#### Rescission Offer:

This is an offer to rescind your purchase of Units of partnership interest in the Partnership. If you accept the offer to rescind your purchase of Units, then we will: (i) refund you the full amount paid for your Units of interest in the Partnership, and (ii) release you from any contractual obligations as a partner in the Partnership. Notwithstanding the foregoing, in the event that the Partnership is unable to meet its full obligation to honor rescission requests, based upon the funds available to the Partnership and the rescission requests received during the Offer Period, obligations to refund Unit purchase price will be addressed and satisfied on a pro rata basis, depending upon the amount available and total rescission requests. The Partnership will thereafter endeavor to fully satisfy such obligations as promptly as possible, but will do so based upon available funds and on a pro rata basis. As described in the accompanying letter, there can be no assurance that the Partnership will have sufficient resources to satisfy all rescission requests when made.

If you confirm your purchase, nothing will change, and you will retain your Units of partnership interest in the Partnership.

☐ I accept this offer to rescind my purchase of Units of partnership interest in the Partnership. Please refund the purchase price of the Units.

☐ I confirm my purchase of Units of partnership interest in the Partnership, and decline this offer to rescind my purchase.
