governance Rules and acknowledges the target market and distribution channels identified as applying to the Notes by the Manufacturers and the related information set out in the Pricing Supplement and any other announcements in connection with the Notes.
- 5 The settlement procedures set out in Part 2 of Annex A of the Procedures Memorandum shall apply as if set out in this Agreement provided that, for the purposes of this Agreement:
- (i) the sum payable on the Issue Date shall be U.S.\$599,825,400 (representing the Purchase Price) which should be paid to the account of the Issuer with Citibank, New York, CITIUS33, account number 36125585, in favour of European Bank for Reconstruction and Development, London, SWIFT: EBRDGB2L;

 - (iii) "**Payment Instruction Date**" means the Issue Date unless there is to be a pre-closing for the issue in which case it means the business day (being a day on which banks

and foreign exchange markets are open for business in London) prior to the Issue Date.

6 The Joint Lead Managers shall bear and pay all costs and expenses (including legal expenses) incurred by themselves in or in connection with the initial printing of the Notes, this Agreement and the Pricing Supplement prepared in connection with the issue of the Notes, the upfront fees and expenses of Citibank, N.A. as agent, the initial listing of the Notes on the Official List and the admission of the Notes to trading on the London Stock Exchange's Regulated Market and making initial delivery of the Notes. For the avoidance of doubt, the Joint Lead Managers shall only bear the costs and expenses listed above relating to the initial issue of the Notes, and shall not be liable for any further costs and expenses.

7.2 the delivery to the Joint Lead Managers on the Payment Instruction Date of (i) legal opinions addressed to the Joint Lead Managers dated the Payment Instruction Date in such form and with such contents as the Joint Lead Managers may reasonably require from the General Counsel, a Deputy General Counsel or an Assistant General Counsel of the Issuer and from Linklaters LLP, legal advisers to the Joint Lead Managers in England; (ii) a certificate dated as at the Payment Instruction Date signed by a duly authorised officer of the Issuer to the effect stated in sub-paragraph 7.1 of this Clause with regard to the Issuer and further to the effect that the Offering Circular (when read together with the Pricing Supplement) contains all material information relating to the Notes and to the assets and liabilities, financial position and profits and losses of the Issuer and nothing has happened or is expected to happen which would require the Offering Circular to be supplemented or updated; and (iii) such other conditions precedent as the Joint Lead Managers reasonably may require.

If any of the foregoing conditions is not satisfied on or before the Payment Instruction Date, this Agreement shall terminate on such date and the parties hereto shall be under no further liability arising out of this Agreement (except for any liability arising before or in relation to such termination), provided that the Joint Lead Managers may in their discretion waive any of the aforesaid conditions or any part of them.

8

8.1 The Joint Lead Managers may, by notice to the Issuer, and the Issuer may, by notice to the Joint Lead Managers terminate this Agreement at any time prior to payment of the net subscription moneys to the Issuer if in the opinion of the Joint Lead Managers or the Issuer, as the case may be, there shall have been such a change in national or international financial, political or economic conditions or currency exchange rates or exchange controls as would in the view of the Joint Lead Managers or the Issuer, as the case may be, be likely to prejudice materially the success of the distribution of the Notes or dealings in the Notes in the secondary market.

8.2 Upon such notice being given, this Agreement shall terminate and no party shall be under any liability to any other in respect thereof except for the obligations of the Joint Lead

Managers under Clause 8 of the Programme Agreement and the respective obligations of the parties under Clause 6 of the Programme Agreement.

9

9.1 In the event that any Joint Lead Manager that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Joint Lead Manager of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

9.2 In the event that any Joint Lead Manager that is a Covered Entity or a Covered Affiliate of such Joint Lead Manager becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Joint Lead Manager are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

10 Clause 16 of the Programme Agreement shall also apply to this Agreement as if expressly incorporated herein.

11 This Agreement may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same agreement and any party may enter into this Agreement by executing a counterpart.

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

In the case of the first Interest Period, the Reference Period will begin five U.S. Government Securities Business Days prior to the Interest Commencement Date.

"SOFR_i" means the SOFR Reference Rate for the U.S. Government Securities Business Day "i" in the relevant Reference Period (and published on the following US Government Securities Business Day).

"SOFR Reference Rate" means, in respect of any U.S. Government Securities Business Day, a reference rate equal to the daily secured overnight financing rate ("SOFR") for such U.S. Government Securities Business Day as provided by the Federal Reserve Bank of New York, as the administrator of such rate (or any successor administrator of such rate) on the website of the Federal Reserve Bank of New York currently at <http://www.newyorkfed.org>, or any successor website of the Federal Reserve Bank of New York (in each case, on or about 5:00

p.m., New York City time, on the U.S. Government Securities Business Day immediately following such U.S. Government Securities Business Day).

"U.S. Government Securities Business Day" means any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. Government Securities.

If, in respect of any U.S. Government Securities Business Day in the relevant Reference Period, the Agent determines that the SOFR Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SOFR Reference Rate shall be:

- a) (i) the daily Overnight Bank Funding Rate (the **"OBFR"**) prevailing at close of business on or about 5:00pm (New York City time) on the relevant U.S. Government Securities Business Day; plus (ii) the mean of the spread of the SOFR Reference Rate to the OBFR over the previous five days on which a SOFR Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the OBFR;
- b) if the OBFR is not published by the Federal Reserve Bank of New York at close of business on the relevant US Government Securities Business Day, such SOFR Reference Rate shall be (i) the Effective Federal Funds Rate (the **"EFFR"**) prevailing at close of business on the relevant US Government Securities Business Day; plus (ii) the mean of the spread of the SOFR Reference Rate to the EFFR over the previous five days on which a SOFR Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the EFFR; or
- c) if neither the OBFR nor the EFFR nor SOFR are published by the Federal Reserve Bank of New York at close of business on the relevant US Government Securities Business Day, the SOFR Reference Rate shall be the SOFR Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding US Government Securities Business Day on which the SOFR Reference Rate was published on the website of the Federal Reserve Bank of New York or the Relevant Screen Page (or otherwise published by the relevant authorised distributors).

Notwithstanding the paragraphs above, if the Federal Reserve Board and/or the Federal Reserve Bank of New York publishes guidance as to (i) how the SOFR Reference Rate is to be determined or (ii) any rate that is to replace the SOFR Reference Rate, the Agent shall, to the extent that it is reasonably practicable, follow such guidance in order to determine SOFR for the purpose of the Notes for so long as SOFR Reference Rate is not available or has not been published by the authorised distributors.

If the Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Pricing Supplement, be deemed to be the date on which the Notes became due and payable, and the Rate of Interest on the Notes shall, for so long as the Notes remain outstanding, be that determined on such date.

Global Medium Term Note Programme
for the issue of Notes

This Supplement (the "**Supplement**") is prepared in connection with the Global Medium Term Note Programme (the "**Programme**") of the European Bank for Reconstruction and Development (the "**Issuer**"), is supplemental to, and should be read in conjunction with, the Offering Circular (the "**Offering Circular**") dated 3 July 2012 and any other supplements to the Offering Circular issued by the Issuer, and comprises neither a base prospectus for the purposes of Article 5.4 of EU Directive 2003/71/EC (as amended or superseded, the "**Prospectus Directive**"), nor listing particulars for the purposes of Section 79 of the Financial Services and Markets Act 2000, and has not been submitted to, reviewed or approved by the UK Listing Authority or the London Stock Exchange.

Terms defined in the Offering Circular have the same meaning when used in this Supplement.

The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

The purpose of this Supplement is to disclose an increase to the maximum aggregate nominal amount of all Notes which may be outstanding under the Programme from time to time, from €35,000,000,000 to €45,000,000,000 (or its equivalent in other currencies at the time of agreement to issue). All references in the Offering Circular shall be, and shall be deemed to be, construed accordingly.

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means Bank of Montreal, London Branch and Nomura International plc.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Annex A

The Rate of Interest for each Interest Period will, subject as provided below, be Compounded SOFR plus the Margin.

"**Compounded SOFR**" In respect of an Interest Period, means the rate of return of a daily compound interest investment (with the daily secured overnight financing rate as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the relevant Interest Determination Date as follows, and the resulting percentage will be rounded, if necessary, to the fourth decimal place of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{SOFR_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

where:

"**d**" means the number of calendar days in the relevant Reference Period.

"**d₀**," for any Reference Period, means the number of U.S. Government Securities Business Days in the relevant Reference Period.

"**i**" is a series of whole numbers from one to d₀, each representing the relevant U.S. Government Securities Business Days in chronological order from, and including, the first U.S. Government Securities Business Day in the relevant Reference Period.

"**n_i**," for any U.S. Government Securities Business Day "i" in the relevant Reference Period, means the number of calendar days from, and including, such U.S. Government Securities Business Day "i" up to, but excluding, the following U.S. Government Securities Business Day.

"**Interest Periods**" means quarterly, from and including the prior Interest Payment Date (or if there is no prior Interest Payment Date, the Interest Commencement Date) to, but excluding, the next Interest Payment Date (or, in the case of the final Interest Period, the Maturity Date, or, in the case of the Notes becoming due and payable, the date on which the Notes become due and payable).

"**Reference Period**" means in respect of each Interest Period, the period from, and including, the date five U.S. Government Securities Business Days preceding the first date in such Interest Period to, but excluding, the date five U.S. Government Securities Business Days preceding the final day of such Interest Period. In the case of the first Interest Period, the Reference Period will begin five U.S. Government Securities Business Days prior to the Interest Commencement Date.

"**SOFR_i**" means the SOFR Reference Rate for the U.S. Government Securities Business Day "i" in the relevant Reference Period (and published on the following US Government Securities Business Day).

"**SOFR Reference Rate**" means, in respect of any U.S. Government Securities Business Day, a reference rate equal to the daily secured overnight financing rate ("**SOFR**") for such U.S. Government Securities Business Day as provided by the Federal Reserve Bank of New York, as the administrator of such rate (or any successor administrator of such rate) on the website of the Federal Reserve Bank of New York currently at <http://www.newyorkfed.org>, or any successor website of the Federal Reserve Bank of New York (in each case, on or about 5:00

p.m., New York City time, on the U.S. Government Securities Business Day immediately following such U.S. Government Securities Business Day).

"U.S. Government Securities Business Day" means any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. Government Securities.

If, in respect of any U.S. Government Securities Business Day in the relevant Reference Period, the Agent determines that the SOFR Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SOFR Reference Rate shall be:

- a) (i) the daily Overnight Bank Funding Rate (the **"OBFR"**) prevailing at close of business on or about 5:00pm (New York City time) on the relevant U.S. Government Securities Business Day; plus (ii) the mean of the spread of the SOFR Reference Rate to the OBFR over the previous five days on which a SOFR Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the OBFR;
- b) if the OBFR is not published by the Federal Reserve Bank of New York at close of business on the relevant US Government Securities Business Day, such SOFR Reference Rate shall be (i) the Effective Federal Funds Rate (the **"EFFR"**) prevailing at close of business on the relevant US Government Securities Business Day; plus (ii) the mean of the spread of the SOFR Reference Rate to the EFFR over the previous five days on which a SOFR Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the EFFR; or
- c) if neither the OBFR nor the EFFR nor SOFR are published by the Federal Reserve Bank of New York at close of business on the relevant US Government Securities Business Day, the SOFR Reference Rate shall be the SOFR Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding US Government Securities Business Day on which the SOFR Reference Rate was published on the website of the Federal Reserve Bank of New York or the Relevant Screen Page (or otherwise published by the relevant authorised distributors).

Notwithstanding the paragraphs above, if the Federal Reserve Board and/or the Federal Reserve Bank of New York publishes guidance as to (i) how the SOFR Reference Rate is to be determined or (ii) any rate that is to replace the SOFR Reference Rate, the Agent shall, to the extent that it is reasonably practicable, follow such guidance in order to determine SOFR for the purpose of the Notes for so long as SOFR Reference Rate is not available or has not been published by the authorised distributors.

If the Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Pricing Supplement, be deemed to be the date on which the Notes became due and payable, and the Rate of Interest on the Notes shall, for so long as the Notes remain outstanding, be that determined on such date.
