After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

General

1. You indicate that you have incorporated by reference information from previously filed prospectuses. Additionally, please clearly identify the information that is being incorporated by reference from these documents.

4. In future Exchange Act periodic reports, please disclose each trading advisors contribution to your trading results and change in NAV per unit. Also, disclose the allocation of your assets to each trading advisor at end of the reporting period.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Wilson Lee, Staff Accountant, at (202) 551-3468 or Kevin Woody, Accounting Branch Chief, at (202) 551-3629 if you have questions regarding the financial statements and related matters.
