Please confirm in writing that you will do so and also explain to us how you intend to comply, within the time frame set forth below. Please understand that after our review of your response, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. Recent developments, page 37

1. We note in the second paragraph under 'Recent developments' that on December 21, 2007 and on May 30, 2008, you sold to The Coca-Cola Company most of your proprietary brands and that these trademarks are now being licensed to you by The Coca-Cola Company. Please tell us the Mexican peso and U.S. dollar value of these transactions, and any other information regarding the transactions that is material to investors pursuant to Item 7 (B) of Form 20-F. Tell us why you have not discussed this transaction in Notes 13, 'Balances and Transactions with Related Parties and Affiliated Companies', or 29, 'Subsequent Events', pursuant to Rule 4-08 of Regulation S-X.

Related Party Transactions, page 78

2. We note your discussion on page 57 regarding The Coca-Cola Company's contributions to your capital expenditure program, including the statement that you believe that Coca-Cola will make additional contributions in the future. With a view to disclosure in future filings, please advise us of the basis for this belief. See Item 7 B. of Form 20-F.

Exhibits, page 107

3. We note disclosure on pages 13 and 78 that on December 21, 2007 and May 30, 2008, you sold to The Coca-Cola Company most of your proprietary brands and that those trademarks are now being licensed to you by The Coca-Cola Company. It does not appear that any of your exhibits relate to these licensing arrangements. To the extent you have not filed these as material contracts, please confirm that you will do so in future filings, or advise. Please see Instruction 4 to Item 19 of Form 20-F.

Notes to the Consolidated Financial Statements

Note 4. Significant Accounting Policies, page F-7

Labor Liabilities, page F-10

4. We note in the fourth paragraph on page F-10 and again in the sixth paragraph on page 39 that your Labor Liabilities include obligations for pension and retirement plans, seniority premiums and severance indemnity liabilities, all based on actuarial calculation by independent actuaries, using the projected unit credit method. Given your reference to the use of such calculations, the experts that prepared such calculations should be named, and the respective consent of such expert should be filed as an exhibit in future Exchange Act reports. Please explain to us how you plan to address this comment in future filings.

Note 16. Bonus Program, F-22

5. We note in the third paragraph on page F-22 that all shares held by the trusts are considered outstanding for earnings per share purposes and dividends on shares held by the trusts are charged to retained earnings. Please separately state how you account for CC FEMSA Series L Shares and the FEMSA BD Units held by the trust that manages your EVA Stock Incentive Plan. Please also tell us how you considered EITF 97-14 in accounting for the CC FEMSA Series L Shares held by the trust under US GAAP.
6. We note in the first paragraph on page F-22 that 50% of the annual cash bonus is used to purchase FEMSA shares or options and the remaining is to be used to purchase CC FEMSA shares or options, and that the acquired shares or options are deposited in a trust. Please tell us the number of options purchased in 2007 under the EVA Stock Incentive Plan and how you account for the options purchased under the plan in accordance with US GAAP.
