Definitive Soliciting Material

1. We note the following statements:

- “The ModusLink Board of Directors and management have made a poorly disguised attempt to maintain the status quo by duping stockholders into voting for the Company-endorsed board nominees;”
- “ModusLink has shamelessly resorted to issuing false and misleading statements and accusations...;” and
- “On several occasions, ModusLink has claimed that Mr. Brog has previously violated federal securities laws. The fact is that these allegations are completely false and presumably trumped up by the Company to intentionally mislead stockholders....”
