If shareholder approval is obtained, each reorganization is expected to take place on or about the relevant date noted above, resulting in a shareholder of a given Disappearing Portfolio becoming a shareholder of the corresponding Surviving Portfolio. Each shareholder will thereafter hold shares of the Surviving Portfolio having equal aggregate value as shares of the Disappearing Portfolio, and the Disappearing Portfolios will no longer be available under the contract.

Unless you provide us with alternative allocation instructions, all future allocations directed to a given Disappearing Portfolio will be automatically allocated to the corresponding Surviving Portfolio. As of the relevant effective date noted above, any references in the prospectus to the Disappearing Portfolios as being available under the contract are deleted.
