Re: Advocat, Inc.
Revised Preliminary Proxy Statement on Schedule 14A filed May 4, 2009
By Bristol Investment Fund, Ltd.
File No. 001-12996

Dear Mr. Fleming:

We have conducted a limited review of the filing listed above and have the following comments. Where indicated, we think you should revise your proxy statement in response to these comments. If you disagree, we will consider your explanation as to why a comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone number listed at the end of this letter.

Preliminary Proxy Statement

Reasons for the Shareholder's Solicitation, page 3

1. We note your response to prior comment 12 from our letter dated April 23, 2009. In the proxy statement, note the significant difference in the size of revenues and operations between Advocat and some of the companies which you consider to be comparable.
2. We note your response to prior comment 14 from our letter dated April 23, 2009. Please advise us supplementally whether the "adjusted enterprise value" metric is routinely used within the industry and whether the capitalization of rent charges at ten percent is within the range of a typical adjustment.

Closing Information

Please amend the preliminary proxy statement in response to these comments. Clearly and precisely mark the changes to the preliminary proxy statement effected by the amendment, as required by Rule 14a-6(h) and Rule 310 of Regulation S-T. We may have further comments upon receipt of your amendment; therefore, please allow adequate time after the filing of the amendment for further staff review.

You should furnish a response letter with the amendment keying your responses to our comment letter and providing any supplemental information we have requested. You should transmit the letter via EDGAR under the label "CORRESP." In the event that you believe that compliance with any of the above comments is inappropriate, provide a basis for such belief to the staff in the response letter.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the filing persons are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from each of the filing persons acknowledging that:

- the filing persons are responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the filing persons may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
