Supplement dated December 29, 2003

This supplement amends certain information contained in the prospectus dated May 1, 2003, as amended on June 27, 2003, August 21, 2003, and October 24, 2003. Please read it carefully and keep it with your prospectus for future reference.

Effective January 19, 2004, the Death Benefit Guarantee available under the policy changed. Accordingly, the prospectus is hereby amended as follows:

The Death Benefit Guarantee section on page 4 is hereby deleted and replaced with the following:

**Death Benefit
Guarantees**

*See Death Benefit
Guarantees, page 27.*

- Generally, your policy will not lapse as long as your policy value minus any loan account value and accrued loan interest (the "net policy value") is enough to pay the periodic fees and charges when due.
- However, the policy has two death benefit guarantees which provide that the policy will not lapse even if the net policy value is not enough to pay the periodic fees and charges, when due:
 - ▷ For issue ages 25-75, the 20 year death benefit guarantee is an optional benefit that may be available, but only when you apply for the policy. If you select this guarantee, your policy and any adjustable term insurance rider coverage is guaranteed not to lapse for 20 years provided:
 - Your cumulative premium payments, minus any partial withdrawals or loans, are at least equal to the sum of the 20 year death benefit guarantee premium payments to the next monthly processing date; and
 - Your net policy value is allocated to at least five investment options with no more than 35% invested in any one investment option.There is a separate monthly charge for this guarantee.
 - ▷ For issue ages 25-75, the lifetime death benefit guarantee is an optional benefit that may be available, but only when you apply for the policy. If you select this guarantee, your policy and any adjustable term insurance rider coverage is guaranteed not to lapse for the lifetime of the insured person provided:
 - Your cumulative premium payments, minus any partial withdrawals or loans, are at least equal to the sum of the lifetime death benefit guarantee premium payments to the next monthly processing date; and
 - Your net policy value is allocated to at least five investment options with no more than 35% invested in any one investment option.There is a separate monthly charge for this guarantee.
- Subject to state approval, policies issued before January 19, 2004, offered a different death benefit guarantee. See the amendments below to the Death Benefit Guarantee section on page 27 for the availability of and greater details about the other death benefit guarantee.
- The death benefit guarantees may not be available in some states.

The Death Benefit Guarantee Charge portion of the Periodic Fees and Charges table on page 9 is hereby deleted and replaced with the following:

Charge	When Deducted	Amount Deducted
Basic Death Benefit Guarantee Charge ^a (if selected)	<ul style="list-style-type: none"> On each monthly processing date during the guarantee period. 	<ul style="list-style-type: none"> \$0.005 per \$1,000 of basic insurance coverage during the guarantee period.
20 Year Death Benefit Guarantee Charge ^{a, b} (if selected)	<ul style="list-style-type: none"> On each monthly processing date during the guarantee period. 	<ul style="list-style-type: none"> Minimum Rates - \$0.005 per \$1,000 of guaranteed coverage. Maximum Rates - \$0.08 per \$1,000 of guaranteed coverage. Rates for a representative insured person - \$0.03 per \$1,000 of guaranteed coverage. The representative insured person is age 45.
Lifetime Death Benefit Guarantee Charge ^{a, b} (if selected)	<ul style="list-style-type: none"> On each monthly processing date during the guarantee period. 	<ul style="list-style-type: none"> Minimum Rates - \$0.02 per \$1,000 of guaranteed coverage. Maximum Rates - \$0.08 per \$1,000 of guaranteed coverage. Rates for a representative insured person - \$0.07 per \$1,000 of guaranteed coverage. The representative insured person is age 45.

^a The basic death benefit guarantee is only available on policies issued on or before the later of January 18, 2004, or the date the 20 year and lifetime death benefit guarantees are approved in your state. The 20 year and lifetime death benefit guarantees are only available on policies issued on or after the later of January 19, 2004 or the date these guarantees are approved in your state. See the amendments below to the Death Benefit Guarantees section on pages 27 for the availability of and details about each death benefit guarantee.

^b The rates for these guarantees depend on the insured person's age at issue. The rates for the representative insured person listed above may be more or less than you will pay, and you should contact your agent/registered representative for information about the rates that apply to you.

The Death Benefit Guarantee section on page 27 is hereby deleted and replaced with the following:

Death Benefit Guarantees

The policy has death benefit guarantees which provide that the policy will not lapse even if the net policy value is not enough to pay the periodic fees and charges each month. These are optional benefits that may be selected only when you apply for the policy.

Basic Death Benefit Guarantee. The basic death benefit guarantee provides that your policy's basic insurance coverage will not lapse for the greater of ten policy years or until the insured person reached age 65, provided:

- Your cumulative premium payments, minus any partial withdrawals, loans and accrued loan interest, are at least equal to the sum of the guarantee period monthly premium payments to the next monthly processing date; and
- Your net policy value is allocated to at least five investment options with no more than 35% invested in any one investment option.

In the policy, the basic death benefit guarantee feature is referred to as the "Guaranteed Minimum Death Benefit."

Consider the following in relation to the basic death benefit guarantee:

- This guarantee is available on policies issued on or before the later of January 18, 2004, or the date the 20 year and lifetime death benefit guarantees are approved in your state. You may contact your agent/registered representative for information about the availability of this guarantee in your state.
- If available, you may elect this guarantee only when you apply for the base policy;
- The guarantee period monthly premium for this guarantee will be set forth in your policy and be based on monthly rates that vary according to the insured person's gender, risk class and age;
- If your policy benefits change, your guarantee period monthly premium will also change;
- There is a monthly charge for this guarantee (**see *Fees and Charges - Periodic Fees and Charges, page 19***);
- This guarantee covers continuation of the base policy only. If your policy is kept in force because of this guarantee, coverage under all riders will terminate; and
- Even if this guarantee terminates, your policy will not necessarily lapse (**see *Termination of Coverage - Lapse, page 39***).

We will notify you if on any monthly processing date you have not paid enough premium to keep this guarantee in force or your policy is not sufficiently diversified. This notice will show the amount of premium required to maintain this guarantee and, if applicable, explain the diversification requirement. If we do not receive the required premium payment or you do not adequately diversify your policy by the second monthly processing date following the notice, this guarantee will terminate. If this guarantee terminates, it cannot be reinstated.

20 Year Death Benefit Guarantee. The 20 year death benefit guarantee provides that your policy and any adjustable term insurance rider coverage will not lapse for 20 years from your policy date, provided:

- Your cumulative premium payments, minus any partial withdrawals or loans, are at least equal to the sum of the 20 year death benefit guarantee premium payments to the next monthly processing date; and
- Your net policy value is allocated to at least five investment options with no more than 35% invested in any one investment option.

You should consider the following factors when deciding whether to add the 20 year death benefit guarantee to your policy:

- This guarantee is available on the later of January 19, 2004, or the date this guarantee is approved in your state. You may contact your agent/registered representative for information about the availability of this guarantee in your state.
- If available, you may add this guarantee only when you apply for the base policy;
- The 20 year death benefit guarantee period begins on the policy date;
- The minimum premium for this guarantee will be set forth in your policy and be based on monthly rates that vary according to the insured person's gender, risk class and age;
- If your policy benefits change, minimum premium for this guarantee will also change;
- There is a monthly charge for this guarantee during the death benefit guarantee period. This charge is based on a rate which varies depending on the issue age of the insured person (**see *Fees and Charges - Periodic Fees and Charges, page 19***). Each month the charge for this guarantee will be determined by dividing the amount of guaranteed coverage by 1,000 and multiplying the result by the rate set forth in your policy. The amount of guaranteed coverage equals the amount of your total insurance coverage minus your policy value;
- Transfers between investment options which are made in response to our notice to you that your policy is not sufficiently diversified will not count as transfers for purposes of any limits or restrictions on transfers which we may impose (**see *Special Features and Benefits - Transfers, page 35***);
- This guarantee covers only your base policy and adjustable term insurance rider, if any. If your policy and any adjustable term insurance rider are kept in force because of this guarantee, coverage under all other riders will terminate;
- This guarantee may not be available for certain risk classes;
- This guarantee cannot be added to a policy with death benefit Option 3 or the lifetime death benefit guarantee; and
- Even if this guarantee terminates, your policy will not necessarily lapse (**see *Termination of Coverage - Lapse, page 39***).

We will notify you if on any monthly processing date you have not paid enough premium to keep this guarantee in force or your policy is not sufficiently diversified. This notice will show the amount of premium required to maintain this guarantee and, if applicable, explain the diversification requirement. If we do not receive the required premium payment or you do not adequately diversify your policy by the second monthly processing date following the notice, this guarantee will terminate. If this guarantee terminates, it cannot be reinstated.

Lifetime Death Benefit Guarantee. The lifetime death benefit guarantee provides that your policy and any adjustable term insurance rider coverage will not lapse during your lifetime, provided:

- Your cumulative premium payments, minus any partial withdrawals or loans, are at least equal to the sum of the lifetime death benefit guarantee premium payments to the next monthly processing date; and
- Your net policy value is allocated to at least five investment options with no more than 35% invested in any one investment option.

You should consider the following factors when deciding whether to add the enhanced lifetime death benefit guarantee to your policy:

- This guarantee is available on the later of January 19, 2004, or the date this guarantee is approved in your state. You may contact your agent/registered representative for information about the availability of this guarantee in your state.
- If available, you may add this guarantee only when you apply for the base policy;
- The lifetime death benefit guarantee period begins on the policy date;
- The minimum premium for this guarantee will be set forth in your policy and be based on monthly rates that vary according to the insured person's gender, risk class and age;
- If your policy benefits change, minimum premium for this guarantee will also change;
- There is a monthly charge for this guarantee. This charge is based on a rate which varies depending on the issue age of the insured person (**see Fees and Charges - Periodic Fees and Charges, page 19**). Each month the charge for this guarantee will be determined by dividing the amount of guaranteed coverage by 1,000 and multiplying the result by the rate set forth in your policy. The amount of guaranteed coverage equals the amount of your total insurance coverage minus your policy value;
- Transfers between investment options which are made in response to our notice to you that your policy is not sufficiently diversified will not count as transfers for purposes of any limits or restrictions on transfers which we may impose (**see Special Features and Benefits - Transfers, page 35**);
- This guarantee covers only your base policy and adjustable term insurance rider, if any. If your policy and any adjustable term insurance rider are kept in force because of this guarantee, coverage under all other riders will terminate;
- This guarantee cannot be added to a policy with death benefit Option 3 or the 20 year death benefit guarantee; and
- Even if the lifetime death benefit guarantee terminates, your policy will not necessarily lapse (**see Termination of Coverage - Lapse, page 39**).

We will notify you if on any monthly processing date you have not paid enough premium to keep this guarantee in force or your policy is not sufficiently diversified. This notice will show the amount of premium required to maintain this guarantee and, if applicable, explain the diversification requirement. If we do not receive the required premium payment or you do not adequately diversify your policy by the second monthly processing date following the notice, this guarantee will terminate. If this guarantee terminates, it cannot be reinstated.

Item 29 Persons Controlled by or Under Common Control with the Depositor or the Registrant

Incorporated by reference to Post-Effective Amendment No. 28 to Registration Statement on Form N-4 (File No. 33-75988), as filed on April 10, 2003 for Variable Annuity Account C of ING Life Insurance and Annuity Company.

Item 30 Indemnification

Under its Bylaws, Sections 1 through 8, Security Life of Denver Insurance Company ("Security Life") indemnifies, to the full extent permitted by the laws of the State of Colorado, any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the corporation), by reason of the fact that he or she is or was a director, member of a committee appointed by the Board of Directors, officer, salaried employee, or fiduciary of Security Life or is or was serving at the request of Security Life (whether or not as a representative of Security Life) as a director, officer, employee, or fiduciary of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorney fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit, or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in the best interest of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of Security Life pursuant to such provisions of the bylaws or statutes or otherwise, Security Life has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in said Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Security Life of expenses incurred or paid by a director or officer or controlling person of Security Life in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person of Security Life in connection with the securities being registered, Security Life will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether or not such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

A corporation may procure indemnification insurance on behalf of an individual who was a director of the corporation. Consistent with the laws of the State of Colorado, ING Groep N.V. maintains an umbrella insurance policy issued by an international insurer. The policy covers ING Groep N.V. and any company in which ING Groep N.V. has an ownership control of over 50%. This would encompass Security Life, as depositor, as well as ING America Equities, Inc., as the principal underwriter. The policy provides for the following types of coverage: errors and omissions, directors and officers, employment practices, fiduciary and fidelity.

Additionally, Section 13 of the Security Life Distribution Agreement with ING America Equities, Inc. (INGAE) generally provides that each party will indemnify and hold harmless the officers, directors and employees of the other party (and the variable account with respect to indemnity by INGAE) against any expenses (including legal expenses), losses, claims, damages, or liabilities arising out of or based on certain claims or circumstances in connection with the offer or sale of the policies. Under this agreement neither party is entitled to indemnity if the expenses (including legal expenses), losses, claims, damages, or liabilities resulted from their own willful misfeasance, bad faith, negligence, misconduct or wrongful act.
