Form 10-K for fiscal year ended December 31, 2008

Summary Compensation Table & Director Compensation, page 23 & 25

1. We note your disclosure that some officers and directors were paid cash related to their roles as consultants for the company. In addition, we note additional compensation awards of cash paid to some officers and directors as disclosed in the footnotes to the tables. Finally, we note that you report the cash payments as "All Other Compensation" in the Summary Compensation Table and Director Compensation Table. In future filings, please report these awards as "Salary", "Bonus", or "Fees Earned or Paid in Cash". If you disagree, provide an analysis as to why you believe these amounts should be considered as "All Other Compensation." Refer to Item 402(n)(2)(ix) of Regulation S-K for compensation that should be reported as "All Other Compensation."

2. We note you include compensation to named executive officers and directors comprised of unpaid fees which were converted into shares of common stock as "All Other Compensation" in the Summary Compensation Table. However, Instruction 2 to Item 402(n)(2)(iii) and (iv) of Regulation S-K requires smaller reporting companies to include in the salary column or bonus column any amount of salary or bonus forgone at the election of a named executive officer under which stock instead has been received by the named executive officer. In future filings, please report compensation amounts converted into stock, equity-based or other forms of non-cash compensation in the salary or bonus column of the table.
3. In future filings, for all option and stock awards, please disclose all assumptions made in the estimated fair market valuation or include a cross-reference to a discussion of such assumptions. Refer to Instruction to Item 402(n)(2)(v) and (vi) of Regulation S-K.

Form 10-Q for the Quarter Ended March 31, 2009

Share-based Compensation

4. We note from your disclosures on page F-17 of your Form 10-K, that as of December 31, 2008, you had unrecognized stock compensation expense of \$1,842,986 that you expect to recognize over a weighted-average period of one year. It appears from your statement of Cash Flows for the three months ended March 31, 2009, that you recognized a total of \$92,300 for share-based compensation. Please clarify the period over which the \$1,842,986 will be recognized in 2009 and how much was recorded as expense in the first quarter of 2009. Additionally, please tell us and revise your future filings to describe the vesting terms for your restricted stock and stock options granted under your 2007 Stock Incentive Plan.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed letters greatly facilitate our review. Please file your letter over EDGAR. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that
