Please respond to this comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations
Differences between Estimated Total Taxable Income and GAAP Income, page 83

1. We note your responses to prior comments 1 and 2. We are unable to concur with your conclusion that the measures presented are outside of the definition of a "non-GAAP financial measure" as defined in Item 10(e)(5) of Regulation S-K, and therefore not subject to the provisions described in Item 10(e)(1)(i) of Regulation S-K and the cited Compliance and Disclosure Interpretations. As such, in future filings please revise your disclosures related to REIT taxable income and total taxable income (both in the aggregate and on a per-share basis) in order to comply with the requirements of Item 10(e) of Regulation S-K and Regulation G.
