Filed April 16, 2008 (10-K/A filed April 29, 2008)
File No. 000-23938

Dear Mr. Gorga:

We have reviewed your filing and have the following comments. Unless otherwise indicated, we think you should revise your document in future filings in response to these comments. If you disagree, we will consider your explanation as to why our comments are inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Please respond to confirm that such comments will be complied with, or, if certain of the comments are deemed inappropriate, advise the staff of your reason. Your response should be submitted in electronic form, under the label "corresp" with a copy to the staff. Please respond within ten (10) business days.

1. We note your disclosure regarding your MIP. We note that awards granted under the MIP are determined based on quantitative corporate-wide and division goals, as well as management objectives, but we do not see sufficient discussion regarding these criteria. For example, in future filings, please disclose your target EBITDAR and provide more detail about the “key management objectives”. Please refer to Item 402(b)(2)(v) of Regulation S-K. To the extent you believe that disclosure of the targets is not required because it would result in competitive harm such that the targets could be excluded under Instruction 4 to Item 402(b) of Regulation S-K, please provide a detailed explanation for such conclusion. Please also note that to the extent you have an appropriate basis for omitting the specific targets, you must discuss how difficult it would be for the named executive officers or how likely it will be for you to achieve the undisclosed target levels or other factors.

2. We note that you have entered into a Separation Agreement with Mr. Smith, which you have not provided as an Exhibit to your 10-K/A or to your 8-K dated 4/18/08 in which you announced Mr. Smith’s resignation. Please file this Separation Agreement in a future filing or advise us as to why you believe filing it is not necessary. Please refer to Item 601(b)(10) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
