FOR IMMEDIATE RELEASE

**KERZNER INTERNATIONAL TO BRAND
ONE&ONLY ACROSS LUXURY RESORTS**

PARADISE ISLAND, The Bahamas, December 4, 2002 – Kerzner International Limited (NYSE: KZL) (the “Company”) announced today that its luxury resort hotels will be operated and marketed under the “One&Only” brand. Including investments financed at the local level, and also contemplated expansion projects, One&Only’s management team will have overseen approximately \$500 million in luxury resort development. This has created a collection of unique resorts that sets the Company on its way to achieve its goal of becoming the pre-eminent worldwide luxury resort operator.

One&Only is designed exclusively for the luxury resort market. Conceived as a hallmark of quality, this unified branding approach will raise the group’s profile amongst owners, partners and investors and bring it to front of mind for these audiences and for consumers alike. The brand will consolidate the success of the Company’s finest properties worldwide, and combined with Kerzner’s experience as a luxury resort operator, One&Only will provide a catalyst for future expansion into exciting new locations.

The One&Only brand is being launched from the re-opening of the One&Only Le Touessrok, Mauritius, this week, and will be followed by the opening of the newly-expanded One&Only Royal Mirage later in the month. Three other resorts complete the brand’s prestigious portfolio: the One&Only Le Saint Géran, Mauritius, the One&Only Ocean Club, Bahamas and the One&Only Kanuhura, Maldives. The recently-acquired Palmilla, Mexico, once extended, will become the One&Only Palmilla. These initial properties will be joined by the development of new luxury resorts in the Company’s development pipeline. The Company will introduce One&Only to the travel trade and consumer worldwide in early to mid-2003 through an integrated marketing campaign.

Butch Kerzner, CEO of One&Only, comments:

“When it comes to developing new hotels, we do not apply a standard formula. One&Only is a guarantee that each of our hotels will provide a distinctive and unique experience. At the same time, each hotel is underpinned by our passion for quality, fun and luxury. We do luxury, but not in a stuffy way. We like to offer our guests lots of choices, from taking a complete break from it all, and having some peace and quiet, to being more active and enjoying all the entertainment and facilities on offer. These values are the heart and soul of One&Only. It’s a brand built on our long experience, which we believe makes us better than anyone else at understanding the business.”

The Company plans to brand all its future luxury resort hotels as One&Only. A new One&Only resort is currently under development on the island of Reethi Rah in the Maldives and a new property in Marrakech, Morocco, is in early stages of planning. Further One&Only properties in other markets are currently being considered.

About One&Only

One&Only Resorts is the management company behind the resort hotels of Kerzner International Limited, a leading international developer and operator of premier resorts, casinos and luxury hotels. One&Only is the new brand that Kerzner has created for its rapidly expanding portfolio of 5-star, luxury properties.

One&Only is distinguished by a simple philosophy: the promise of distinctive resorts and an outstanding experience at the world’s best locations. There are currently five One&Only resorts to be discovered:

On Mauritius, the One&Only Le Saint Géran and the One&Only Le Touessrok;
In the Bahamas, the One&Only Ocean Club on Paradise Island;
In Dubai, the One&Only Royal Mirage; and
In the Maldives, the One&Only Kanuhura.

Each of these luxury resort hotels has its own particular life and energy. Each has its own beautiful design and craft, taking from and adding to its surroundings.

The recently-acquired Palmilla in Mexico and a new property on the island of Reethi Rah, Maldives, which is currently under development, will shortly join the brand’s portfolio. A new property in Marrakech, Morocco, is in early stages of planning.
