NOTICE OF FUND SUBSTITUTIONS

ING Life Insurance and Annuity Company (the “Company”) and Variable Annuity Account I (the “Separate Account”) have filed an application with the Securities and Exchange Commission to permit certain funds in which the subaccounts of the Separate Account invest (the “Replaced Funds”) to be replaced with certain other funds (the “Substitute Funds”).

Reasons for the Substitution. The principal purposes of the substitutions are as follows:

- **Implement Business Plan.** The substitutions are part of an overall business plan to provide a more streamlined, standardized, simplified and consolidated current array of funds available through the Company’s products.
- **Reduced Costs and Greater Influence.** Including too many different funds with different investment advisers within the Company’s products makes those products more costly to administer. The Company believes that making available affiliated funds managed by expert third party asset managers will lead to increased efficiencies, greater influence over the administrative aspects of the funds and reduced costs.
- **Due Diligence.** The substitutions will allow the Company to respond to concerns that it has identified in its due diligence review of the funds available through the products, including concerns related to changes in fund managers, performance and well-publicized investigations, claims and regulatory actions and the corresponding negative publicity.
