Applicants' Representations:

1. The Trust is organized as a Delaware statutory trust and is registered under the Act as an open-end management investment company. The Trust currently consists of fifteen series ("Series"), each with its own distinct investment objective, policies and restrictions. The Adviser is a Delaware limited liability company and is registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act").¹

¹ Applicants request that the relief apply to applicants, as well as to any future Series and any other existing or future registered open-end management investment company or series thereof that is advised by the Adviser, uses the multi-manager structure described in the application, and complies with the terms and conditions of the application ("Subadvised Series"). All registered open-end investment companies that currently intend to rely on the requested order are named as applicants. Any entity that relies on the requested order will do so only in accordance with the terms and conditions contained in the application. If the name of any Subadvised Series contains the name of a sub-adviser, then the name of the Adviser that serves as the primary adviser to the

2. Each Series has or will have, as its investment adviser, the Adviser, or an entity controlling, controlled by or under common control with the Adviser or its successors (included in the term, the “Adviser”).² The Adviser serves or will serve as the investment adviser to each Subadvised Series (as defined below) pursuant to an investment advisory agreement with the Trust (“Investment Management Agreement”). Each Investment Management Agreement has been or will be approved by the board of trustees of the Trust (“Board”),³ including a majority of the members of the Board who are not “interested persons,” as defined in section 2(a)(19) of the Act, of the Subadvised Series or the Adviser (“Independent Board Members”) and by the shareholders of the relevant Subadvised Series as required by sections 15(a) and 15(c) of the Act and rule 18f-2 thereunder. The terms of the Investment Management Agreements comply or will comply with section 15(a) of the Act.

3. Under the terms of each Investment Management Agreement, the Adviser, subject to the supervision of the Board, will provide continuous investment management of the assets of each Series. The Adviser will periodically review a Series’ investment policies and strategies, and based on the need of a particular Series may recommend changes to the investment policies and strategies of the Series for consideration by the Board. For its services to each Series under the applicable Investment Management Agreement, the Adviser will receive an investment management fee from that Series. Each Investment Management Agreement provides or will provide that the Adviser may, subject to the approval of the Board, including a majority of the

Subadvised Series, or a trademark or trade name that is owned by or publicly used to identify that Adviser, will precede the name of the sub-adviser.

² Each Adviser is, or will be, registered with the Commission as an investment adviser under the Advisers Act. For purposes of the requested order, “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

³ The term “Board” also includes the board of trustees or directors of a future Subadvised Series.

Independent Board Members, and the shareholders of the applicable Subadvised Series (if required), delegate portfolio management responsibilities of all or a portion of the assets of a Subadvised Series to one or more Sub-Advisers.⁴

4. Applicants request an order to permit the Adviser, subject to the approval of the Board of the relevant Subadvised Series, including a majority of the Independent Board Members, to, without obtaining shareholder approval: (i) select Sub-Advisers to manage all or a portion of the assets of a Series and enter into Sub-Advisory Agreements (as defined below) with the Sub-Advisers, and (ii) materially amend Sub-Advisory Agreements with the Sub-Advisers.⁵ The requested relief will not extend to any sub-adviser, other than a Wholly-Owned Sub-Adviser, who is an affiliated person, as defined in section 2(a)(3) of the Act, of the Subadvised Series, the Trust, or of the Adviser, other than by reason of serving as a sub-adviser to one or more of the Subadvised Series (“Affiliated Sub-Adviser”).

5. Pursuant to each Investment Management Agreement, the Adviser has overall responsibility for the management and investment of the assets of each Subadvised Series. These responsibilities include recommending the removal or replacement of Sub-Advisers,

⁴ A “Sub-Adviser” for a Subadvised Series is (a) an indirect or direct “wholly-owned subsidiary” (as such term is defined in the Act) of the Adviser for that Series; (b) a sister company of the Adviser for that Series that is an indirect or direct “wholly-owned subsidiary” (as such term is defined in the Act) of the same company that, indirectly or directly, wholly owns the Adviser (each of (a) and (b), a “Wholly-Owned Sub-Adviser” and collectively, the “Wholly-Owned Sub-Advisers”), or (c) an investment sub-adviser for that Series that is not an “affiliated person” (as such term is defined in section 2(a)(3) of the Act) of the Series or the Adviser, except to the extent that an affiliation arises solely because the sub-adviser serves as a sub-adviser to one or more Series (each, a “Non-Affiliated Sub-Adviser”).

⁵ Shareholder approval will continue to be required for any other sub-adviser changes and material amendments to an existing sub-advisory agreement with any sub-adviser other than a Non-Affiliated Sub-Adviser or a Wholly-Owned Sub-Adviser (all such changes referred to as “Ineligible Sub-Adviser Changes”), except as otherwise permitted by applicable law or by rule.

determining the portion of that Subadvised Series' assets to be managed by any given Sub-Adviser and reallocating those assets as necessary from time to time.

6. The Adviser may enter into sub-advisory agreements with various Sub-Advisers ("Sub-Advisory Agreements") to provide investment management services to the Subadvised Series. The terms of each Sub-Advisory Agreement comply or will comply fully with the requirements of section 15(a) of the Act and have been or will be approved by the Board, including a majority of the Independent Board Members and the initial shareholder of the applicable Subadvised Series, in accordance with sections 15(a) and 15(c) of the Act and rule 18f-2 thereunder. The Sub-Advisers, subject to the supervision of the Adviser and oversight of the Board, will determine the securities and other investments to be purchased, sold or entered into by a Subadvised Series and place orders with brokers or dealers that they select, or direct the Adviser to place such orders. The Adviser will compensate each Sub-Adviser out of the fee from the relevant Subadvised Series to the Adviser under the applicable Investment Management Agreement. A Subadvised Series also may pay advisory fees directly to a Sub-Adviser.

7. Subadvised Series will inform shareholders of the hiring of a new Sub-Adviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) within 90 days after a new Sub-Adviser is hired for any Subadvised Series, that Subadvised Series will send its shareholders either a Multi-manager Notice or a Multi-manager Notice and Multi-manager Information Statement;⁶ and (b) the Subadvised Series will make the Multi-manager

⁶ A "Multi-manager Notice" will be modeled on a Notice of Internet Availability as defined in rule 14a-16 under the Securities Exchange Act of 1934 ("Exchange Act"), and specifically will, among other things: (a) summarize the relevant information regarding the new Sub-Adviser (except as modified to permit Aggregate Fee Disclosure (as defined below)); (b) inform shareholders that the Multi-manager Information Statement is available on a website; (c) provide the website address; (d) state the time period during which the Multi-manager Information Statement will remain available on that website; (e) provide instructions for accessing and

Information Statement available on the website identified in the Multi-manager Notice no later than when the Multi-manager Notice (or Multi-manager Notice and Multi-manager Information Statement) is first sent to shareholders, and will maintain it on that website for at least 90 days.

In the circumstances described in the application, a proxy solicitation to approve the appointment of new Sub-Advisers provides no more meaningful information to shareholders than the proposed Multi-manager Information Statement. Applicants state that each Board would comply with the requirements of sections 15(a) and 15(c) of the Act before entering into or amending Sub-Advisory Agreements.

8. Applicants also request an order exempting the Subadvised Series from certain disclosure obligations that may require each Subadvised Series to disclose fees paid by the Adviser to each Sub-Adviser. Applicants seek relief to permit each Subadvised Series to disclose (as a dollar amount and a percentage of the Subadvised Series' net assets): (a) the aggregate fees paid to the Adviser and any Wholly-Owned Sub-Advisers; (b) the aggregate fees paid to Non-Affiliated Sub-Advisers; and (c) the fee paid to each Affiliated Sub-Adviser (collectively, the "Aggregate Fee Disclosure").

Applicants' Legal Analysis:

1. Section 15(a) of the Act states, in part, that it is unlawful for any person to act as an investment adviser to a registered investment company "except pursuant to a written contract, which contract, whether with such registered company or with an investment adviser of such

printing the Multi-manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi-manager Information Statement may be obtained, without charge, by contacting the Subadvised Series. A "Multi-manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Exchange Act for an information statement, except as modified by the order to permit Aggregate Fee Disclosure. Multi-manager Information Statements will be filed with the Commission via the EDGAR system.

registered company, has been approved by the vote of a majority of the outstanding voting securities of such registered company.” Rule 18f-2 under the Act provides that each series or class of stock in a series investment company affected by a matter must approve that matter if the Act requires shareholder approval.

2. Form N-1A is the registration statement used by open-end investment companies. Item 19(a)(3) of Form N-1A requires a registered investment company to disclose in its statement of additional information the method of computing the “advisory fee payable” by the investment company, including the total dollar amounts that the investment company “paid to the adviser (aggregated with amounts paid to affiliated advisers, if any), and any advisers who are not affiliated persons of the adviser, under the investment advisory contract for the last three fiscal years.”

3. Rule 20a-1 under the Act requires proxies solicited with respect to a registered investment company to comply with Schedule 14A under the Exchange Act. Items 22(c)(1)(ii), 22(c)(1)(iii), 22(c)(8) and 22(c)(9) of Schedule 14A, taken together, require a proxy statement for a shareholder meeting at which the advisory contract will be voted upon to include the “rate of compensation of the investment adviser,” the “aggregate amount of the investment adviser’s fee,” a description of the “terms of the contract to be acted upon,” and, if a change in the advisory fee is proposed, the existing and proposed fees and the difference between the two fees.

4. Regulation S-X sets forth the requirements for financial statements required to be included as part of a registered investment company’s registration statement and shareholder reports filed with the Commission. Sections 6-07(2)(a), (b), and (c) of Regulation S-X require a registered investment company to include in its financial statement information about the investment advisory fees.

5. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that their requested relief meets this standard for the reasons discussed below.

6. Applicants assert that the shareholders expect the Adviser, subject to the review and approval of the Board, to select the Sub-Advisers who are in the best position to achieve the Subadvised Series' investment objective. Applicants assert that, from the perspective of the shareholder, the role of the Sub-Advisers is substantially equivalent to the role of the individual portfolio managers employed by an investment adviser to a traditional investment company. Applicants believe that permitting the Adviser to perform the duties for which the shareholders of the Subadvised Series are paying the Adviser the selection, supervision and evaluation of the Sub-Advisers without incurring unnecessary delays or expenses is appropriate in the interest of the Subadvised Series' shareholders and will allow such Subadvised Series to operate more efficiently. Applicants state that each Investment Management Agreement will continue to be fully subject to section 15(a) of the Act and rule 18f-2 under the Act and approved by the Board, including a majority of the Independent Board Members, in the manner required by sections 15(a) and 15(c) of the Act. Applicants are not seeking an exemption with respect to the Investment Management Agreements.

7. Applicants assert that disclosure of the individual fees that the Adviser would pay to the Sub-Advisers of Subadvised Series that operate under the multi-manager structure described in the application would not serve any meaningful purpose. Applicants contend that the primary

reasons for requiring disclosure of individual fees paid to Sub-Advisers are to inform shareholders of expenses to be charged by a particular Subadvised Series and to enable shareholders to compare the fees to those of other comparable investment companies. Applicants believe that the requested relief satisfies these objectives because the advisory fee paid to the Adviser will be fully disclosed and, therefore, shareholders will know what the Subadvised Series' fees and expenses are and will be able to compare the advisory fees a Subadvised Series is charged to those of other investment companies. Applicants assert that the requested disclosure relief would benefit shareholders of the Subadvised Series because it would improve the Adviser's ability to negotiate the fees paid to Sub-Advisers. Applicants state that the Adviser may be able to negotiate rates that are below a Sub-Adviser's "posted" amounts if the Adviser is not required to disclose the Sub-Advisers' fees to the public. Applicants submit that the relief requested to use Aggregate Fee Disclosure will encourage Sub-Advisers to negotiate lower subadvisory fees with the Adviser if the lower fees are not required to be made public.

8. For the reasons discussed above, applicants submit that the requested relief meets the standards for relief under section 6(c) of the Act. Applicants state that the operation of the Subadvised Series in the manner described in the application must be approved by shareholders of a Subadvised Series before that Subadvised Series may rely on the requested relief. In addition, applicants state that the proposed conditions to the requested relief are designed to address any potential conflicts of interest, including any posed by the use of Wholly-Owned Sub-Advisers, and provide that shareholders are informed when new Sub-Advisers are hired. Applicants assert that conditions 6, 10 and 11 are designed to provide the Board with sufficient independence and the resources and information it needs to monitor and address any conflicts of

interest with affiliated persons of the Adviser, including Wholly-Owned Sub-Advisers.

Applicants state that, accordingly, they believe the requested relief is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

Applicants' Conditions:

Applicants agree that any order granting the requested relief will be subject to the following conditions:⁷

1. Before a Subadvised Series may rely on the order requested in the application, the operation of the Subadvised Series in the manner described in the application, including the hiring of Wholly-Owned Sub-Advisers, will be, or has been, approved by a majority of the Subadvised Series' outstanding voting securities as defined in the Act, or, in the case of a new Subadvised Series whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the sole initial shareholder before offering the Subadvised Series' shares to the public.

2. The prospectus for each Subadvised Series will disclose the existence, substance, and effect of any order granted pursuant to the application. Each Subadvised Series will hold itself out to the public as employing the multi-manager structure described in the application. Each prospectus will prominently disclose that the Adviser has the ultimate responsibility, subject to oversight by the Board, to oversee the Sub-Advisers and recommend their hiring, termination and replacement.

3. The Adviser will provide general management services to a Subadvised Series, including overall supervisory responsibility for the general management and investment of the

⁷ Applicants will only comply with conditions 7, 8, 9 and 12 if they rely on the relief that would allow them to provide Aggregate Fee Disclosure.

Subadvised Series' assets. Subject to review and approval of the Board, the Adviser will (a) set a Subadvised Series' overall investment strategies, (b) evaluate, select, and recommend Sub-Advisers to manage all or a portion of a Subadvised Series' assets, and (c) implement procedures reasonably designed to ensure that Sub-Advisers comply with a Subadvised Series' investment objective, policies and restrictions. Subject to review by the Board, the Adviser will (a) when appropriate, allocate and reallocate a Subadvised Series' assets among multiple Sub-Advisers; and (b) monitor and evaluate the performance of Sub-Advisers.

4. A Subadvised Series will not make any Ineligible Sub-Adviser Changes without the approval of the shareholders of the applicable Subadvised Series.

5. Subadvised Series will inform shareholders of the hiring of a new Sub-Adviser within 90 days after the hiring of the new Sub-Adviser pursuant to the Modified Notice and Access Procedures.

6. At all times, at least a majority of the Board will be Independent Board Members, and the selection and nomination of new or additional Independent Board Members will be placed within the discretion of the then-existing Independent Board Members.

7. Independent Legal Counsel, as defined in rule 0-1(a)(6) under the Act, will be engaged to represent the Independent Board Members. The selection of such counsel will be within the discretion of the then-existing Independent Board Members.

8. The Adviser will provide the Board, no less frequently than quarterly, with information about the profitability of the Adviser on a per Subadvised Series basis. The information will reflect the impact on profitability of the hiring or termination of any sub-adviser during the applicable quarter.

9. Whenever a sub-adviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

10. Whenever a sub-adviser change is proposed for a Subadvised Series with an Affiliated Sub-Adviser or a Wholly-Owned Sub-Adviser, the Board, including a majority of the Independent Board Members, will make a separate finding, reflected in the Board minutes, that such change is in the best interests of the Subadvised Series and its shareholders, and does not involve a conflict of interest from which the Adviser or the Affiliated Sub-Adviser or Wholly-Owned Sub-Adviser derives an inappropriate advantage.

11. No director, trustee or officer of a Subadvised Series, or partner, director, manager or officer of the Adviser, will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person), any interest in a Sub-Adviser, except for (a) ownership of interests in the Adviser or any entity, other than a Wholly-Owned Sub-Adviser, that controls, is controlled by, or is under common control with the Adviser, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly traded company that is either a Sub-Adviser or an entity that controls, is controlled by, or is under common control with a Sub-Adviser.

12. Each Subadvised Series will disclose the Aggregate Fee Disclosure in its registration statement.

13. In the event the Commission adopts a rule under the Act providing substantially similar relief to that requested in the application, the requested order will expire on the effective date of that rule.

14. Any new Sub-Advisory Agreement or any amendment to a Subadvised Series' existing Investment Management Agreement or Sub-Advisory Agreement that directly or

indirectly results in an increase in the aggregate advisory rate payable by the Subadvised Series will be submitted to the Subadvised Series' shareholders for approval.

For the Commission, by the Division of Investment Management, under delegated authority.
