FOR IMMEDIATE RELEASE

**Kerzner Comments On Press Reports
Regarding London Clubs International Debt**

PARADISE ISLAND, The Bahamas, September 16, 2002 - Kerzner International Limited (NYSE:KZL) today corrected certain press reports that appeared in the United Kingdom. While it is the Company's policy not to comment on market rumors or the status of any potential transactions unless and until it has reached a definite agreement concerning the transaction, in light of recently published reports about a completed transaction suggesting that the Company acquired 50 million Pounds Sterling of debt of London Clubs International ("LCI"), the Company announced that it in fact owns \$15 million of LCI's Senior Notes, which it acquired in July and for which it paid approximately \$13 million.

The Company believes that the expected deregulation of gaming in the United Kingdom will have a positive impact on the UK gaming market and is monitoring the progress of deregulation. The Company in the past has had, and in the future may have, some discussions with LCI, but in accordance with its normal policy, will not be making any further announcements regarding potential transactions.
