PROXY STATEMENT

March 11, 2004

PRELIMINARY

The enclosed proxy is requested by the Board of Directors in connection with the Annual Meeting of Shareholders to be held April 28, 2004 for the purpose of considering and acting upon the matters specified in the foregoing Notice of Annual Meeting of Shareholders. This proxy statement is first being mailed on approximately March 11, 2004.

ANNUAL REPORT

Sherwin-Williams' Annual Report to Shareholders for the year ended December 31, 2003 is enclosed with this proxy statement. Additional financial and other reports may be submitted at the Annual Meeting, but it is not intended that any action will be taken relating to those reports.

VOTING PROCEDURES

Who is entitled to vote?

Only record holders of our common stock and convertible participating serial preferred stock at the close of business on February 23, 2004, the record date, are entitled to vote at the Annual Meeting. At the close of business on the record date, 143,965,521 shares of common stock and 284,657 shares of convertible participating serial preferred stock were outstanding. Each share owned on the record date is entitled to one vote.

How do I vote?

If you are a shareholder of record, you can vote in person at the Annual Meeting or you can vote on the Internet, by telephone or by signing and mailing your proxy card in the

enclosed envelope. Detailed instructions for Internet and telephone voting are attached to your proxy card. Your Internet or telephone vote authorizes the proxy holders to vote your shares in the same manner as if you signed and returned your proxy card by mail.

If you are a shareholder of record, the proxy holders will vote your shares in accordance with your directions. If you sign and return your proxy card, but do not properly direct how your shares should be voted on a proposal, the proxy holders will vote your shares *FOR* Proposals 1, 2, 3, 4 and 5. If you sign and return your proxy card, the proxy holders will vote your shares according to their discretion on any other proposals and other matters that may be brought before the Annual Meeting.

If you are a shareholder of record and you vote by the Internet or telephone, your vote must be received by 5:00 p.m. E.S.T. on April 27, 2004; you should not return your proxy card. If you hold shares through a broker or other nominee in "street name," you should complete, sign and date the voting instruction card provided to you by your broker or nominee or vote by the Internet or telephone as permitted by your broker or nominee.

Shareholders of record may also be represented by another person present at the Annual Meeting by signing a proxy designating such person to act on your behalf. If you hold shares through a broker or nominee, you may not vote in person at the Annual Meeting unless you have obtained a signed proxy from your broker or nominee giving you the right to vote your shares.

How do I vote if I am a participant in the Stock Ownership and Automatic Dividend

Reinvestment Plan or the Employee Stock Purchase and Savings Plan?

If you are a participant in one of these plans, your proxy card also serves as voting instructions for the number of shares which you are entitled to direct the vote under each plan. You may vote your shares by the Internet, telephone or mail in the same manner outlined above. If you are a participant in the Employee Stock Purchase and Savings Plan, your vote must be received by the close of business on April 22, 2004.

If you are a participant in the Employee Stock Purchase and Savings Plan and you do not timely vote, your shares will be voted in the same proportion as the trustee votes those shares for which it receives proper instructions. Any unallocated shares held in the Employee Stock Purchase and Savings Plan also will be voted by the trustee in the same proportion as the trustee votes those shares for which it receives proper instructions.

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote:

- *FOR* fixing the number of directors at twelve and electing the twelve nominees for directors (Proposal 1);
- *FOR* amending Sherwin-Williams' Regulations to permit the use of communications equipment for facilitating shareholder meetings and to make other changes (Proposal 2);
- *FOR* amending Sherwin-Williams' Regulations to provide notice and other procedures for the conduct of shareholder meetings (Proposal 3);
- *FOR* amending Sherwin-Williams' Regulations to provide notice and other procedures for shareholders to nominate directors (Proposal 4); and
- *FOR* ratifying the appointment of Ernst & Young LLP as Sherwin-Williams' independent auditors (Proposal 5).

The Board of Directors is not aware of any other matters that will be brought before the Annual Meeting for action.

What constitutes a quorum for the Annual Meeting?

A "quorum" of shareholders is necessary for us to hold a valid Annual Meeting. For a quorum, there must be present, in person or by proxy, shareholders of record entitled to exercise not less than fifty percent of the voting power of Sherwin-Williams.

Proxy cards marked as withholding authority, as well as proxy cards containing abstentions and "broker non-votes," will be treated as present for purposes of determining a quorum. A "broker non-vote" occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

What vote is required to approve each proposal?

Election of Directors (Proposal 1). Proposal 1 to fix the number of directors at twelve requires the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and entitled to vote on this proposal. The nominees receiving the greatest number of votes will be elected. A proxy card marked as withholding authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for quorum purposes.

Amendments to Sherwin-Williams' Regulations (Proposals 2, 3 and 4). Proposals 2, 3 and 4 relating to amendments to Sherwin-Williams' Regulations each requires the affirmative vote of the shareholders of record entitled to exercise a majority of the voting power on the proposal. A proxy card marked as abstaining with respect to any of these proposals will be treated as entitled to exercise a majority of the voting power on such proposal and will be counted for quorum purposes, but will not be counted as a vote on such proposal. Accordingly, an abstention will have the effect of a

negative vote. A broker non-vote with respect to any of these proposals will not be treated as entitled to exercise a majority of the voting power on such proposal and, therefore, will not be counted as a vote on such proposal, although it will be counted for quorum purposes.

Ratification of Auditors (Proposal 5).

Proposal 5 to ratify the appointment of Ernst & Young LLP as Sherwin-Williams' independent auditors requires the affirmative vote of a majority of the votes cast. A proxy card marked as abstaining with respect to this proposal and a broker non-vote with respect to this proposal will each not be counted as a vote cast, although each will be counted for quorum purposes.

Other Items. All other proposals and other business as may properly come before the Annual Meeting require the affirmative vote of a majority of the votes cast, except as otherwise required by statute or Sherwin-Williams' Amended Articles of Incorporation or Regulations.

Can I revoke or change my vote after I submit my proxy?

Yes. You can revoke or change your vote before the proxy holders vote your shares by timely:

- filing a written revocation with Sherwin-Williams' Vice President, General Counsel and Secretary;
- returning a later signed and dated proxy card;
- entering a new vote by the Internet or telephone; or
- voting in person at the Annual Meeting.

CORPORATE GOVERNANCE

Sherwin-Williams has a long history of good corporate governance practices that has greatly aided our long-term success. The Board of Directors and management have recognized for many years the need for sound corporate governance practices in fulfilling their respective duties and responsibilities to shareholders. During the past year, we have taken steps to implement many improvements to our corpo-

rate governance practices to comply with the new corporate governance listing standards of the New York Stock Exchange and recently adopted SEC regulations. In particular, we have:

- adopted Corporate Governance Guidelines, which provide the framework for the governance of our company;
- adopted Director Independence Standards, under which nine of our twelve directors are independent;
- re-created the Board Composition Committee as the Nominating and Corporate Governance Committee and adopted a new charter for this committee;
- adopted new charters for the Audit Committee and the Compensation and Management Development Committee;
- determined that all members of the Audit Committee, Compensation and Management Development Committee, and Nominating and Corporate Governance Committee are independent;
- instituted executive sessions of the Board of Directors, whereby non-management directors meet at least twice each year in regularly scheduled executive sessions. The chairpersons of the Audit Committee, the Compensation and Management Development Committee and the Nominating and Corporate Governance Committee will rotate presiding over these sessions;
- instituted annual self-assessments of the Board of Directors and the Audit Committee, Compensation and Management Development Committee, and Nominating and Corporate Governance Committee to assist in determining whether the Board of Directors and its committees are functioning effectively;
- amended our Business Ethics Policy, which applies to all of our directors, officers and employees. Our Business Ethics Policy includes additional ethical obligations for our senior financial management (which includes our chief executive officer, our chief financial officer, and the controller, treasurer and princi-

pal financial and accounting personnel in our operating groups and corporate departments); and

- instituted procedures for receiving, retaining and treating complaints from any source regarding accounting, internal accounting controls and auditing matters, and procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Our Audit Committee Charter is attached as Appendix A to this proxy statement. You can access all committee charters, our Corporate Governance Guidelines, our Director Independence Standards, our Business Ethics Policy and other corporate governance materials in the “Corporate Governance” section on the “Investor Relations” page of our website at www.sherwin.com, or may receive copies without charge by writing to us at: The Sherwin-Williams Company, 101 Prospect Avenue, N.W., Cleveland, Ohio 44115, Attention: Investor Relations.

Communications with Directors. The Board of Directors has also adopted a process by which shareholders and other interested parties may communicate with the non-management directors or the chairperson of any of the committees of the Board of Directors by e-mail or regular mail. Communications by e-mail should be sent to the auditchair@sherwin.com, compchair@sherwin.com, or corpgovchair@sherwin.com, or to the non-management directors as a group to the nonmanagementdirectors@sherwin.com. Communications by regular mail should be sent to the attention of the Chairperson, Audit Committee, Chairperson, Compensation and Management Development Committee, or Chairperson, Nominating and Corporate Governance Committee, or to the non-management directors as a group to the Non-Management Directors, each c/o Corporate Secretary, The Sherwin-Williams Company, 101 Prospect Avenue, N.W., 12th Floor, Midland Building, Cleveland, Ohio 44115.

All communications received in accordance with this process will be reviewed by Sherwin-Williams’ management to determine whether the communication requires immediate action. Management will pass on all communications

received, or a summary of such communications, to the appropriate director or directors.

ELECTION OF DIRECTORS (PROPOSAL 1)

At the Annual Meeting, the number of directors is to be fixed at twelve, and twelve directors are to be elected to hold office until the next Annual Meeting of Shareholders and until their successors are elected. Wrigley Jr. Company and is a Trustee of Miami University of Ohio and the Musical Arts Association (The Cleveland Orchestra).

INDEPENDENCE OF DIRECTORS

The Board of Directors has adopted categorical Director Independence Standards to assist the Board of Directors in determining the independence of each director. To be considered independent, the Board of Directors must affirmatively determine that the director has no material relationship with Sherwin-Williams. In each case, the Board of Directors broadly considers all relevant facts and circumstances, including the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and such other criteria as the Board of Directors may determine from time to time. These categorical Director Independence Standards are attached to this proxy statement as Appendix B.

The Board of Directors has determined that Messrs. Boland, Collins, Evans, Mahoney, McCullough, Mixon, Moll and Smucker and Mrs. Kropf meet these standards and are independent and, in addition, satisfy the independence requirements of the New York Stock Exchange. In making its independence determination for Mr. Mixon, the Board of Directors reviewed Sherwin-Williams' purchases from Accuspray Application Technologies, Inc. During 2003, Sherwin-Williams paid \$131,951 to Accuspray for products purchased by Sherwin-Williams. Mr. Mixon is a minority shareholder of Accuspray. Sherwin-Williams expects to make purchases from Accuspray in 2004. Based upon these facts, the Board of Directors determined that this relationship is not material and does not affect Mr. Mixon's independence.

COMPENSATION OF DIRECTORS

Currently, each director who is not a Sherwin-Williams' employee receives an annual retainer of \$40,000 earned and payable monthly. In addition, each such director receives \$1,750 for each meeting of the Board of Directors or committee of the Board of Directors that the director attends or \$2,500 for each meeting of a committee of the Board of Directors that the director chairs. Officers of Sherwin-Williams who also serve as directors do not receive any compensation specifically for services as a member of the Board of Directors. Directors are permitted to defer all or a portion of their fees under the Director Deferred Fee Plan. Deferred fees may be invested in either a common stock account, a shadow stock account or an interest bearing cash account.

In addition, directors who are not Sherwin-Williams' employees may receive stock options and restricted stock under the 1997 Stock Plan for Nonemployee Directors. This plan was approved by the shareholders at the 1997 Annual Meeting. During October 2003, each nonemployee director received a grant of 3,500 options at an exercise price equal to the fair market value of our common stock on the date of grant. One third of the options become exercisable on each of the first, second and third anniversary dates of the date of grant. No shares of restricted stock were awarded to any nonemployee director during 2003.

All directors are reimbursed for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at meetings of the Board of Directors and of committees of the Board of Directors. In addition, Sherwin-Williams pays the premiums for liability insurance and business travel accident insurance for all directors, including \$225,000 accidental death and dismemberment coverage and \$225,000 permanent total disability coverage, while the directors are traveling on Sherwin-Williams' business. Directors may also receive the same discounts as Sherwin-Williams' employees on the purchase of products at Sherwin-Williams' stores and are eligible to participate in Sherwin-Williams' matching gifts programs on the same basis as employees.

Mr. Breen retired as Chairman of Sherwin-Williams in April 2000. Following his retirement, Mr. Breen remained as a director for

which he receives compensation in an amount equal to the compensation received by the other nonemployee directors. He also entered into a consulting agreement with Sherwin-Williams. Under the agreement, Mr. Breen agreed to perform business and community-related consulting services which enhance the reputation and further the interests of Sherwin-Williams. The agreement has a term ending on December 31, 2004. As compensation for the consulting services, Mr. Breen received a fee of \$167,700 in 2003 and will receive a fee of \$184,500 for 2004. In the event of a change of control of Sherwin-Williams or Mr. Breen's death prior to the end of the term, any unpaid fees with respect to the remaining period of the term will be immediately due and payable. Mr. Breen also receives a cellular telephone and maintenance of a home security system. Mr. Breen is reimbursed for all air fare expenses associated with his performance of consulting services, but he is responsible for all other associated expenses.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held four meetings during 2003. Each director attended at least 75% of the meetings of the Board of Directors and committees on which he or she served, except for Mrs. Kropf who attended 63% and Mr. Moll who attended 67%. Each director is expected to attend, absent unusual circumstances, all annual and special meetings of shareholders. All of the directors attended the 2003 Annual Meeting of Shareholders, except for Mrs. Kropf.

The Board of Directors has established an Audit Committee, a Compensation and Management Development Committee and a Nominating and Corporate Governance Committee. The functions and members of these committees are as follows:

Audit Committee. The purpose of the Audit Committee is to assist the Board of Directors in fulfilling the Board of Directors' oversight responsibilities on matters relating to:

- the integrity of Sherwin-Williams' financial statements;

- the independent auditors' qualifications and independence;
- the performance of Sherwin-Williams' internal audit function and independent auditors;
- Sherwin-Williams' compliance with legal and regulatory requirements;
- preparing the report required by the rules of the SEC to be included in Sherwin-Williams' annual proxy statement; and

The Audit Committee met four times during 2003 and is currently composed of four directors: J. C. Boland, G. E. McCullough, C. E. Moll and R. K. Smucker (Chairman). Each member of the Committee is independent as defined in the corporate governance listing standards of the New York Stock Exchange, SEC regulations and our Director Independence Standards. The Board of Directors has determined that Messrs. Boland and Smucker are "audit committee financial experts," as that term is defined by SEC regulations.

Compensation and Management Development Committee. The purpose of the Compensation and Management Development Committee is to assist the Board of Directors in fulfilling the Board of Directors' oversight responsibilities on matters relating to:

- compensating Sherwin-Williams' management, which includes Sherwin-Williams' executive officers;
- overseeing Sherwin-Williams' management succession planning;
- producing an annual report on executive compensation required by the rules of the SEC to be included in Sherwin-Williams' annual proxy statement; and
- engaging in such other matters as may from time to time be specifically dele-

gated to the Committee by the Board of Directors.

The Compensation and Management Development Committee met four times during 2003 and is currently composed of four directors: D. E. Collins (Chairman), D. E. Evans, S. J. Kropf and R. W. Mahoney. Each member of the Committee is independent as defined in the corporate governance listing standards of the New York Stock Exchange and our Director Independence Standards.

Nominating and Corporate Governance Committee. The purpose of the Nominating and Corporate Governance Committee is to assist the Board of Directors in fulfilling the Board of Directors' oversight responsibilities on matters relating to:

- identifying individuals qualified to become members of the Board of Directors;
- recommending to the Board of Directors the director nominees for election as directors of Sherwin-Williams;
- recommending to the Board of Directors the director nominees for each committee of the Board of Directors;
- reviewing, developing and recommending to the Board of Directors a set of corporate governance guidelines applicable to Sherwin-Williams;
- guiding the Board of Directors in its annual evaluation of the Board of Directors' performance; and
- engaging in such other matters as may from time to time be specifically delegated to the Committee by the Board of Directors.

The Committee actively seeks individuals to become Board members who have the highest personal and professional character and integrity, who possess appropriate characteristics, skills, experience and time to make a significant contribution to the Board of Directors, Sherwin-Williams and its shareholders, who have demonstrated exceptional ability and judgment, and who will be most effective, in the context of the whole Board of Directors and other nominees to the Board of Directors,

in perpetuating the success of Sherwin-Williams and in representing shareholders' interests. The Committee has and may continue to employ professional search firms (for which it pays a fee) to assist it in identifying potential members of the Board of Directors with the desired skills and disciplines.

The Committee's policy with respect to the consideration of director candidates recommended by shareholders is that the Committee will consider such candidates on the same basis and in the same manner as it considers all director candidates. Previously, the Committee had not undertaken to consider candidates recommended by shareholders. Shareholders may submit recommendations in writing to Chairperson, Nominating and Corporate Governance Committee, c/o Corporate Secretary, The Sherwin-Williams Company, 101 Prospect Avenue, N.W., 12th Floor, Midland Building, Cleveland, Ohio 44115.

The Nominating and Corporate Governance Committee met once in 2003 and is currently composed of five directors: J. C. Boland (Chairman), D. E. Collins, R. W. Mahoney, C. E. Moll and R. K. Smucker. Each member of the Committee is independent as defined in the corporate governance listing standards of the New York Stock Exchange and our Director Independence Standards.

AUDIT COMMITTEE REPORT

Management has the primary responsibility for the integrity of Sherwin-Williams' financial information. Ernst & Young LLP, Sherwin-Williams' independent auditors, is responsible for conducting independent audits of Sherwin-Williams' financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the financial statements based upon those audits. The Audit Committee is responsible for overseeing the conduct of these activities by management and Ernst & Young LLP.

As part of its responsibility, the Audit Committee has reviewed and discussed the audited financial statements with management and Ernst & Young LLP. The Audit Committee also has discussed with Ernst & Young LLP the matters required to be discussed by Statement

on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young LLP that firm's independence.

Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Sherwin-Williams' Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Management Compensation Program.

Sherwin-Williams' management compensation program is administered by the Compensation and Management Development Committee of the Board of Directors. The Committee is composed of four independent directors and reports to the Board of Directors on all compensation matters regarding certain members of Sherwin-Williams' management, including the executive officers. The executive officers are identified in Sherwin-Williams' 2003 Annual Report to Shareholders. The program is designed to attract, motivate and retain key executives and to establish and maintain a performance and achievement-oriented environment. The program consists of both cash and equity-based compensation. The program provides for:

- competitive base salary levels which reflect, in part, individual performance,
- additional annual incentive compensation based on the achievement of financial and other performance goals, and
- long-term stock-based incentive opportunities.

The annual base salary, annual incentive compensation and long-term incentive opportunities are intended to be competitive with market base salary and incentive compensation opportunities. The Committee utilizes data from various commercially available executive compensation surveys in order to identify, on an annual basis, the base salary and incentive opportunities available at manufacturing companies with comparable sales. The Committee believes that these companies likely compete with Sherwin-Williams for executive talent. These companies may include some of the companies comprising the peer group identified in the performance graph if such companies participated in one or more of the compensation surveys. For the various components of compensation, the Committee uses the median compensation paid to executive officers holding equivalent positions or having similar responsibilities in manufacturing companies with comparable sales. The amount of compensation paid to the executive officers is not based upon the cumulative total return on Sherwin-Williams common stock as reflected in the performance graph.

Base Salary. Annual cash compensation consists, in part, of a base salary. With regard to base salary, a salary range for each executive officer is approved on the basis of such person's position and level of responsibility by using the compensation surveys. Once a range is formulated, salary levels are based upon the executive officer's performance and, to a lesser extent, tenure in the particular position. With regard to performance, the executive officer's performance for the prior year is reviewed based on performance criteria (both quantitative and qualitative) which vary by executive officer and which usually relate to the particular business unit or function for which such person has responsibility. The base salary of each executive officer is reviewed and approved annually.

Annual Incentive Compensation. Annual cash compensation also consists of the opportunity to earn additional compensation under the Management Incentive Plan. All of the executive officers participate in the Management Incentive Plan. In determining the amount of annual incentive compensation paid to any of the executive officers, great emphasis is placed on establishing incentive opportunities that are directly linked with Sherwin-Williams' performance

and the maximization of shareholder value. The Committee establishes a threshold goal of increased company earnings, and 75% of this earnings increase must be met before incentive compensation is paid, subject to the Committee's discretion to grant awards for individual performance and make adjustments for non-recurring or unusual items. Sherwin-Williams exceeded 75% of the earnings goal established for 2003.

Annual incentive compensation awarded to an executive officer is also determined by using the median incentive compensation (identified from the compensation surveys), which is generally equivalent to the amount an executive officer could receive under the Management Incentive Plan if a 100% average of Sherwin-Williams' and the individual's goals are attained. Under the Management Incentive Plan, annual bonus awards for the executive officers range from zero, if less than a 75% average of the stated goals are reached, to between 45% and 75% of the executive officer's base salary (depending upon the executive officer's position) if a 100% average of the stated goals are attained. In the event Sherwin-Williams and an executive officer exceed a 100% average of the stated goals, incentive compensation can be awarded up to an aggregate maximum amount of 70% to 110% of the executive officer's base salary (depending upon position). Consequently, incentive compensation paid to an executive officer in any year may exceed the median incentive compensation determined by the compensation surveys.

Decisions on annual incentive compensation awarded to an executive officer are based upon financial performance goals for each Management Incentive Plan year and the accomplishment by the executive officer of individual performance goals. Individual performance goals vary by executive officer and usually relate to the particular business unit or function for which such person has responsibility. The financial performance goals are generally weighted more heavily.

Long-term Incentive Compensation. Long-term incentive compensation may be awarded to any one or all of the executive officers under the 2003 Stock Plan. All of the executive officers participate in the 2003 Stock Plan. Under the 2003 Stock Plan, the Committee may grant stock options to the executive

officers. Grants of stock options are based on competitive market practices, which are determined using the compensation surveys mentioned above. The Committee grants stock options based upon the median market value of the underlying stock relating to stock options that comparable companies have been granting to their executive officers. The specific number of stock options granted to an executive officer is based upon the executive officer's position and level of responsibility. The option exercise price is equal to the fair market value of Sherwin-Williams common stock on the date options are granted. Stock options typically vest at the rate of one-third per year for three years (beginning one year from the date of grant) and expire ten years from the date of grant. All of the executive officers were granted stock options during 2003 under the 2003 Stock Plan.

Awards of restricted stock may be granted to the executive officers under the 2003 Stock Plan. The granting of restricted stock is determined in the same manner that the granting of stock options is determined. If granted, shares of restricted stock are subject to a "substantial risk of forfeiture" and vest in accordance with performance and time restrictions. Under the 2003 Stock Plan, the number of shares of restricted stock that will vest at the end of the restriction period is based upon the achievement of one or more performance goals. Performance goals may relate to any of the following business criteria: earnings before interest, taxes, depreciation and amortization; earnings per share; return on equity; return on net assets employed; and free cash flow. A performance goal may be measured on a periodic, annual, cumulative or average basis and may be established on a corporate-wide basis or with respect to one or more operating units, divisions, subsidiaries, acquired businesses, minority investments, partnerships or joint ventures.

In February 2003, shares of restricted stock were granted to most of the executive officers under the 2003 Stock Plan, including all of the executive officers named in the Summary Compensation Table. The shares of restricted stock granted vest over a four-year period. The number of shares of restricted stock that will actually vest at the end of the four-year period

ranges from 0% to 100% based upon Sherwin-Williams' achievement of specified goals relating to average return on average equity and cumulative earnings before interest, taxes, depreciation and amortization.

The amount of outstanding stock options and shares of restricted stock generally is not considered by the Committee in making awards of stock options and restricted stock.

Chief Executive Officer Compensation.

Mr. Connor's compensation during 2003 consisted of the same elements as the other executive officers – base salary, annual incentive compensation and long-term incentive compensation. The Committee determined Mr. Connor's compensation for 2003 based on a number of factors and criteria. His base salary range was determined using the median base salary of chairmen and chief executive officers for manufacturing companies having comparable sales as Sherwin-Williams. For 2003, the average salary increase given generally to Sherwin-Williams' salaried employees was 4%, and the range of potential increases was 0% to 8.5%. In February 2003, Mr. Connor received a base salary increase of 5%, bringing his base salary to \$997,490. Mr. Connor's increase was based primarily upon the Committee's evaluation of his 2002 performance relating to the financial and other performance measures set forth in the next paragraph.

In addition, in 2003 Mr. Connor earned a bonus of \$1,045,000 as annual incentive compensation under the Management Incentive Plan. The amount of Mr. Connor's bonus was based primarily upon Sherwin-Williams' results for 2003 financial performance goals relating to consolidated net sales, diluted earnings per share, return on shareholders' equity, return on sales, free cash flow, and working capital as a percent of sales.

In 2003, Mr. Connor was awarded 200,000 stock options and 110,000 shares of restricted stock under the 2003 Stock Plan. In determining the number of stock options and shares of restricted stock awarded to Mr. Connor, the

Committee also identified the median market value of the underlying shares relating to stock options and shares of restricted stock which comparable companies granted to their chief executive officers. The amount of outstanding stock options and shares of restricted stock generally is not considered by the Committee in making awards of stock options and restricted stock.

Policy on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code generally provides that certain compensation in excess of \$1 million per year paid to a company's chief executive officer and any of its four other highest paid executive officers is not deductible to a company unless the compensation qualifies for an exception. Section 162(m) provides an exception to the deductibility limit for performance-based compensation if certain procedural requirements, including shareholder approval of the material terms of the performance goal, are satisfied. The Committee believes that grants of options, stock appreciation rights and restricted stock under the 2003 Stock Plan qualify for full deductibility under Section 162(m). Compensation paid under the Management Incentive Plan does not qualify for the exception for performance-based compensation.

At this time, based upon Sherwin-Williams' current compensation structure, the Committee believes it is in the best interests of Sherwin-Williams and its shareholders for the Committee to retain flexibility in awarding incentive compensation under the Management Incentive Plan that does not qualify for the exception for performance-based compensation. The Committee will continue to review and evaluate, as necessary, the impact of Section 162(m) on Sherwin-Williams' compensation programs.

¹ All amounts disclosed in this column are reimbursements for the payment of taxes. As permitted by SEC rules, no amounts are shown with respect to “perquisites and other personal benefits” because the incremental cost of such benefits do not exceed the lesser of \$50,000 or 10% of the total salary and bonus.

² The value of restricted stock indicated in the table is equal to the number of shares of restricted stock granted during such years multiplied by the closing price of our common stock on the date of grant. ¹ One-third of the options granted are exercisable on each of the first, second and third anniversary dates of the grant. In the event of death of the optionee or a change of control of Sherwin-Williams, outstanding options become immediately exercisable in full. All rights under outstanding options terminate on the earliest of (a) the date on which the optionee ceases to be an employee except because of death or retirement, (b) three years after the date of death if the optionee dies while employed by Sherwin-Williams or dies following retirement, or (c) the date on which the optionee intentionally commits an act materially harmful to the interests of Sherwin-Williams.

² The exercise price is equal to the fair market value of our common stock on the date of grant.

³ The amounts disclosed in these columns, which reflect appreciation of the price of our common stock at 5% and 10% annual rates over the ten year terms of the options, are not intended to be a forecast of the price of our common stock and are not necessarily indicative of the actual values which may be realized by the named executive officers or the shareholders. These assumed rates of 5% and 10% would result in the price of our common stock increasing from \$31.20 per share to \$50.82 per share and \$80.92 per share, respectively.

⁴ The amounts disclosed reflect appreciation of the price of our common stock at 5% and 10% annual rates over a ten year period for all shareholders based on the total number of shares of our common stock outstanding on October 24, 2003 (the date on which the options set forth in this table were granted) and assuming a per share price equal to the exercise price of the options.

**EMPLOYMENT CONTRACTS,
TERMINATION OF EMPLOYMENT
AND CHANGE-IN-CONTROL
ARRANGEMENTS**

Severance Pay Agreements. To ensure continuity and the continued dedication of key executives during any period of uncertainty caused by the possible threat of a takeover, Sherwin-Williams has entered into severance pay agreements with key executives, including each of the executive officers named in the Summary Compensation Table. In the event there is a change of control of Sherwin-Williams and the employment of the executive terminates under certain conditions described in the agreements at any time during the two year period following a change of control, the executive will receive an agreed upon amount of severance pay.

For Messrs. Connor and Scaminace, the severance pay agreements provide that upon termination of employment, whether voluntary or involuntary, unless the termination is because of death or by Sherwin-Williams for cause, each will receive accrued salary, bonus and vacation pay. Each executive will also receive a lump sum cash amount equal to four times the sum of (a) twenty-six times his highest regular bi-weekly compensation in effect within the three year period preceding termination, plus (b) the greater of his highest bonus received within the three year period preceding termination or the bonus he would have received for the year of termination had he reached 100% of any stated goals (as explained in the Compensation and Management Development Committee Report on Executive Compensation). In addition, each will continue to participate in Sherwin-Williams' employee welfare benefit plans and other benefit arrangements for a period of four years following termination, and receive special retirement benefits so that the total retirement benefits received will be equal to the retirement benefits which would have been received had his employment with Sherwin-Williams contin-

ued during the four year period following termination. Each will also receive an additional payment equal to the amount of any excise tax imposed on him by Section 4999 of the Internal Revenue Code and any taxes, interest or penalties incurred with respect thereto.

Assuming a termination date of February 29, 2004, the lump sum cash amounts payable under the foregoing provisions of the severance pay agreements (including any amount relating to the excise tax described above) would have been approximately \$14,670,106 and \$9,467,261 for Messrs. Connor and Scaminace, respectively.

For Messrs. Hennessy, Morikis and Stellato, the severance pay agreements provide that upon termination of employment for any reason (including his right to terminate his employment for any reason during the thirty day period immediately following the first anniversary date of a change of control) other than death, disability, by Sherwin-Williams for cause or by the executive for other than good reason, each will receive accrued salary, bonus and vacation pay. Each executive will also receive a lump sum cash amount equal to three times the sum of (a) twenty-six times his highest regular bi-weekly compensation in effect within the three year period preceding termination, plus (b) the greater of his highest bonus received within the three year period preceding termination or the bonus he would have received for the year of termination had he reached 100% of any stated goals (as explained in the Compensation and Management Development Committee Report on Executive Compensation). In addition, each will continue to participate in Sherwin-Williams' employee welfare benefit plans and other benefit arrangements for a period of three years following termination, and receive special retirement benefits so that the total retirement benefits received will be equal to the retirement benefits which would have been received had his employment with Sherwin-Williams contin-

ued during the three year period following termination. Each will also receive an additional payment equal to the amount of any excise tax imposed on him by Section 4999 of the Internal Revenue Code and any taxes, interest or penalties incurred with respect thereto.

Assuming a termination date of February 29, 2004, the lump sum cash amounts payable under the foregoing provisions of the severance pay agreements (including any amount relating to the excise tax described above) would have been approximately \$3,977,870, \$3,447,599 and \$1,972,443 for Messrs. Hennessy, Morikis and Stellato, respectively.

The salary and other benefits provided by the severance pay agreements will be payable either from an escrow fund established by Sherwin-Williams with a national banking institution or from Sherwin-Williams' general funds. Sherwin-Williams has agreed to indemnify each executive for any legal expense incurred in the enforcement of his rights under the severance pay agreements.

Benefit Plans. Sherwin-Williams' stock plans, retirement plans and deferred compensation plans provide for accelerated vesting, and for certain plans accelerated payout of benefits, for all participants in the event of a change of control of Sherwin-Williams. Under Sherwin-Williams' stock option and restricted stock plans, in the event of a change of control, outstanding stock options become immediately exercisable in full and shares of restricted stock no longer are subject to any substantial risk of forfeiture, restrictions on transfer or vesting requirements. Under Sherwin-Williams' deferred compensation plans and retirement plans, in the event of a change of control, the amounts to which participants are entitled are immediately distributable in a lump sum cash payment.

Employment Agreements. None of the executive officers named in the Summary Compensation Table have employment agreements with Sherwin-Williams.

APPROVAL OF AMENDMENTS TO SHERWIN-WILLIAMS' REGULATIONS TO PERMIT THE USE OF COMMUNICATIONS EQUIPMENT FOR FACILITATING SHAREHOLDER MEETINGS AND TO MAKE OTHER CHANGES (PROPOSAL 2)

Shareholders are being asked to approve amendments to Sherwin-Williams' Regulations to permit the use of communications equipment for facilitating meetings of shareholders and to make other changes. The Board of Directors has unanimously approved these amendments to the Regulations, subject to shareholder approval.

A copy of the proposed amended and restated Regulations, which are referred to as the "Proposed Regulations," is attached to this proxy statement as Appendix C, as if the shareholders approve Proposals 2, 3 and 4 at the Annual Meeting. The Regulations as they are currently in effect are referred to as the "Current Regulations." The copy of the Proposed Regulations attached as Appendix C show the proposed additions and deletions contemplated by Proposals 2, 3 and 4. Proposed additions are denoted with bold text; proposed deletions are set apart with the notation "[delete]><delete]."

The following description is a summary of the material differences between the Proposed Regulations and the Current Regulations relating to this Proposal 2. In addition to the changes described below under the caption "Use of Communications Equipment," the Proposed Regulations also contain changes described below under the caption "Other Changes," and reflect changes to correct typographical errors and conform the use of capitalized or shortened terms with the styles utilized elsewhere in the Proposed Regulations. This summary should be read in conjunction with, and is qualified by reference to, the text of the Proposed Regulations, which shareholders should read in its entirety.

Use of Communications Equipment. Recent revisions to Ohio's general corporation law permit increased use of communications equipment in meetings of shareholders and in providing notices. Under the revised law, shareholder meetings need not be held at a physical location. Instead, those meetings may be held

through means of communications equipment that permit shareholders or their proxies to participate in the meeting, to count towards quorum requirements, and to vote on matters submitted to the shareholders. The proposed amendments resulting from these changes are reflected in Sections 1, 3, 4 and 5 of Article I of the Proposed Regulations.

In addition to using communications equipment to facilitate shareholder meetings, Ohio law modernizes the means through which corporations, shareholders and directors may provide notices and consents. In addition to personal delivery and mail, notices may now be given via overnight delivery service or other means of communications equipment authorized by a shareholder or director, which would include by facsimile or email if so authorized. Similarly, shareholders and directors may submit their consent to actions to be taken without a meeting via overnight delivery service, telegram, electronic mail, or other transmissions capable of authentication. The proposed amendments resulting from these changes affect Sections 4 and 7 of Article I, and Sections 2 and 4 of Article II.

Other Changes.

Date of Annual Meeting. Article I, Section 1 and Section 3 of the Proposed Regulations provide flexibility to the Board of Directors to determine the date and time of the annual meeting of shareholders. The Current Regulations require that the annual meeting of the shareholders take place on the fourth Wednesday in April each year.

Voting and Abstentions. Article I, Section 6 of the Proposed Regulations includes additional language clarifying that abstentions will not count as “votes cast” for purposes of determining the outcome of votes of the shareholders.

Quorum. Article II, Section 3 of the Proposed Regulations provides that a majority of the directors will constitute a quorum for the transaction of business at a meeting of the Board of Directors. The Current Regulations specify that the lesser of (a) a majority of the directors and (b) five directors, would constitute a quorum for the transaction of business at a meeting of the Board of Directors.

Committee Sizes and Sub-Delegation. Reflecting a change in Ohio’s general corporation law, Article II, Section 5 of the Proposed Regulations provides that no committee of the Board of Directors may consist of less than one director, and that unless otherwise restricted by an action of the Board of Directors, any committee of the Board of Directors may further delegate any or all of its authority and duties to a subcommittee of one or more of its members. The Current Regulations provide that no committee may consist of fewer than three directors and do not expressly discuss delegation.

Membership of President on Board. Article III, Section 1 of the Proposed Regulations, unlike the corresponding Section in the Current Regulations, does not require the President of Sherwin-Williams to be a director of Sherwin-Williams.

Chairman of the Board. Article III, Section 1 of the Proposed Regulations also clarifies that the Chairman of the Board of Sherwin-Williams need not be an officer or employee.

Indemnification. Article IV, Section 1 of the Proposed Regulations provides that Sherwin-Williams will indemnify, to the fullest extent then provided by applicable law, any director, officer, or former director or officer of Sherwin-Williams who was or is a party (or is threatened to be made a party) to any legal proceeding by reason of the fact that the person is or was a director, officer, employee or agent of Sherwin-Williams, or was serving at Sherwin-Williams’ request as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The Current Regulations provide similar protection, but are a verbatim statement of the current limits on the indemnification protection permitted by Ohio law and do not automatically incorporate changes in the applicable law in the future.

Amendments of the Regulations. Article V, Section 4 of the Proposed Regulations provides that the Regulations may be amended, among other ways, by the unanimous written consent of the shareholders. The Current Regulations permit the amendment of the Regulations by the written consent of the shareholders of record entitled to exercise a

majority of the voting power on the proposal. This change conforms the requirements for amendment of the Proposed Regulations to all other actions to be taken under the Regulations by the shareholders by written consent.

The Board of Directors believes that these amendments, when approved by the shareholders, are desirable because they will improve Sherwin-Williams' communications with its shareholders in meetings of shareholders and in providing notices by making such communications quicker and less expensive, and because these amendments properly incorporate recent changes in the law and best practices of public companies.

The Board of Directors recommends that you vote "FOR" Proposal 2 relating to amendments to Sherwin-Williams' Regulations to permit the use of communications equipment for facilitating shareholder meetings and to make other changes.

**APPROVAL OF AMENDMENTS TO
SHERWIN-WILLIAMS' REGULATIONS TO
PROVIDE NOTICE AND OTHER
PROCEDURES FOR THE CONDUCT OF
SHAREHOLDER MEETINGS
(PROPOSAL 3)**

Shareholders also are being asked to approve amendments to Sherwin-Williams' Regulations to provide for notice and other procedures for the conduct of meetings of shareholders. The Board of Directors has unanimously approved these amendments to the Regulations, subject to shareholder approval.

The full text of Article I, Section 8 of the Proposed Regulations, which reflects these amendments, is part of the Proposed Regulations that are attached to this proxy statement as Appendix C. The following summary should be read in conjunction with, and is qualified by reference to, the text of Article I, Section 8 of the Proposed Regulations, which shareholders should read in its entirety.

The Proposed Regulations include a new Section 8 in Article I, which provides detailed notice and other procedures for the conduct of meetings of shareholders. Article I, Section 8 of the Proposed Regulations identifies the persons

that may call meetings of shareholders to order, identifies matters that have been properly presented before the meeting, and regulates the conduct of the meeting.

The Proposed Regulations provide that for business to be properly requested by a shareholder to be brought before an annual meeting, the shareholder must be a shareholder of record of Sherwin-Williams at the time of giving of the notice for the annual meeting, must be entitled to vote at the annual meeting, and must give the notice in a timely fashion. For the notice to be timely, it must, in general, be received at Sherwin-Williams' principal executive offices not fewer than 60 nor more than 90 calendar days prior to the date of the annual meeting. The notice must also set forth information described in the Proposed Regulations, including, among other things, a description of the business desired to be brought before the annual meeting and the reasons for conducting the business at the annual meeting; the name, address and share ownership of the person making the proposal; and any material interest that the shareholder may have in the proposal. The notice must also comply with the requirements of any applicable securities laws. The Proposed Regulations also provide that, in general, at a special meeting of shareholders only business specified in the notice of the meeting or brought before the meeting by the presiding officer or at the direction of a majority of the Board of Directors may be conducted.

The Board of Directors believes that these amendments, when approved by the shareholders, are in the best interests of the shareholders and Sherwin-Williams because they modernize and clarify the mechanics and procedures that Sherwin-Williams may utilize in the conduct of its meetings of shareholders and properly incorporate best practices of public companies. It is possible that these amendments could have the effect of making it more difficult for a potential acquiror to obtain control of Sherwin-Williams on a hostile basis. The Board of Directors believes, however, that its ability to maximize shareholder value is enhanced to the extent these amendments encourage potential acquirors of Sherwin-Williams to negotiate with the Board of Directors.

The Board of Directors recommends that you vote “FOR” Proposal 3 relating to amendments to Sherwin-Williams’ Regulations to provide notice and other procedures for the conduct of shareholder meetings.

APPROVAL OF AMENDMENTS TO SHERWIN-WILLIAMS’ REGULATIONS TO PROVIDE NOTICE AND OTHER PROCEDURES FOR SHAREHOLDERS TO NOMINATE DIRECTORS (PROPOSAL 4)

Shareholders also are being asked to approve amendments to Sherwin-Williams’ Regulations to provide for notice and other procedures for shareholders to nominate a person to serve as a director of Sherwin-Williams. The Board of Directors has unanimously approved these amendments to the Regulations, subject to shareholder approval.

The full text of Article II, Section 6 of the Proposed Regulations, which reflects these amendments, is part of the Proposed Regulations that are attached to this proxy statement as Appendix C. The following summary should be read in conjunction with, and is qualified by reference to, the text of Article II, Section 6 of the Proposed Regulations, which shareholders should read in its entirety.

Article II, Section 6 of the Proposed Regulations provides the requirements to nominate a person to serve as a director of Sherwin-Williams (except as may otherwise be provided in the express terms of any of Sherwin-Williams’ outstanding serial preferred stock). For shareholders that wish to nominate persons to serve as directors of Sherwin-Williams, the shareholder must be a shareholder of record at the time of giving the notice provided for in Section 6, who is entitled to vote for the election of directors at the meeting of shareholders and who complies with the procedures set forth in Section 6. For the notice to be timely, it must, in general, be received at Sherwin-Williams’ principal executive offices not fewer than 60 nor more than 90 calendar days prior to the date of the annual meeting. Article II, Section 6 also requires the shareholder making the nomination to represent that he or she intends to appear at the specified annual meeting of shareholders to nominate the

person identified in the notice, to disclose any arrangements and understandings between the shareholder making the nomination and the nominee, and to provide any other information regarding the nominee that would be required to be included in a proxy statement had the nominee been nominated by the Board of Directors.

The Board of Directors believes that these amendments, when approved by the shareholders, are in the best interests of the shareholders and Sherwin-Williams because they modernize and clarify the mechanics and procedures that Sherwin-Williams may utilize in shareholder nominations of persons to serve as directors of Sherwin-Williams and properly incorporate best practices of public companies. It is possible that these amendments could have the effect of making it more difficult for a potential acquiror to obtain control of Sherwin-Williams on a hostile basis. The Board of Directors believes, however, that its ability to maximize shareholder value is enhanced to the extent these amendments encourage potential acquirors of Sherwin-Williams to negotiate with the Board of Directors.

The Board of Directors recommends that you vote “FOR” Proposal 4 relating to amendments to Sherwin-Williams’ Regulations to provide notice and other procedures for shareholders to nominate directors.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (PROPOSAL 5)

The Audit Committee has appointed Ernst & Young LLP as Sherwin-Williams’ independent auditors to examine Sherwin-Williams’ consolidated financial statements for the fiscal year ending December 31, 2004. Ernst & Young LLP acted as Sherwin-Williams’ independent auditors for the fiscal year ended December 31, 2003. Additional information regarding the services provided to Sherwin-Williams by Ernst & Young LLP during 2003 is set forth under the caption entitled “Matters Relating to the Independent Auditors,” on the next page.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting

and will have an opportunity to make a statement if they wish and to respond to appropriate shareholder questions.

Although shareholder ratification is not required under the laws of the State of Ohio, the appointment of Ernst & Young LLP is being submitted to the shareholders for ratification at the Annual Meeting in order to provide a means by which the shareholders may communicate their opinion to the Audit Committee. If the shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider the appointment.

The Board of Directors recommends that you vote “FOR” Proposal 5 relating to the ratification of the appointment of Ernst & Young LLP as Sherwin-Williams’ independent auditors for the fiscal year ending December 31, 2004.

**MATTERS RELATING TO THE
INDEPENDENT AUDITORS**

Fees Paid to Ernst & Young LLP. The following table sets forth the fees paid for services provided by Ernst & Young LLP during the fiscal years ended December 31, 2002 and December 31, 2003. Certain amounts for 2002 have been reclassified to conform to the 2003 presentation.

	<u>2003</u>	<u>2002</u>
Audit Fees	\$ 831,198	\$ 800,778
Audit-Related Fees	140,131	139,324
Tax Fees	909,284	233,382
All Other Fees	5,575	14,031
Total	\$1,886,188	\$1,187,515

The following is a description of the nature of the services comprising the fees disclosed in the table above for each of the four categories of services. The Audit Committee has considered whether providing non-audit services is compatible with maintaining Ernst & Young LLP’s independence.

Audit Fees. These are fees for professional services rendered by Ernst & Young LLP for the audit of Sherwin-Williams’ annual consolidated financial statements, the review of financial statements included in Sherwin-

Williams’ Quarterly Reports on Form 10-Q, audits of foreign subsidiary financial statements required by local statutes, and services that are typically rendered in connection with statutory and regulatory filings or engagements.

Audit-Related Fees. These are fees for assurance and related services rendered by Ernst & Young LLP that are reasonably related to the performance of the audit or the review of Sherwin-Williams’ financial statements that are not included as audit fees. These services include employee benefit and compensation plan audits, due diligence related to mergers and acquisitions, consulting on accounting matters in foreign jurisdictions, and consulting on financial accounting and reporting.

Tax Fees. These are fees for professional services rendered by Ernst & Young LLP with respect to tax compliance, tax advice and tax planning. These services include the review of tax returns, tax audit assistance in foreign jurisdictions, and consulting on tax planning matters.

All Other Fees. These are fees for other services rendered by Ernst & Young LLP that do not meet the above category descriptions. These services include consulting services that are permissible under applicable laws and regulations relating to foreign subsidiaries and life insurance benefits.

Audit Committee Pre-approval Policy. The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for Sherwin-Williams by Ernst & Young LLP prior to their engagement for such services. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to pre-approve all audit and non-audit services when the entire Audit Committee is unable to pre-approve services. The Chairman must report to the Audit Committee at its next meeting all such services pre-approved since the last meeting. None of the fees paid to Ernst & Young LLP under the categories Audit-Related, Tax and All Other were approved by the Audit Committee after the services were rendered pursuant to the de minimis exception established by the SEC.

Shares of shadow stock are owned by executive officers under the Deferred Compensation Savings and Pension Equalization Plan and the Revised Key Management Deferred Compensation Savings Plan, whereby eligible employees may defer payment of a portion of such employee's compensation into a shadow stock account. Shares of shadow stock owned under these plans are credited to a separate account in which participants acquire units. Units are payable only in cash. Board of Directors
Audit Committee Charter

The Chairman of the Committee will, in consultation with the other members of the Committee and the appropriate officers of the Company, be responsible for calling meetings of the Committee, establishing the agenda for the meetings and conducting the meetings of the Committee.

In connection with the independence of the independent auditors, the Committee will (a) ensure that the independent auditors submit on a periodic basis to the Committee a formal written statement delineating all relationships between the independent auditors and the Company, (b) consider whether the providing of any non-audit services by the independent auditors is compatible with maintaining the independence of the independent auditors, (c) actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors, and (d) recommend that the Board take appropriate action in response to the independent auditors' report to satisfy itself of the independence of the independent auditors.

- 7) Review with management and the independent auditor the annual audited financial statements and quarterly financial statements, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations." Such review shall include a review with the independent auditor of any audit problems or difficulties and management's response thereto.

- 11) Review with management the Company's policies and guidelines used by management to assess and manage the Company's exposure to financial risk.
- 12) Establish hiring policies and guidelines for the Company with respect to current and former employees of the independent auditor.
- 13) Review such other matters in relation to the accounting, auditing and financial reporting practices and procedures of the Company as the Committee may, in its own discretion, deem desirable in connection with the review functions described above.

- 14) Review with appropriate officers of the Company the Company's policies and procedures with respect to (a) compliance with applicable laws and regulations and (b) proper business conduct and practices.
- 15) Prepare annually any reports required by the rules of the Commission to be included in the Company's annual proxy statement.
- 16) Conduct an annual evaluation of the Committee's own performance.
- 17) Review and evaluate the adequacy of this Charter at least annually and recommend any proposed changes to the Board for approval.

The Committee shall have the sole authority to retain and terminate the independent auditor and shall have sole authority to approve the independent auditor's fees and other retention terms. The Committee shall be directly responsible for the oversight of the work of the independent auditor (including the resolution of any disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Committee.

The Committee shall have the authority to retain, at such times and on such terms as the Committee determines in its sole discretion and at the Company's expense, independent legal counsel or other independent consultants and advisors, to advise and assist the Committee in discharging its responsibilities.

The Committee may form and delegate authority to subcommittees (consisting of one or more members) when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services. Any decisions of any such subcommittee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

Limitation of Responsibilities

While the Committee has the powers and responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits, to determine that the Company's financial statements are complete and accurate or to determine that such financial statements are in accordance with generally accepted accounting principles. It is also not the responsibility of the Committee to conduct investigations or to assure compliance with laws and regulations, and the Company's policies, procedures and corporate compliance programs. These are the responsibility of management and the independent auditor.

Meetings

The Committee shall meet as frequently as it determines necessary to discharge its responsibilities. The Committee will meet periodically with management, the internal audit management and the independent auditor in separate executive sessions. In addition, the Committee may request any officer or employee of the Company, or the Company's outside legal counsel, independent auditors and other third parties to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. A majority of the members of the Committee shall constitute a quorum. Members of the Committee may participate in a meeting of the Committee by means of conference call or any other communications equipment by which all persons participating in the meeting can hear each other. The Committee shall report its activities to the Board at the Board's first regular meeting thereafter or at such earlier times as it deems appropriate.

APPENDIX B

The Sherwin-Williams Company Board of Directors Director Independence Standards

The Board of Directors of The Sherwin-Williams Company has adopted the following Director Independence Standards to assist the Board in determining the independence of a director. To be considered “independent,” the Board must affirmatively determine that the director has no material relationship with the Company. In each case, the Board shall broadly consider all relevant facts and circumstances, including the director’s commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships. The Board shall also consider such other criteria as the Board may determine from time to time.

1. In no event will a director be considered “independent” if such director fails to qualify as an “independent director” under Rule 303A.02(b) of the New York Stock Exchange Listed Company Manual. In addition, a director will not be independent if, within the preceding three years: (i) the director was employed by the Company; (ii) an immediate family member of the director was employed by the Company; (iii) the director receives, or an immediate family member receives, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service); (iv) the director was employed by or affiliated with the Company’s independent auditor; (v) an immediate family member of the director was employed as a partner, principal or manager, or employed in any other professional capacity, by the Company’s independent auditor; or (vi) a Company executive officer served on the compensation committee of a company which employed the director, or which employed an immediate family member of the director, as an executive officer.
2. In addition to the relationships described in paragraph 1, audit committee members may not (i) directly or indirectly accept any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries or (ii) be an affiliated person of the Company or any of its subsidiaries. Audit committee members may receive directors’ fees, in the form of cash, stock, stock units, stock options or other consideration ordinarily available to directors, as well as regular benefits that other directors receive.
3. The following commercial and charitable relationships will not be considered to be material relationships that would impair a director’s independence: (i) if a Company director is an executive officer or employee of another company that, during any of the past three years, made payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, is less than \$1 million or two percent, whichever is greater, of such other company’s annual consolidated gross revenues; (ii) if an immediate family member of a Company director is an executive officer of another company that, during any of the past three years, made payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, is less than \$1 million or two percent, whichever is greater, of such other company’s annual consolidated gross revenues; (iii) if a Company director, or an immediate family member of such director, is an executive officer of another company which is indebted to the Company in an amount which is less than five percent of such other company’s total consolidated assets; and (iv) if a Company director, or an immediate family member of such director, serves as an officer, director or trustee of a foundation, university, charitable or other not for profit organization, and the Company’s, or the Company’s Foundation’s discretionary charitable contributions (the Company’s Foundation matching of employee charitable contributions will not be included in the amount of the Foundation’s contributions for this purpose) to the organization, in the

aggregate, are less than five percent of that organization's total annual consolidated gross revenues.

4. For relationships not covered by the categorical standards in paragraphs 1 and 3, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the directors who satisfy the standards set forth in paragraphs 1 and 3. The Company will explain in the next proxy statement the basis for any board determination that a relationship is immaterial despite the fact that it does not meet the categorical standards set forth in paragraphs 1 and/or 3 above.
5. The Board shall undertake an annual review of the independence of all directors. In advance of the meeting at which this review occurs, each director shall be asked to provide the Board with full information regarding the director's (including immediate family members') business, charitable and other relationships with the Company to enable the Board to evaluate the director's independence.
6. Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as "independent". This obligation includes all business, charitable and other relationships between directors (including immediate family members) and the Company and its affiliates.

For purposes of these Director Independence Standards, "immediate family member" includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

In all cases, except where otherwise by statute or the Articles or the Regulations provided, a majority of the votes cast ~~[delete> shall control. <delete]~~, **whether in person, by proxy or by the use of communications equipment, on any matter properly brought before such meeting will be the act of the shareholders. An abstention shall not count as a vote cast.**

Section 8. Order of Business

(a) The Chairman of the Board, or such officer of the Company as is designated by a majority of the total number of directors that the Company would have if there were no vacancies among the Directors (such number being referred to as the "Whole Board"), will call meetings of shareholders to order and will act as presiding officer thereof. Unless otherwise determined by the Directors prior to the meeting, the presiding officer of the meeting of shareholders will also determine the order of business and have the authority in his or her sole discretion to regulate the conduct of any such meeting, including, without limitation, (i) by imposing restrictions on the persons (other than shareholders of the

Company or their duly appointed proxies) who may attend any such shareholders' meeting, (ii) by ascertaining whether any shareholder or his proxy may be excluded from any meeting of shareholders based upon the presiding officer's determination that any such person has unduly disrupted or is likely to disrupt the proceedings of the meeting and (iii) by determining the circumstances in which and time at which any person may make a statement or ask questions at any meeting of shareholders.

(b) At an annual meeting of the shareholders, only such business will be conducted or considered as is properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the President, a Vice President, the Secretary or an Assistant Secretary in accordance with Section 4 of Article I of these Regulations, (ii) otherwise properly brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board or (iii) otherwise properly requested to be brought before the meeting by a shareholder of the Company in accordance with Section 8(c) of Article I of these Regulations.

(c) For business to be properly requested by a shareholder to be brought before an annual meeting, the shareholder must (i) be a shareholder of the Company of record at the time of the giving of the notice for such annual meeting as provided for in these Regulations, (ii) be entitled to vote at such meeting and (iii) have given timely written notice of the request to the Secretary. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not fewer than 60 nor more than 90 calendar days prior to the annual meeting; *provided, however*, in the event that public announcement of the date of the annual meeting is not made at least 75 calendar days prior to the date of the annual meeting and the annual meeting is held on a date more than ten calendar days before or after the first anniversary of the date on which the prior year's annual meeting was held, notice by the shareholder, to be timely, must be so received not later than the close of business on the 10th calendar day following the day on which public announcement is first made of the date of the annual meeting. A shareholder's notice to the Secretary must set forth as to each matter the shareholder proposes to bring before the annual meeting:

(i) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting;

(ii) the name and address, as they appear on the Company's books, of the shareholder proposing such business and of the beneficial owner, if other than the shareholder, on whose behalf the proposal is made;

(iii) the class and number of shares of stock of the Company that are owned beneficially and of record by the shareholder proposing such business and by the beneficial owner, if other than the shareholder, on whose behalf the proposal is made; and

(iv) any material interest of the shareholder proposing such business and the beneficial owner, if other than the shareholder, on whose behalf the proposal is made in such business.

Notwithstanding the foregoing provisions of these Regulations, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder with respect to the matters set forth in this section. For purposes of this section, "public announcement" means disclosure in a press release reported by the Dow Jones News Service, Associated Press, or comparable national news service or in a document publicly filed by the Company with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Securities Exchange

Act of 1934, as amended, or publicly filed by the Company with any national securities exchange or quotation service through which the Company's stock is listed or traded, or furnished by the Company to its shareholders. Nothing in this section will be deemed to affect any rights of shareholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

(d) At a special meeting of shareholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting, business must be (i) specified in the notice of the meeting (or any supplement thereto) given by or at the direction of the President, a Vice President, the Secretary or an Assistant Secretary (or in case of their failure to give any required notice, the other persons entitled to give notice) in accordance with Section 4 of Article I of these Regulations or (ii) otherwise brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board.

(e) The determination of whether any business sought to be brought before any annual or special meeting of the shareholders is properly brought before such meeting in accordance with this section will be made by the presiding officer of such meeting. If the presiding officer determines that any business is not properly brought before such meeting, he or she will so declare to the meeting and any such business will not be conducted or considered.

ARTICLE II

DIRECTORS

Section 1. Election, Number and Term of Office

The Directors shall be elected at the annual meeting of shareholders, or if not so elected, at a special meeting of shareholders called for that purpose, and each Director shall hold office until the date fixed by these Regulations for the next succeeding annual meeting of shareholders and until his successor is entitled, or until his earlier resignation, removal from office, or death. At any meeting of shareholders at which Directors are to be elected, only persons nominated as candidates shall be eligible for election.

The number of Directors, which shall not be less than three, may be fixed or changed at a meeting of the shareholders called for the purpose of electing Directors at which a quorum is present, by the affirmative vote of the holders of a majority of the shares represented at the meeting and entitled to vote on such proposal. In case the shareholders at any meeting for the election of Directors shall fail to fix the number of Directors to be elected, the number elected shall be deemed to be the number of Directors so fixed.

In addition to the authority of the shareholders to fix or change the number of Directors, the number of Directors so fixed may be increased or decreased by not more than two between shareholders' meetings by the ~~[delete>Board of<delete]~~ Directors at a meeting or by action without a meeting, and the number of Directors as so changed shall be the number of Directors until further changed in accordance with this ~~section [delete>Section<delete]~~; provided, that no such decrease in the number of Directors shall result in the removal of any incumbent Director or reduction in the term of any incumbent Director. In the event that the Directors increase the number of Directors, the Directors who are then in office may fill any vacancy created thereby.

Section 2. Meetings

Regular meetings of the Directors shall be held immediately after the annual meeting of shareholders and at such other times and places as may be fixed by the Directors, and such meetings may be held without further notice.

Special meetings of the Directors may be called by the Chairman of the Board or by the President or by a Vice President or by the Secretary, or by not less than one-third of the Directors. Notice of the time and place of a special meeting shall be served upon or telephoned to each Director at least twenty-four hours, or ~~[delete]>mailed, telegraphed or cabled to <delete]~~ **sent by mail, telegram, cablegram, overnight delivery service, or any other means of communication authorized by the Directors to** each Director at least forty-eight hours prior to the time of the meeting.

Section 3. Quorum

A majority ~~[delete]>or five (whichever is the lesser)<delete]~~ of the Directors then in office shall constitute a quorum for the transaction of business, but if **at any [delete]>other<delete]** meeting of the Directors there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time without notice other than announcement at the meeting until a quorum shall attend.

Section 4. Action Without a Meeting

Any action which may be authorized or taken at a meeting of the Directors may be authorized or taken without a meeting in a writing or writings signed by all the Directors, which writing or writings shall be filed with or entered upon the records of the Company. **A telegram, cablegram, electronic mail, or an electronic or other transmission capable of authentication that appears to have been sent by a Director and that contains an affirmative vote or approval of that Director is a signed writing for the purposes of this section, and the date on which it is sent is the date that it is deemed to be signed.**

Section 5. Committees

The Directors may from time to time create a committee or committees of Directors to act in the intervals between meetings of the Directors and may delegate to such committee or committees any of the authority of the Directors other than that of filling vacancies among the Directors or in any committee of the Directors. No committee shall consist of less than **one Director** ~~[delete]>three Directors<delete]~~. The Directors may appoint one or more Directors as alternate members of any such committee, who may take the place of any absent member or members of any meeting of such committee.

In particular, the Directors may create and define the powers and duties of an Executive Committee. Except as above provided and except to the extent that its powers are limited by the Directors, the Executive Committee during the intervals between meetings of the Directors shall possess and may exercise, subject to the control and direction of the Directors, all of the powers of the Directors in the management and control of the business of the Company, regardless of whether such powers are specifically conferred by these Regulations. All action taken by the Executive Committee shall be reported to the Directors at their first meeting thereafter.

Unless otherwise ordered by the Directors, a majority of the members of any committee appointed by the Directors pursuant to this section shall constitute a quorum at any meeting thereof, and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of such committee. Action may be taken by any such committee without a meeting by a writing or writings signed by all of its members **in a manner consistent with Section 4 of this Article II**. Any such committee shall prescribe its own rules for calling and holding meetings and its method of procedure, subject to any rules prescribed by the Directors, and shall keep a written record of all action taken by it.

Unless otherwise restricted by action of the Board of Directors, any committee of Directors created pursuant to this section may further delegate any or all of its authority and duties to a subcommittee of one or more of its members.

Section 6. Nominations of Directors; Election

(a) Except as may be otherwise provided in the express terms of any outstanding serial preferred stock, only persons who are nominated in accordance with this section will be eligible for election at a meeting of shareholders to be members of the Board of Directors of the Company.

(b) Nominations of persons for election as directors of the Company may be made only at a meeting of shareholders (i) by or at the direction of the Board of Directors or a committee thereof or (ii) by any shareholder who is a shareholder of record at the time of giving of the notice provided for in this section, who is entitled to vote for the election of directors at such meeting, and who complies with the procedures set forth in this section. All nominations by shareholders must be made to the Secretary in proper written form and must be timely.

(c) To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the Company, in the case of a special meeting of the shareholders, at the time the meeting call is made in accordance with Section 2 of Article I, or, in the case of an annual meeting, not fewer than 60 nor more than 90 calendar days prior to such annual meeting; *provided, however*, in the event that public announcement of the date of the annual meeting is not made at least 75 calendar days prior to the date of the annual meeting and the annual meeting is held on a date more than ten calendar days before or after the first anniversary of the date on which the prior year's annual meeting was held, notice by the shareholder, to be timely, must be so received not later than the close of business on the 10th calendar day following the day on which public announcement is first made of the date of the annual meeting.

(d) To be in proper written form, such shareholder's notice must set forth or include:

(i) the name and address, as they appear on the Company's books, of the shareholder giving the notice and of the beneficial owner, if other than the shareholder, on whose behalf the nomination is made;

(ii) a representation that the shareholder giving the notice is a holder of record of stock of the Company entitled to vote at such annual meeting and intends to appear in person or by proxy at the annual meeting to nominate the person or persons specified in the notice;

(iii) the class and number of shares of stock of the Company that are owned beneficially and of record by the shareholder giving the notice and by the beneficial owner, if other than the shareholder, on whose behalf the nomination is made;

(iv) a description of all arrangements or understandings between or among any of (A) the shareholder giving the notice, (B) the beneficial owner on whose behalf the notice is given, (C) each nominee and (D) any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder giving the notice;

(v) such other information regarding each nominee proposed by the shareholder giving the notice as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board of Directors; and

(vi) the signed consent of each nominee to serve as a director of the Company if so elected.

(e) The presiding officer of any annual meeting may, if the facts warrant, determine that a nomination was not made in accordance with this section, and if the presiding officer

should so determine, the presiding officer shall so declare to the meeting, and the defective nomination will be disregarded. Notwithstanding the foregoing provisions of this section, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder with respect to the matters set forth in this section.

ARTICLE III

OFFICERS

Section 1. Officers

All of the officers and assistant officers shall be elected by the Directors. The Company may have a Chairman of the Board (**who shall be a Director**) and shall have a President ~~[delete] > (both of whom shall be Directors) < delete]~~, a Secretary and a Treasurer. The Company may also have one or more Vice Presidents and such other officers and assistant officers as the Directors may deem necessary. **The Company's Chairman of the Board need not be an officer or employee.**

Section 2. Authority and Duties of Officers

The officers of the Company shall have such authority and shall perform such duties as are customarily incident to their respective offices, or as may be specified from time to time by the Directors regardless of whether such authority and duties are customarily incident to such office.

ARTICLE IV

INDEMNIFICATION, INSURANCE AND LIMITATION OF LIABILITY

Section 1. Indemnification

~~[delete > (a) The Company shall indemnify any person who was or is a party or is threatened with being made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including all appeals (other than an action, suit or proceeding by or in the right of the Company) by reason of the fact that he is or was a Director, officer or employee of the Company, or is or was serving at the request of the Company as a Director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, decrees, fines, penalties and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *noto contendere* or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal action, suit or proceeding, that he had reasonable cause to believe that his conduct was unlawful.~~

~~(b) the Company shall indemnify any person who was or is a party or is threatened with being made a party to any threatened, pending or completed action, suit or proceeding, including all appeals, by or in the right of the Company to procure a judgment in its favor by reason of the fact that he is or was a Director, officer or employee of the Company, or is or was serving at the request of the Company as a Director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action, suit or proceeding if he~~

acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, except that no indemnification shall be made in respect of any of the following:

~~(1) any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his duty to the Company unless, and only to the extent that the court of common pleas, or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;~~

~~(2) any action or suit in which the only liability asserted against a Director is pursuant to Section 1701.95 of the Ohio Revised Code.~~

~~(c) Without limiting the right of any Director, officer or employee of the Company to indemnification under any other subsection hereof, if such person has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the action, suit or proceeding.~~

~~(d) Except in a situation governed by subsection (c), any indemnification under subsections (a) and (b) (unless ordered by a court) shall be made by the Company only as authorized in the specific case upon a determination that indemnification of the Director, officer or employee is proper in the circumstances because he has met the applicable standard of conduct set forth in subsections (a) and (b). Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who are not or were not parties to or threatened with such action, suit or proceeding, or any other action, suit or proceeding arising from the same or similar operative facts, or (2) if such a quorum is not obtainable, or even if obtainable, if a majority of such quorum of disinterested Directors so directs, by independent legal counsel (compensated by the Company) in a written opinion, or (3) if there be no disinterested Directors, or if a majority of the disinterested Directors, whether or not a quorum, so directs, by vote in person or by proxy of the holders of a majority of the shares entitled to vote in the election of Directors, without reference to default or contingency which would permit the holders of one or more classes of shares to vote for the election of one or more Directors.~~

~~(e) Unless the only liability asserted against a Director in an action, suit or proceeding referred to in subsections (a) and (b) of this section is pursuant to Section 1701.95 of the Ohio Revised Code, expenses, including attorneys' fees, incurred by a Director in defending the action, suit or proceeding shall be paid by the Company as they are incurred, in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the Director in which he agrees to do both of the following:~~

~~(1) repay such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the Company or undertaken with reckless disregard for the best interests of the Company.~~

~~(2) reasonably cooperate with the Company concerning the action, suit or proceeding.~~

~~Expenses, including attorneys' fees, incurred by other persons entitled to indemnification hereunder in defending any action, suit or proceeding referred to in subsections (a) and (b) of this section may be paid by the Company as they are incurred, in advance of the final disposition of the action, suit or proceeding as authorized by the Directors in the specific case upon receipt of an undertaking by or on behalf of such persons to repay such amount, if it ultimately is determined that he is not entitled to be indemnified by the Company.~~

~~(f) The indemnification authorized by this Article shall not be exclusive of and shall be in addition to any other rights granted to any person as a matter of law, by the Articles, Regulations, agreements, insurance, vote of shareholders or otherwise, with respect to action in his official capacity and with respect to action in another capacity while holding such office and shall continue as to a person who has ceased to be a Director, officer, or employee and shall inure to the benefit of the heirs, executors and administrators of such a person.~~

~~(g) Subsections (a) through (f) of this Article shall apply to such agents of the Company as are designated at any time by the Board of Directors.~~

~~(h) If any part of this Article shall be found, in any action, suit or proceeding, to be invalid or ineffective, the validity and the effect of the remaining parts shall not be affected. <delete]~~

(a) The Company shall indemnify, to the full extent then permitted by law, any Director or officer or former Director or officer of the Company who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the individual is or was a Director or an officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.
