The Securities and Exchange Commission (Commission) issued an Order Instituting Proceedings (OIP) on June 24, 2008, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act). The OIP alleges that each of the seven Respondents has a class of securities registered with the Commission, each is delinquent in its required periodic filings with the Commission, and thus each has failed to comply with Section 13(a) of the Exchange Act and Exchange Act Rules 13a-1 and 13a-13. The Division of Enforcement (Division) notified each Respondent that the Division's investigative file was available for inspection or copying by letter dated June 24, 2008. 17 C.F.R. § 201.230(a).

On July 11 and July 21, 2008, the Commission issued orders making findings and revoking the registration of each class of registered securities of National Fruit and Vegetable Technology Corp. and National Properties Investment Trust, respectively. See Securities Exchange Act of 1934, Release No. 58141 and Release No. 58198.

On July 1, 2008, the Division filed the Declaration of Neil J. Welch, Jr., to Assist Secretary With Record of Service. I issued an order on July 11, 2008, finding that each Respondent had been served with the OIP and giving notice that each Respondent who failed to file an Answer or appear at a prehearing conference on July 21, 2008, would be found in default.

Rulings

I GRANT the Division's Motion for Default, filed July 11, 2008, and find National Record Mart, Inc. (National Record), National Sorbents, Inc. (National Sorbents), Nations

(Netgain), are in default because they have not filed Answers to the OIP and they did not appear at the telephonic prehearing conference on July 21, 2008, of which they had notice. 17 C.F.R. §§ 201.155(a), .220(f), .221(f). Commission finds that the issuer has failed to comply with a provision of the Exchange Act or the rules and regulations thereunder.
