FAIRVIEW SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

Fairview Securities, Inc. (“Company”) is a Connecticut Corporation formed November 12, 1993. The Company provides consulting and sales support services to Registered Investment Advisors. The Company is registered as a broker-dealer in securities transactions under the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority (“FINRA”), the Securities Investor Protection Corp. (SIPC), National Futures Association (“NFA”), registered as a Commodity Trading Advisor (“CTA”). The Company is a wholly-owned subsidiary of Fairview Partners, Inc.

The Company is exempt from the customer protection provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 in that the Company’s activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(i) of the Rule. The Company is a limited purpose broker dealer, and is not required to have any arrangement with a clearing broker. The Company has a December 31 fiscal year end.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Accrual basis of Accounting

The Company’s financial statements are prepared using the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

Cash

Cash consists of amounts denominated in US dollars. The Company does not, at any time, maintain cash in deposit accounts in excess of Federal Deposit Insurance Corporation (“FDIC”) limits. The Company has not experienced any losses on such accounts. The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Accounts Receivable

The determination of the amount of uncollectible accounts is based on the length of time each receivable has been outstanding, and a reasonable assessment of the capacity of the debtor to pay the receivable. The allowance for uncollectible amounts reflects the amount of loss that can be reasonably estimated by management. As of December 31, 2019, the Company has not recorded an allowance for any potential non-collection.

Revenues

Fees are recognized when services are completed and the revenues are reasonably determined, unless the service is rendered on a contingent fee basis, in which case revenues are recognized

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES-CONTINUED

upon satisfaction of the contingency, the point at which all performance obligations have been met.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SIGNIFICANT ACCOUNTING POLICIES

Fair Values of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 825, "Financial Instruments," requires the Company to disclose estimated fair values for its financial instruments. Fair value estimates, methods, and assumptions are set forth below for the Company's financial instruments. The carrying amount of cash, commission receivable, prepaid and other current assets, accounts payable and accrued expenses, approximate fair value because of the short maturity of those instruments.

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is a member of FINRA and subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 15 to 1. At December 31, 2019, the Company had net capital of \$34,195, which was \$29,195 in excess of the amount required. The Company's ratio of aggregate indebtedness to net capital was 1.93 to 1.

NOTE 4 - INCOME TAXES

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal income taxes on its corporate income. Instead, the stockholder is liable for federal income taxes on the share of the Company's income, deductions, losses and credits.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder
of Fairview Securities, Inc.

We have reviewed management's statements, included in the accompanying Exemption report Under Rule 17a-5(d), in which (1) Fairview Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Fairview Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (exemption provisions) and (2) Fairview Securities, Inc. stated that Fairview Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Fairview Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Fairview Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Assertions Regarding Exemption Provisions

Fairview Securities, Inc. operates pursuant to paragraph (k)(2)(i) of SEC Rule 15c3-3 under which the Company claims an exemption from SEC Rule 15c3-3. The Company is exempt from the reserve requirements of Rule 15c3-3 as its transactions are limited, such that it does not handle customer funds or securities. Accordingly, the computation for determination of reserve requirements pursuant to Rule 15c3-3 and information relating to the possession or control requirement pursuant to Rule 15c3-3 are not applicable.

The Company has met the identified exemption provisions throughout the fiscal year for the period of January 1, 2019 through December 31, 2019, without exception.
