Item 1A. Risk Factors, page 5

3. Please provide risk factors to address the following additional risks:
  - your lack of sufficient working capital; and
  - risks associated with the fact that you have suffered operating losses for at least the last eight fiscal years

Provide draft disclosure in your response letter and confirm that you will include similar disclosure in future filings.

Fluctuating Economic Conditions Can Reduce the Value of Real Estate, page 8

4. Please expand this risk factor to discuss your actual experience with reductions in the value of your Housing Complexes. Provide draft disclosure in your response letter and confirm that you will include similar disclosure in future filings.

The Partnership May Be Unable to Timely Provide Financial Reports to the Limited Partners..., page 11

5. Please expand this risk factor to discuss your actual experience with not providing timely reports to your limited partners. We note, for example, that this report includes information for four fiscal years. Provide draft disclosure in your response letter and confirm that you will include similar disclosure in future filings.

The Interests of Limited Partners may conflict with the interests of the General Partner..., page 12

6. Please expand upon your disclosure of the conflicts of interest that may arise between you and your General Partner. For example, discuss whether compensation arrangements may create a conflict of interest between your interests and those of your General Partner, and how your General Partner reaches any investment or operating decisions that may present a conflict of interests. Provide draft disclosure in your response letter and confirm that you will include similar disclosure in future filings.

Item 2. Properties, page 13

Confirm that you will provide similar disclosure in future filings.

Item 9A. Controls and Procedures, page 59

10. We note that your executive officers concluded that your disclosure controls and procedures are "effective in timely alerting them to material information required to be included in the Partnership's periodic SEC filings." Please tell us whether your executive officers concluded that your disclosure controls and procedures were effective to ensure that information you were required to disclose in the reports that you file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the Commission's rules and forms, consistent with the definition of "disclosure controls and procedures" under the Exchange Act. Refer to Exchange Act Rule 13a-15(e). Please confirm that your future filings will more accurately describe the executive officers' conclusions regarding effectiveness.

Exhibits 31-1 and 31-2

15. We note that your certifications were not filed in the exact form as outlined in Item 601(B)(31)(i) of Regulation S-K. Your discrepancy involves replacing the word “report” with “annual report” in paragraphs 2 and 3 and with “quarterly report” in paragraph 4(a), omitting the phrase “or caused such disclosure controls and procedures to be designed under our supervision” from paragraph 4(a), omitting the phrase “(the registrant's fourth fiscal quarter in the case of an annual report)” from paragraph 4(c), and replacing the word “auditors” with “independent registered accounting firm” in paragraph 5. Please confirm that in future filings, you will file certifications in the exact form as outlined in Item 601(B)(31)(i) of Regulation S-K.

Exhibit 99

16. We note that the financial statements for both Pioneer Street Associates and Apartment Housing of East Brewton, Ltd. have been audited in accordance with auditing standards generally accepted in the United States of America and that the respective auditors do not appear to have obtained registration with the PCAOB. The phrase “play a substantial role in the preparation or furnishing of an audit report” is defined in PCAOB Rule 1001 (p) (ii). Please tell us how you considered the PCAOB registration requirements outlined in PCAOB Rule 2100 in selecting the use of Bernard E. Rea, CPA, and Granberry & Associates, LLC, to perform the audits of Pioneer Street Associates and Apartment Housing of East Brewton, Ltd., respectively.
