6. Commitments and Contingencies

The Company has agreed to indemnify the clearing broker for losses that it may sustain from customer accounts introduced by the Company. The Company and the clearing broker monitor required margin levels daily and, pursuant to guidelines, request customers to deposit additional collateral or reduce securities positions when necessary. Generally, except as provided under applicable law or the Company's limited liability company agreement, the liability of each Member for the losses, debts, and obligations of the Company shall be limited to such Member's interests in the Company.
