Schedule 13E-3/A filed July 10, 2007  
File No. 5-54823**

Dear Mr. Berdan

We have reviewed the filing for the issues related to Schedule 13E-3 and those noted below and have the following comments:

1. We note your response to our previous comment number 1 that the estimates “were not material to the determination of the offering price pre share.” Please advise whether you believe that the information is material to a shareholder’s decision to tender. In this regard, we direct you to Release No. 34-15572 (February 15, 1979). While the Commission did not adopt the proposals made in that release, we believe the guidance is helpful.

Please direct any questions to me at (202) 551-3265. You may also contact me via facsimile at (202) 772-9203. Please send all correspondence to the following ZIP code: 20549-3628.

Very truly yours,

Pamela W. Carmody
