A. The undersigned Registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

- (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934, as amended) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The Expiry Date for any vested portion or portions of the Option shall be the earlier of the Fixed Expiry Date and the 90th day following the date that the Option Holder ceases to be an Officer unless the Option Holder ceases to be an Officer for Cause, in which case the Expiry Date shall be the date that the Option Holder ceases to be an Officer. The Expiry Date for any unvested portion of the Option shall be the date that the Option Holder ceases to be an Officer. The right to purchase Common Shares under an Option shall not vest after the date that the Option Holder ceases to be an Officer.

(f) Change of Control

In the event of a Change of Control or an impending Change of Control the Board may, if it reasonably determines that it is necessary or desirable for the Company to do so in conjunction with the Change of Control, deal with outstanding Options in a manner that it deems to be fair and reasonable in light of the circumstances. Without limiting the

generality of the foregoing, the Board may, without any action or consent required on the part of any Option Holder:

- (i) deliver a notice to the Option Holder advising the Option Holder that the unvested portion of the Option held by the Option Holder, if any, shall immediately vest;
- (ii) deliver a notice to the Option Holder advising the Option Holder that the unvested portion of the Option held by the Option Holder, if any, shall immediately vest and that the Option shall expire on the Expiry Date set forth in the notice; or
- (iii) take such other actions as it deems fair and reasonable under the circumstances.

The foregoing subparagraphs (c) through (e) shall only apply once an Option Holder ceases to fall into any of the categories of Eligible Persons. The Board and the Administrator shall look to which of the definitions of Employee, Director, Officer or Consultant the Option Holder met immediately prior to the Option Holder ceasing to be an Eligible Person to determine which of subparagraphs (c) through (e) shall apply. If the Option Holder met more than one definition, then the following shall apply. If the Option Holder was an Employee or Consultant, then the Option Holder shall be deemed to hold his or her Option as an Employee or Consultant regardless of whether the Option Holder was also a Director or Officer. If the Option Holder was a Director but not an Employee or Consultant, then the Option Holder shall be deemed to hold his or her Option as a Director regardless of whether the Option Holder was also an Officer.

3.5 Exercise Price

The price at which an Option Holder may purchase a Common Share upon the exercise of an Option shall be as set forth in the Option Certificate issued in respect of such Option and in any event shall not be less than the Market Price of the Common Shares as of the Award Date, subject to the following:

- (a) in no case shall the Exercise Price be less than the minimum prescribed by the Regulatory Authorities as would apply to the Award Date in question; and
- (b) in the case of an Option intended to qualify as an ISO, the per Common Share Exercise Price of the ISO shall be not less than 100% of the Market Price of the Company's Common Shares as of the Award Date, or, in the case of an ISO granted to an Option Holder who, at the time of the grant of such ISO owns Shares representing more than 10% of the voting power of all classes of Shares of the Company or any parent or subsidiary of the Company, not less than 110% of the Market Price of the Company's Common Shares as of the Award Date.

3.6 Additional Terms

Subject to all applicable Securities Laws and the rules and policies of all applicable Regulatory Authorities, the Board may attach other terms and conditions to the award of a particular Option, such terms and conditions to be referred to in a schedule attached to the Option Certificate. These terms and conditions may include, but are not necessarily limited to, the following:

- (a) providing that an Option or a portion or portions of an Option expire on a certain date, after certain periods of time or upon the occurrence of certain events other than as provided for herein, provided that no Option shall expire more than 10 years after the Award Date, and no Option that is intended to qualify as an ISO and which is awarded to an Option Holder who, at the time of award of such ISO owns Shares representing more than 10% of the voting power of all classes of Shares of the Company or any parent or subsidiary of the Company, shall expire more than five years after the Award Date; and
- (b) providing that an Option issued to, held by or exercised by an Employee who is a citizen or resident of the United States of America, and otherwise meeting the statutory requirements, be treated as an ISO, subject to the other provisions in the Plan concerning ISOs.

3.7 Assignment of Options

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by paragraph 4.1, exercise the Option within the Exercise Period.

3.8 Adjustments

Subject to any required action by the shareholders of the Company, the number of Common Shares subject to each outstanding Option and the number of Common Shares that have been authorized for issuance under the Plan but as to which no Options have yet been granted or that have again become available for the purposes of the Plan, the Exercise Price of each outstanding Option, as well as any other terms that the Board determines require adjustment shall be proportionately adjusted for (i) any increase or decrease in the number of issued Common Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Shares, or similar transaction affecting the Common Shares; and (ii) any other increase or decrease in the number of issued Common Shares effected without receipt of consideration by the Company, provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been “effected without receipt of consideration” (in each case, the “Event”). Such adjustment shall be made by the Board and its determination shall be final, binding and conclusive. Except as the Board determines, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of Common Shares subject to an Option. No fractional shares shall be issued upon the exercise of an Option and accordingly, if as a result of the Event, an Option Holder would become entitled to a fractional Common Share, such Option Holder shall have the right to purchase only the next lowest whole number of Common Shares and no payment or other adjustment shall be made with respect to the fractional interest so disregarded.

3.9 Vesting

The Board may, in its sole discretion, attach a term or condition to a particular Option providing that the Option shall vest over a certain period of time or upon the occurrence of certain events. The Board may also, in its sole discretion, attach a term or condition to a particular Option providing that the Option shall be exercisable immediately, in full, notwithstanding that it has vesting provisions, upon the occurrence of certain events other than as provided for herein.

3.10 Personal Information Form and Monitoring of Trading

An Option Holder who becomes a new insider of the Company or who is undertaking investor relations activities must file a Personal Information Form or such other documents as may be required by the Regulatory Authorities. An Option Holder who performs investor relations activities must comply with all procedures established by the Board or the Regulatory Authorities to monitor the Option Holder's trading in the securities of the Company.

3.11 Designation of Award

Each Option issued to a United States citizen or resident shall be designated in the Option Certificate – Schedule either as an ISO or a Non-Qualified Option. However, notwithstanding such designation, to the extent that the aggregate Market Price of Common Shares subject to Options designated as ISOs that become exercisable for the first time by an Option Holder during any calendar year (under all plans of the Company or any affiliate of the Company) exceeds US\$100,000, such excess ISOs, to the extent of the Common Shares covered thereby in excess of the foregoing limitation, shall be treated as Non-Qualified Options. For this purpose, ISOs shall be taken into account in the order in which they were awarded, and the Market Price of the Common Shares shall be determined as of the Award Date of the relevant ISO.

ARTICLE 4 EXERCISE OF OPTION

4.1A Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of the Option Holder. An Option Holder or the Personal Representative of the Option Holder may exercise the vested portion or portions of an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Common Shares to be purchased pursuant to the exercise of the Option.

4.1B Cashless Exercise

An Option Holder or the Personal Representative of any Option Holder, rather than exercise Options which he or she is entitled to exercise under section 4.1A., may elect to terminate any such Options, in whole or in part, and, in lieu of receiving Shares to which the terminated options relate (the "Designated Shares"), to receive the number of Shares, disregarding fractions, which, when multiplied by the weighted average trading price of the Shares on the Toronto Stock Exchange during the five trading days immediately preceding the day of termination (the "Fair Value" per Share) of the Designated Shares, has a total dollar value equal to the number of Designated Shares multiplied by the difference between the Fair Value and the Exercise Price per Share of the Designated Shares

4.2 Issue of Share Certificates

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Common Shares purchased by the Option Holder. If the number of Common Shares in respect of which the Option was exercised is less than the number of Common Shares subject to the Option Certificate surrendered, the Administrator shall forward a new

Option Certificate to the Option Holder concurrently with delivery of the share certificate for the balance of the Common Shares available under the Option.

4.3 Condition of Issue

The Options and the issue of Common Shares by the Company pursuant to the exercise of Options are subject to the terms and conditions of the Plan and compliance with the rules and policies of all applicable Regulatory Authorities with respect to the granting of such Options and the issuance and distribution of such Common Shares, and to all applicable Securities Laws. The Option Holder agrees to comply with all such laws, regulations, rules and policies and agrees to furnish to the Company any information, reports or undertakings required to comply with, and to fully cooperate with, the Company in complying with such laws, regulations, rules and policies.

4.4 Taxes

No Common Shares shall be delivered under the Plan to any Option Holder or other person until such Option Holder or other person has made arrangements acceptable to the Administrator for the satisfaction of any foreign, national, provincial or local income and employment tax withholding obligations, including, without limitation, obligations incident to the receipt of Common Shares or the “disqualifying disposition” of Common Shares received on exercise of an ISO. Upon exercise of an Option the Company shall withhold or collect from the Option Holder an amount sufficient to satisfy each such tax obligation.

ARTICLE 5 ADMINISTRATION

5.1 Administration

The Plan shall be administered by the Board. The Board may make, amend and repeal at any time and from time to time such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan and such regulations shall form part of the Plan. The Board may delegate to the Administrator or any director, officer or employee of the Company such administrative duties and powers as it may see fit.

5.2 Interpretation

The interpretation by the Board of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by it hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

5.3 Special Rules Applicable to Administration

To the extent the Company is subject to Section 162(m) of the *Internal Revenue Code of 1986*, as amended (“Section 162(m)”), grants of Options to persons who are, or in the discretion of the Board may become, the chief executive officer of the Company or one of the four other highest compensated officers of the Company for whom total compensation is required to be reported to stockholders under the United States Securities Exchange Act of 1934, as amended, as determined for the purposes of Section 162(m)

(collectively, the “Covered Employees”) shall be made by a committee of the Board consisting of two or more “outside directors” as that term is defined in the regulations promulgated under Section 162(m). Notwithstanding the foregoing, the Board retains the full powers set forth under paragraph 5.1 to the extent the Board determines that it is not in the best interests of the Company to comply with the “performance-based compensation” requirements of Section 162(m).

ARTICLE 6

AMENDMENT, TERMINATION AND NOTICE

6.1 Prospective Amendment

The Board may from time to time amend the Plan and the terms and conditions of any Option thereafter to be granted and, without limiting the generality of the foregoing, may make such amendment for the purpose of meeting any changes in any relevant law, rule or regulation applicable to the Plan, any Option or the Common Shares, or for any other purpose which may be permitted by all relevant laws, regulations, rules and policies provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment. To the extent necessary to comply with securities laws, the rules of Regulatory Authorities or laws or rules applicable to ISOs, the Company shall obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required.

6.2 Retrospective Amendment

The Board may from time to time retrospectively amend the Plan and, with the consent of the affected Option Holders, retrospectively amend the terms and conditions of any Options that have been previously granted.

6.3 Amendment to Option

Notwithstanding anything else contained in the Plan and subject to any necessary approval from the Option Holder, the Company’s shareholders or the Regulatory Authorities, the Board may in its discretion (a) extend the Expiry Date of any Option, provided that in no case shall an Option be exercisable later than the tenth anniversary of the Award Date of the Option; (b) alter or change the vesting terms applicable to an Option, including accelerating the vesting schedule to make the Option exercisable immediately, in full; (c) reduce the Exercise Price; or (d) amend any other term of an outstanding Option.

6.4 Approvals

The Plan and any amendments hereto are subject to all necessary approvals of the applicable Regulatory Authorities and shareholders.

6.5 Termination

The Board may terminate the Plan at any time in its sole discretion. If not earlier terminated, the Plan shall automatically terminate 10 years after the earlier of (a) the date that the Plan is adopted by the Board; and (b) the date that the Plan is approved by the shareholders of the Company. The termination of the Plan shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination. For greater certainty, any Option that is outstanding as of the date of termination of the Plan, whether such termination is automatic or at

the discretion of the Board, shall remain outstanding until the Expiry Date and shall continue to be governed by the provisions of the Plan.

6.6 Agreement

The Company and every Option awarded hereunder shall be bound by and subject to the terms and conditions of the Plan. By accepting an Option granted hereunder, the Option Holder has expressly agreed with the Company to be bound by the terms and conditions of the Plan.

6.7 Notice

Any notice or other communication contemplated under the Plan to be given by the Company to an Option Holder shall be given by the Company delivering or faxing the notice to the Option Holder at the last address for the Option Holder in the Company's records. Any such notice shall be deemed to have been given on the date on which it was delivered, or in the case of fax, the next business day after transmission. An Option Holder may, at any time, advise the Company of a change in the Option Holder's address or fax number.

THE OPTION HOLDER SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE COMMON SHARES.
