Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Amendment No. 1 to Registration Statement on Form S-4

Summary

Conditions to Completion of the Transactions, page 10

1. We note your response to prior comment 2. Explain the purpose of the merger condition that the transaction not be illegal as a result of a law or order being a waivable condition. Explain how the parties intend to proceed with the merger under such circumstances and the risks to shareholders if the parties continue to complete a transaction that is considered illegal.

Background of the Transactions, page 38

2. We note your response to comment 4 and the revised disclosure on page 50. Please further expand your disclosure of the September 23, 2018 meeting to specifically address whether the Pandora board considered that the proposed exchange ratio was lower than the originally proposed exchange ratio, and if so, what specific factors weighed in favor of accepting a lower exchange ratio.

Unaudited Pro Forma Combined Condensed Consolidated Balance Sheet, page 116

3. Please update the column titled "Sirius XM As Reported" to reflect historical balance sheet amounts as of September 30, 2018. It appears the figures currently presented pertain to the period ended December 31, 2017.

Unaudited Pro Forma Combined Condensed Consolidated Statement of Comprehensive Income for the Year Ended December 31, 2017, page 118

4. Your \$23.5 million adjustment to other income (expense) appears to be missing a reference to one or more adjustments. Your discussion of adjustment (d) for the period ended December 31, 2017 only references an adjustment of \$472,000. Please revise your reference and/or disclosure accordingly.

Note 2 - Estimated Consideration and Pro Forma Purchase Price Allocation, page 119

5. Regarding your response to comment 9, please revise your disclosures to clearly indicate your full compliance with the guidance in ASC 805-10-25-10 and advise us.
6. Please disclose the assumptions used in determining the estimated value of Sirius XM replacement equity awards attributable to pre-combination service.

Intangible Assets, page 121

7. Please disclose the basis for your assumption that the book value of AdsWizz intangible assets approximated fair value as of September 30, 2018.

Note 3 - Pro Forma Adjustments, page 122

8. We note the revisions you made to your discussion of adjustment 3(f). Please further revise to identify the amounts reclassified, particularly where multiple items are being reclassified into or out of the same line item (such as the adjustments to general and administrative expenses).
