- 5.6.4 Finally, Delhaize Group has full confidence in the management team of AB, including its Managing Director, which has been instrumental in the success of the Company the last years and, as a result, there are no plans to change its composition.

- 5.7.3 The CMC, after verifying that the Offeror holds Shares representing at least 90% of the total voting rights of the Company and that the credit institution certificate referenced in the above paragraph is in place, issues a decision, providing for the obligation of the Offeror to pay without delay to the beneficiaries the total amount of the offered price through the Operators of the Securities Account (as defined in the DSS Regulation) with which the Shares are registered or through deposit with the Deposits and Loans Fund or in any other way according to the CMC decision. The CMC decision may also specify the procedure for payment and certification of payment of the price, the procedure for the transfer of the securities and any other relevant matter and necessary detail.

5.7.4 Upon payment of the price in accordance with the above paragraph, HELEX will proceed with the registration of the Offeror as the new holder of the Shares being the object of the Right of Squeeze-out. This registration will be communicated to the Company which must arrange for its publication.

The Accepting Shareholder will also receive from the Initial Operator a DSS printout showing the Investor and Securities Account (as defined in the DSS Regulation) that the Accepting Shareholder maintains with the DSS.
- (b) Following the above, the Accepting Shareholders will visit any branch of the Tender Agent in Greece during normal business days and hours, with the Removal Certificate and the DSS printout with the details of their Investor Share and Securities Account data at the DSS. At such branch the Accepting Shareholders will: (i) authorize the Tender Agent to undertake the operation of the Shares by signing the relevant Operation Authorization, (ii) fill-in and sign the appropriate document used to receive the Shares and subsequently the Securities Receipt process will be effected for the number of Shares for which they have effected the Security Release Procedure by their initial operator, and (iii) fill-in and sign the Declaration of Acceptance in order to effect the relevant data processing, and receive copy of the Declaration of Acceptance, mechanically certified. All the above documents, together with the Declaration of Acceptance, must be duly signed by the Accepting Shareholder.

6.2.2 As of the due, valid, punctual and lawful completion of the process set forth above, the Accepting Shareholder shall be deemed to have accepted the Tender Offer. A Shareholder may be considered as not having validly accepted the Tender Offer to the extent that the Declaration of Acceptance has not been fully completed in accordance with the terms and conditions set out therein.

6.2.3 The submission of the Declaration of Acceptance may be made either in person or through a proxy. If submission is made through a proxy, the relevant power of attorney given to the proxy holder must include specific authorisations and full details of the Accepting Shareholder and the proxy holder and be accompanied by a certification of the authenticity of the signature of the Accepting Shareholder by a police station or by another competent administrative authority (e.g. Citizen Service Centres).

6.2.4 The Accepting Shareholders may also authorise their Operator to proceed with all requested actions with a view to their accepting of the Tender Offer on their behalf. The above indication is of an informative nature and it does not constitute a recommendation by the Offeror.

6.2.5 In the event that the Tendered Shares are registered with the Special Account (as defined in the DSS Regulation), the Accepting Shareholder (instead of the aforementioned application towards the Initial Operator) will submit to HELEX a request to transfer the Tendered Shares and place them under the operation of the Tender Agent, after such shareholder has signed an operation authorisation to the Tender Agent, in order to activate the K.A.M.E. (as defined the DSS Regulation) and enable the making of the above move from HELEX.

6.3 Irrevocability of the Declaration of Acceptance

6.3.1 The Declaration of Acceptance includes an irrevocable mandate and authorization by the Accepting Shareholders to the Tender Agent to proceed with all actions which are required to complete the sale and transfer of the Tendered Shares or to return them to the Operator from whom they were originated in the case set out in paragraph 6.5.3 below.

6.3.2 The Declarations of Acceptance which are submitted in the manner described above cannot be revoked unless the Accepting Shareholder wishes to accept a Competing Tender Offer. In such case, the Accepting Shareholders that have submitted Declarations of Acceptance may revoke them in order to accept such Competing Tender Offer by submitting a relevant written Declaration of Revocation to the Tender Agent.

6.4 The announcement of the outcome of the Tender Offer

The outcome of the Tender Offer will be announced within two (2) business days following the expiry of the Acceptance Period on the Daily Bulletin and on the web site of the Exchange.

6.5 The Procedure for the Payment and Settlement - Transfer of the Tendered Shares

6.5.1 Following the announcement of the outcome of the Tender Offer in accordance with the above, and provided that a Declaration of Revocation has not been submitted in the meantime by an Accepting Shareholder, an agreement for the off-exchange transfer of the Tendered Shares is being entered into between each Accepting Shareholder, as seller, and the Offeror, as purchaser, pursuant to the terms of the Tender Offer.

6.5.2 The off-exchange transfer of the Tendered Shares to the Offeror and payment of the Offer Price will be effected as follows:

- (a) Within the next business day following the announcement of the results of the Tender Offer at the latest, the Tender Agent, acting as the representative of each Accepting Shareholder, and the Offeror will enter into a written agreement for the off-exchange transfer of the Tendered Shares pursuant to Article 46 of the DSS Regulation. The Tender Agent will, acting in the above capacity, proceed with the necessary actions for the submission to HELEX of the necessary documents for the registration of the transfer of the Transferred Shares with the DSS.
- (b) The off-exchange transfer of the Transferred Shares will be registered with the DSS on the third business day following the submission of the documentation required in connection with such a transaction to HELEX, as set out in Article 46 of the DSS Regulation.
- (c) On the same third business day, on which the registration referred to in (b) above will have been completed, the Tender Agent will pay the Offer Price to each selling-Accepting Shareholder in the manner that such shareholder has selected in the Declaration of Acceptance, namely through either a deposit to such shareholder's bank account kept with the Tender Agent, or a payment in cash at any branch of the Tender Agent in Greece which the Accepting Shareholder may visit against presentation of his/her identity card or passport and a valid copy of the Declaration of Acceptance

6.5.3 In the event that a Declaration of Revocation is submitted by an Accepting Shareholder, or if the Tender Offer is withdrawn pursuant to Article 20 of the Law, the Tender Agent will return the Tendered Shares to the Operator from which it has received them, at the latest within one (1) business day following the submission of the Declaration of Revocation by the Accepting Shareholder.

The making of the Tender Offer to specific persons who are residents in, nationals or citizens of jurisdictions outside the Hellenic Republic or to custodians, nominees or trustees of Foreign Shareholders may be made in accordance with the laws of the relevant jurisdiction, with the exception of the Excluded Territories.

6.6.2 No person receiving a copy of any Tender Offer Document in any jurisdiction outside the Hellenic Republic may treat them in same way as if they constituted a solicitation or offer to such person and under no circumstances may such person use any Tender Offer Document if, in the relevant jurisdiction, such solicitation or offer may not be lawfully made to such person or if a Tender Offer Document may not be lawfully used without breaching any legal requirements. In those instances, any Tender Offer Document is sent for information purposes only.

- 6.6.3 It is the responsibility of the Foreign Shareholders wishing to accept the Tender Offer to inform themselves of and ensure compliance with the laws of their respective jurisdictions in relation to the Tender Offer. If you are a Foreign Shareholder and have any doubts as to your status, you should consult with your professional advisor in the relevant foreign jurisdiction.
- 6.6.4 More specifically, this Tender Offer is not being made, directly or indirectly, by mail or by any means in or into the Excluded Territories. Accordingly, copies of any Tender Offer Document will not be, and must not be, directly or indirectly, mailed, distributed or otherwise sent to anyone or from anyone in or into or from any Excluded Territory.
- 6.6.5 If a person forwards any Tender Offer Document to or from any Excluded Territory or uses the mail or any other means of any Excluded Territory, such person must draw the recipient's attention to this paragraph 6.6.

6.7 Governing law and Jurisdiction

- 6.7.1 The Tender Offer, the Tender Offer Documents and all acts, statements, transactions and announcements relating in any way to the Tender Offer, as well as the legal relationships arising between the Offeror and the Accepting Shareholders under the Tender Offer shall be governed by and construed in accordance with the substantive provisions of Greek law.
- 6.7.2 By submitting a Declaration of Acceptance, each Shareholder accepts that the Tender Offer, the Declaration of Acceptance, the transfer of the Tender Offer Shares to the Offeror and any participation or agreement which will be completed in the context of this Tender Offer shall be governed by Greek law.
- 6.7.3 Any dispute arising from or in connection with the application and interpretation of the Tender Offer and above transactions and agreements shall be subject to the jurisdiction of the competent Courts of Athens.

STATEMENT OF THE ADVISORS

This Tender Offer is an all-cash tender offer. For this reason, the credibility of the Tender Offer depends on the Offeror's capacity to pay the Offer Price to the Shareholders who validly accept this Tender Offer and on the measures taken by the Offeror for the settlement of the Tender Offer. The Offeror intends to finance payment of the Offer Price through its own available cash resources. Société Générale S.A. has certified that the Offeror has the necessary wherewithal to pay the Offer Price to the Accepting Shareholders and the amount corresponding to the 0.16% duties in favor of HELEX in respect of the registration of the off-the-exchange transfer of the Tendered Shares, that is in aggregate 135,090,031.77 Euro. However, the Advisors provide no guarantee, within the meaning of Article 847 of the Greek Civil Code, for the performance of the payment and other obligations undertaken by the Offeror under the Tender Offer, nor do they bear any liability within the content of Article 729 of the Greek Civil Code. Moreover, the Offeror has appointed National Bank of Greece S.A. as the Tender Agent in order to ensure due completion of the Tender Offer and payment of the Offer Price. Therefore, we consider that the Offeror has taken all appropriate measures, through:

- (1) the appointment of National Bank of Greece S.A. as the Tender Agent, within the meaning of Article 18 paragraph 1 of the Law; and*
- (2) the issuance of the certificate by Société Générale S.A. certifying that the Offeror has the necessary wherewithal to pay the above amount of 135,090,031.77 Euro at Completion, in accordance with the terms and conditions set out in the Information Circular and subject to the occurrence of no force majeure event.*

In such an event, the relevant provisions of the Greek Civil Code referring to the inability to perform an obligation without fault («Ανυπαίτια Αδυναμία Πραοχής») shall apply. In no event shall any Tender Offer Shares be transferred to the Offeror without the prior payment of the Offer Price.

Finally, Merrill Lynch International and Société Générale S.A. countersign this Information Circular, which was drafted by the Offeror, and certify, following appropriate due diligence, that the content of this Information Circular is accurate.
