To the Stockholder  
Fortrend Securities, Inc.

We have audited the accompanying statement of financial condition of Fortrend Securities, Inc. (the "Company") as of June 30, 2017, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fortrend Securities, Inc. as of June 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Schedule I has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, Schedule I is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Notes to the Financial Statements**

**June 30, 2017**

### **1. Organization**

Fortrend Securities, Inc. ("the Company") incorporated in Delaware on March 8, 1992 and was approved for membership by the Financial Industry Regulatory Authority ("FINRA") on September 7, 1993. The Company engages primarily as an introducing broker-dealer. The Company has a clearing agreement with Raymond James. It also has a piggy back agreement with Fortrend Securities Pty. Ltd. ("FSA"), a company under common control, and acts as a regulated conduit for the accounts of FSA which are introduced to the Company, which in turn are introduced to Raymond James.

### **2. Significant Accounting Policies**

#### **Cash and Cash Equivalents**

The Company considers all demand deposits held in banks and certain highly liquid investments with original maturities of three months or less, other than deposit at clearing broker, to be cash equivalents.

#### **Accounts Receivable**

Accounts receivable are carried at the invoiced or contracted amounts. The allowance for doubtful accounts is based on management's estimate of the amount of probable credit losses in existing account receivable.

#### **Securities Transactions**

Customer securities transactions are executed and cleared by an independent clearing broker on a fully disclosed basis. Related commission income and expenses are recorded on a trade date basis.

#### **Advisory Fees**

As an alternative to paying commissions on securities transactions, customers may pay advisory fees quarterly in advance based on assets held in their account.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have an impact on future periods.

#### **Fair Value of Financial Instruments**

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

#### **Income Taxes**

The Company files federal income tax returns in the United States. The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements utilizing currently enacted laws and rates. Deferred tax expenses or benefits are recognized in the financial statements for changes in deferred tax liabilities and assets between years.

#### **Securities Owned**

Securities owned consist of equity securities and are stated at fair value with related changes in unrealized appreciation or depreciation reflected in gains or losses on the statement of income.

# Fortrend Securities, Inc.

## Notes to the Financial Statements

June 30, 2017

### 2. Significant Accounting Policies (continued)

#### Revenue Recognition

The Company earns its revenue from advisory fees for brokerage services and commissions. Advisory fees are recognized when services are provided. Commissions are recognized as revenue upon the execution of trades in customers' accounts. Costs connected with these commissions are expensed when incurred.

#### Comprehensive Income

There are no differences in net income and comprehensive income.

### 3. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's uniform net capital rule (Rule 15c3-1) which requires the Company to maintain a minimum net capital equal to or greater than \$100,000 and a ratio of aggregate indebtedness to net capital not exceeding 15 to 1, both as defined. At June 30, 2017, the Company's net capital was \$952,749, which exceeded the requirement by \$852,749.

### 4. Reserve and Possession or Control Requirements

Rule 15c3-3 of the Securities and Exchange Commission provides a formula for the maintenance by broker-dealers of reserves in connection with customer-related transactions and standards regarding the physical possession or control of fully paid and excess margin securities. The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934, in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(ii) of the Rule.

### 5. Clearing Broker Requirements

The Company has a clearing agreement with Raymond James & Associates, Inc. The clearing agreement requires the Company to maintain a deposit of \$100,000.

### 6. Income Taxes

The Company accounts for income taxes in accordance with generally accepted accounting principles which requires recognition of deferred tax assets or liabilities for the expected future tax consequences of events that are included in the financial statements and tax returns in different periods.

Tax expense for the year ended June 30, 2017 consists of the following:

Current federal	\$ 32,561
Deferred federal	20,294
Tax provision	\$ 52,855

The deferred tax liability of \$35,523 is the result of differences in using the cash method of accounting for tax purposes and the accrual method for financial statement purposes. The Company is no longer subject to federal tax examinations by tax authorities for years ending before 2013.

# Fortrend Securities, Inc.

## Notes to the Financial Statements

June 30, 2017

### 7. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1	Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3	Unobservable inputs for the asset or liability.

#### Determination of Fair Value

Under the Fair Value Measurements Topic of the FASB Accounting Standards Codification, the Company bases its fair value on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. It is the Company's policy to maximize the use of observable inputs and minimize the use of unobservable inputs when developing fair value measurements, in accordance with the fair value hierarchy. Fair value measurements for assets and liabilities where there exists limited or no observable market data and, therefore, are based primarily upon management's own estimates, are often calculated based on current pricing policy, the economic and competitive environment, the characteristics of the asset or liability and other such factors. Therefore, the results cannot be determined with precision and may not be realized in an actual sale or immediate settlement of the asset or liability. Additionally, there may be inherent weaknesses in any calculation technique, and changes in the underlying assumptions used, including discount rates and estimates of future cash flows, that could significantly affect the results of current or future value.

In determining the appropriate levels, the Company performed a detailed analysis of its assets and liabilities. At year end, there were no assets or liabilities for which the fair value measurement was based on significant unobservable inputs.

#### Assets Measured and Recognized at Fair Value on a Recurring Basis

The table below presents the amounts of assets measured at fair value on a recurring basis as of June 30, 2017:

	Level 1	Level 2	Level 3	Total
Assets at fair value				
Exchange traded funds	\$ 658,056	\$ -	\$ -	\$ 658,056
Total assets at fair value	\$ 658,056	\$ -	\$ -	\$ 658,056

# **Fortrend Securities, Inc.**

## **Notes to the Financial Statements**

**June 30, 2017**

### **9. Risk Concentrations**

At June 30, 2017, 100% of commission receivable was from the Company's clearing broker.

### **10. Related Party Transaction**

PaineWebber Australia Pty. Ltd. (PaineWebber"), an Australian company under common control, had an agreement with the Company whereby it charged \$50 per month to the Company for rent only. During the year ended June 30, 2017, the charges totaled \$600 and is included in office and occupancy. The amount due PaineWebber is \$8,365 at June 30, 2017.

FSA, an Australian company under common control, has an agreement with the Company for introduction of FSA clients to the Company. During the current year, the introduction fees totaled \$1,557,791 and are included in operations. The amount due from FSA is an overpayment of \$122,019 and \$75,920 for expenses paid on behalf of FSA at June 30, 2017.

During the year ended June 30, 2017, the Company advanced \$655 to the Company's president. Advances to the Company president totaled \$51,932 at June 30, 2017 and are included in due from related parties on the Statement of Financial Condition.

During the year ended June 30, 2017, the Company paid \$39,659 of professional fees on behalf of Domus Tower, Inc. ("Domus"), a company under common control. Such payments are included in due from related parties on the Statement of Financial Condition and total \$81,878 as of June 30, 2017. Collection of this receivable is considered unlikely so there is an allowance for doubtful accounts of \$81,878 for this receivable.

The Company's results of operations and financial position could differ significantly from those that would have been obtained if the entities were autonomous.

### **11. Financial Instruments with Off-Balance-Sheet Credit Risk**

As a securities broker, the Company introduces transactions on the behalf of customers. The Company introduces these transactions for clearance to a clearing firm on a fully disclosed basis. In the normal course of business, the Company's customer activities involve the handling of orders for securities transactions and settlement by its clearing broker. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to nonperformance by its customers. These activities may expose the Company to off-balance-sheet risk in the event the customer is unable to fulfill its contracted obligations.

In the event the customer fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at the prevailing market price in order to fulfill the customer's obligation.

The Company seeks to control off-the-balance-sheet credit risk by monitoring its customer transaction and reviewing information it receives from its clearing broker on a daily basis and reserving for doubtful accounts when necessary.

### **12. Subsequent Events**

The Company has evaluated subsequent events through August 28, 2017, the date which the financial statements were issued.

**Review Report of Independent Registered Public Accounting Firm**

---

To the Stockholder  
Fortrend Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report Pursuant to SEC rule 17a-5, in which (1) Fortrend Securities, Inc. (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
