FOR IMMEDIATE RELEASE

**KERZNER TO ACQUIRE ADDITIONAL
REAL ESTATE ON PARADISE ISLAND**

Club Med to Continue to Operate Hotel through 2004

Club Med Employees Eligible to Transfer to the Atlantis Resort

PARADISE ISLAND, The Bahamas, September 19, 2003, 2003 – Kerzner International Limited (the “Company”) announced today that it entered into an agreement to acquire the assets of Club Mediterranee (Bahamas) Limited (“Club Med”) on Paradise Island for approximately \$40 million.

This resort, which includes an existing 306-room hotel, spans Paradise Island between Nassau Harbour on the south side, and the ocean and a prime swimming beach on the north side. The approximately 20-acre site borders the eastern boundary of the proposed site of the new 1,200 room hotel that is part of the Company’s recently announced \$600 million Phase III expansion, and is therefore ideally positioned for future expansion of the Company’s investments on Paradise Island.

Butch Kerzner, President of the Company, commented, “This is a spectacular piece of property and a great investment opportunity for us as we look to the future and our long-term growth plans for the Paradise Island properties, which ultimately contemplate 4,000 to 5,000 rooms around the Atlantis Resort. Not only does this property border our existing land on Paradise Island, it is the only remaining intact developable site of its size on Paradise Island, and the beach is just outstanding. This acquisition represents a significant first step towards a potential fourth Phase of development for us on Paradise Island. In the short term, it is expected that the existing hotel on the property will be used to house construction workers during the construction of our adjacent 1,200-room hotel.”

As part of the acquisition agreement, Club Med's employees will be given the opportunity to transfer to the Atlantis Resort once the Company takes possession of the assets, which is expected to occur towards the end of 2004. Club Med will continue to operate the property until that time.

The Club Med employees who choose to transfer can expect a reasonably similar position to the one they had held, while maintaining their continuity and tenure of employment. A joint transition committee has been established with Club Med to guide employees smoothly through the process.

The transaction is subject to closing conditions, including relevant Governmental approvals.
